

REPUBLICAN CLUB TO HOLD PICNIC

Annual Family Affair Scheduled For Boiling Springs Park on August 23

The Harrisburg Republican Club will hold its annual family and basket picnic at Boiling Springs Park on Saturday, August 23. The picnic committee has arranged a big day of pleasure for the club members, their wives and children, many of whom will go to the park early in the morning to spend the entire day. It will be the eighth annual outing of the organization at the popular resort. During the day Valley Railways cars will leave Market Square every hour for the picnic grounds. Amusements and contests for both old and young folks have been arranged by the entertainment committee, including a baseball game between the married and single members of the club, in which great rivalry has always heretofore been shown. Mayor Daniel L. Keister will umpire the game. Supervisor Charles A. Tress, frequently a winner in previous contests of the kind,

will again be a contestant for honors in the fat men's race. The committee has also arranged for a number of other exciting contests. From 1 o'clock in the afternoon to 5 in the evening, an orchestra has been engaged to furnish music for dancing in the large park pavilion. A pleasing program of dances has been arranged to suit all who enjoy the pastime. Alexander McCann and James Geiger, two veteran residents of the First ward, will give exhibitions of dancing in Civil War days, accompanied by the strains of present-day jazz music. It will be a long day of pleasure for the picnickers, as cars leave the park for Harrisburg every hour during the evening up until 10.30. The entertainment committee is composed of William Favord, chairman; William D. Block, John Yontz, Clyde Richardson and Edward A. Falter. On the picnic committee are George B. Nebinger, chairman; Herman Geiger, W. H. Hoffman, DeWitt A. Fry and Ashton D. Peace.

City's War Gardens Produce \$10,000 in Food

Crops raised this year in gardens tilled by school children, will be worth more than \$10,000, it was announced following a two-day tour of inspection. The inspecting party included L. H. Dennis, of the Department of Public Instruction; H. G. Niesley, Dauphin County Farm Agent; and Shirley B. Watts, of the Harrisburg Chamber of Commerce. More than \$3,000 worth of produce has already been taken from the gardens. There are still large crops of sweet corn, tomatoes, cabbage, etc., in the gardens.

HOME FROM OVERSEAS

After serving in France for 15 months, first as a soldier in Company B, One Hundred and Twelfth Infantry, Twenty-eighth Division, and later as a military policeman, John B. Horner, of Wormleysburg, returned recently to America. His mother, Mrs. Alice Horner, is expecting him home shortly.

CHORUS GIRLS ORGANIZE UNION

Marie Dressler Elected President of New Labor Body

New York, Aug. 13.—Chorus girls got into the fight on their own behalf and organized a union which will be known as the Chorus Equity Association and will be affiliated with the Actors' organization. Marie Dressler, a former chorus girl, was elected president, and a call was issued for a mass meeting to-morrow.

Federal Judge A. M. Hand granted an order in the Shubert suit requiring the Actors' Association and individual members to show cause why they should not be enjoined from intimidating players who are said to be desirous of continuing their employment in Shubert productions.

Other developments yesterday included the resignation of George M. Cohan from the Friars' Club, of which he was one of the founders, and the resignation of David Warfield from the Actors' Equity Association.

Penrose to Oppose Repeat of Daylight Saving Law, Report

New York, Aug. 12.—United States Senator Hoise Penrose, of Pennsylvania, has aligned himself against the proposed repeal of the daylight saving law, according to an announcement here by the National Daylight Saving Association, declaring that the Senator had so notified Robert Garland, first vice president of the organization.

Shoe Prices Will Drop, but Not For a Year

Boston, Aug. 13.—Predictions of a decided drop in the price of shoes were made by leather dealers and shoe manufacturers who convened yesterday at the Grand Jury investigation of the high cost of living being conducted by District Attorney Joseph C. Pelletier. The consensus of opinion, however, was that the decline might not come for another year. Witnesses said that the people demanded a high grade of shoes and were willing to pay for them. One leading firm, it was brought out, had millions of dollars' worth of cheap grades of sole leather on hand, which manufacturers would not buy because it did not come up to the standard demanded by purchasers of shoes.

