In a week or so you will have an entirely new skin, beautifully clear, transparent and of a most delicate whiteress.

Unless Allenrhu Completely ishes All Rheumatic Pains and Twinges.

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. George A. Gorgas has been appointed agent for Allenrhu in this vicinity with the understanding that he will freely return the purchase money to all who state they received no benefit.
