Washington, Aug. 12.—President
Wilson in a message of condolence
sent to-day to Mrs. Andrew Carnegie, said the 'death of the philanthropist constituted a "loss to the
forces of humanity."

"May I not express my deep sympathy at the loss of your distinguished husband?" The message
said, "his death constitutes a very
serious loss to the forces of humanity and enlightened public service, and takes out of the world
a force which it could ill afford to
spare."

CLAIM DISASTER WILL FOLLOW IF ALLIES QUIT

Washington, Aug. 12. — Appeals for continued military and financial support have been sent to the United States and the Allied Governments by the provisional Government of the northern region of Russia at Archangel. The appeals received today in Washington, which are understood to be identical with those forwarded to the other countries, said inevitable disaster would follow withdrawal of Allied aid.

(One Dollar Per Share), A Limited Number of Shares of Common, Non-Assessable Stock of the Gate City Petroleum Developement Company Authorized Capitalization \$250,000.00. No Bonded No Preferred Stock Indebtedness

This company was organized to fulfill a great need in the Texas oil fields, namely, the development of leases held by the smaller operators, such development being on a sharing basis and startling with the development of 1,200 acres in the Ranger field in Callahan County, on which the geological report has been shown to be very favorable. This working plan of the company eliminates the payment of high prices for good oil leases and offers the investors an interest in a number of properties in different localities, at as small a cost to the company as possible.

The Perkins well, the farthest well west of Ranger in Eastland County, which joins the company on the east, flowed 9,240 barrels on the gauge just recently. The depth of this well was approximately 3,400 feet.

The company is starting the development of 1,200 acres in Section

3.400 feet.

The company is starting the development of 1,200 acres in Section 13, Section 14 and 20, B. B. & C. Railway survey, Callahan County, Texas, on which it has an 84-foot Standard derrick, with water storage, etc.

A square deal to every shareholder is the policy of the company. Descriptive circular upon request.