PHYSICIANS RETURN FROM BIG CLINIC

Dr. George Kunkel and Dr. J. E. Dickinson have returned from Rochester, Minn., where they took part in a clinic operated by the famous Mayo brothers. They witnessed several unusual operations.

DICUSS THRACE

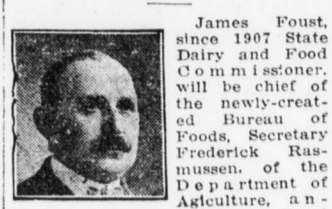

Paris, Aug. 13.—The Supreme Council of the Peace Conference held no meeting to-day. It discussed the Thracian question yesterday but reached no decision. Premier Clemenceau will leave for Vendee to spend a week's vacation. His place as head of the Council will be taken by Foreign Minister Pichon.

TO HONOR VETERANS

In honor of the service men of Enola, the Young Peoples' Association of that town will hold a straw ride on August 28 to Good Hope Mills, where a chicken corn soup supper will be served. The committee in charge consists of E. Bachman, chairman, P. Fordney, assistant chairman; F. O. Priests, treasurer; W. K. Burkholder, secretary.

JAMES FOUST IS GIVEN NEW PLACE

Becomes Head of the Newly-Created Bureau of Foods; Other Appointments

James Foust, since 1907 State Dairy and Food Commissioner, will be chief of the newly-created Bureau of Foods, Secretary of the Department of Agriculture, announced last night. The Bureau of Foods under the law reorganizing the Department of Agriculture.

Mr. Foust, whose home is in Altoona, was first appointed by Governor Stuart and has been reappointed by Gov. Pennell since. While he has brought hundreds of thousands of dollars in fines into the State treasury through suits against violators of the pure food law, he has the confidence of the State and has a reputation for fair-dealing that won him the support of hundreds of them for reappointment. He has served in the national pure food organizations in various capacities and is generally recognized as an authority on foods. There was doubt of his reappointment for some time, due to the fact that his enemies in some quarters, but the new Secretary of Agriculture over-ruled all objections and gave him the new place with wider powers than he had before.

H. W. Simmers, Philadelphia, is appointed general agent for Philadelphia, Chester, Bucks, Delaware, and Montgomery counties; E. P. Jones, Pittsburgh, and W. F. Hill, Huntingdon, named general agents for the State-at-large. C. B. Cochran, West Chester, chemist in the department, has resigned to engage in private business and D. W. Huber, Gettysburg, has been named to take his place with headquarters here.

Governor of Colorado Urges the Congress to Suppress Mob Violence

The National Association for the Advancement of Colored People, 70 Fifth avenue, New York, has received a letter from Governor Oliver H. Shoup of Colorado commenting upon the address to the nation signed by ex-President Taft, Charles Evans Hughes, Elihu Root and one hundred and thirty other citizens, which calls upon Congress to investigate mob violence in the United States.

The letter follows: "I am in receipt of your favor of July 25th enclosing a list of signatures of an address to the Nation in the matter of suppression of mob violence throughout the country. "I am in hearty sympathy with this address and especially at this time when there are so many outbreaks of racial antagonism throughout the country. I deem it essential that the National Congress should take some definite action which will tend hereafter to completely eliminate these outbreaks. "You have my full authority to use my name as Governor of Colorado as a signature to the address to the Nation that you have so kindly forwarded to this office."

Confident Japan Is Sincere in Her Promises Regarding Shantung

Honolulu, T. H., July 25.—Confident in the good faith of Japan as regards her promises concerning the future of the Shantung peninsula was expressed here by W. F. Massey, Prime Minister of New Zealand, who visited Honolulu on his way home from the Paris Peace Conference. He was accompanied by Joseph Ward, Minister of Finance of New Zealand.

Premier Massey and Sir Joseph declared their belief that the League of Nations will prove the success and realize the hopes and faith of those responsible for its foundation.

Speaking of the Shantung settlement, Premier Massey said: "Personally, I harbor no distrust of the aims and policies of the Japanese Government. The whole matter is rather regrettable and it is particularly unfortunate that the Chinese delegation to the Peace Conference saw fit to refrain from placing their signatures on the Peace Treaty. Frankly, there is no little misunderstanding concerning the whole matter, and time alone, in my opinion, will clarify a very delicate situation."

Great Gusher Renews Oil Scenes in Western Penna.

Washington, Pa., Aug. 13.—Scenes that marked the oil excitement in this section of five years ago were apparent yesterday following the striking of a huge oil gusher five miles south of here last night. The well to-day showed a production at the rate of 750 barrels a day, it being the largest producer drilled in this section in years.

The well, which is in what is known as the Fommer to district, is owned privately, chiefly by Wayneburg men, few of the big operating companies controlling any leases there. Frantic gobbling of leases at record prices and speculations to fully exploit the field immediately by other concerns featured developments.

Yankee Battle Dead Placed at 49,498

Washington, Aug. 13.—Final casualty report from the central records office of the American Expeditionary Forces in France, made public by the War Department, gave the total battle dead as 49,498, total wounded, 205,690 and prisoners 4,450. "Only slight revisions" will be made in this report, it was announced.

Recent corrections in the list of missing have reduced the number to only 127 names, as compared with 284,000 for France and 121,000 for England. To July 1, the Army had reported 149,423 cases of disabled soldiers to the War Risk Insurance Bureau. It was estimated that the final total would be close to 200,000.

THOUSANDS SEE NATIONS PAGEANT ON THE ISLAND

Brave Rain Clouds to Witness War Camp Community

Several thousand persons braved the possibility of being soaked by a rainstorm that hovered around the horizon all of last evening, to witness the War Camp Community Pageant of Nations at the Island baseball park last evening. A few rain drops fell and a part of the audience, timid souls who dreaded a ducking left the park, but the grandstand, bleachers and part of the field were well filled when the entertainment began.

Promptly at 7.30 o'clock while the crowds were still gathering Lieutenant Nelson, from the Mid-dletown Aviation Depot, did stunts over the Island in a big army plane and when he sailed away home, V. Grant Forrer, who was master of ceremonies, announced the pageant. The Pageant of Nations, in the direction of Mrs. Elmer H. Ley had been playing for spirited community singing took up its march to the duces ante reges of the field and met the procession which approached the baseball grounds.

Scouts Head Parade

The procession was headed by a troop of Boy Scouts, who carried the standards of some twenty nationalities, followed by a group of soldiers, from the local Recruiting Station, and a band of young patriots. Then followed the various nationalities, in the posture of the most picturesque being the Hungarians, Greeks, Jugo-Slavs, Italians and Syrians. A party of American girls, dressed as Japanese dancers formed one of the most attractive features. Each national group carried its own flag, but all were over and above all waving the Star Spangled Banner and it was evident that they thought more of the banner of the country of their adoption than of the one of their own. THE last bit of HERSHEY'S SUPERIOR ICE CREAM tastes so good.

Made by Hershey Creamery Co. Harrisburg, Pa.

Government Bureaus Sound Warning To Coal Buyers

The nation not only faces a serious scarcity of coal this Fall, but an actual old-fashioned famine, if consumers wait until Fall to buy coal.

The Government bureaus which sound the warnings are the United States Fuel Administration, the United States Department of Labor, the United States Administration of Railroads and the United States Geological Survey.

The basis upon which these warnings are issued follow:

1. A reduced production and subsequent shortage in supply when they should be the highest.
2. A shortage in labor, which is inevitable.
3. A shortage in freight cars this Fall.
4. A probable higher price for all coals.
5. A probable high freight rate.

Dr. Harry A. Garfield, of the United States Fuel Administration, made this statement in Chicago on May 22, 1919: "I warn the apartment house owners, the home dwellers and factory proprietors to buy coal now. In Autumn it will be too late. A big shortage is coming. Thousands of miners are going back to Europe. Coal production has fallen off considerably and a shortage of many millions of tons looks probable. My advice to the public is to buy coal right away."
