ROTARIANS ON ANNUAL OUTING ENJOY OPEN-AIR SPORTS AND REAL OLD-FASHIONED COUNTRY-COOKED CHICKEN DINNER

Friends of Franklin J. Roth, 229 South Thirteenth street, court stenographer since 1892 and a resident of Harrisburg for forty years, said that he may be a candidate for nomination on the Republican ticket for school-director.

ROTH MAY RUN FOR DIRECTOR

With three school directors to be elected this year, Mr. Roth is the first to be mentioned as seriously considering becoming a candidate. Friends of George W. Rely, John F. Dapp and George A. Werner, the present members whose terms expire in December, said they in all probability will not enter the race.

The dinner, served in the big pavilion, was of the old-fashioned country chicken variety and was pronounced the best of the many the club has enjoyed in previous years. Mr. Markley, the park superintendent and Cleveland Thomas, the hotel proprietor, had decorated the big pavilion in the colors of the club and it presented a very pretty sight.

Three volleyball teams contested for the championship of the club. Some of the members had never before seen a volleyball, but they played as vigorously as veterans and each of the losing captains, John S. Musser, a former president of the club, and James F. Wilson, the latter head of the War Camp Community Service recreation department in Harrisburg, He had arranged a program of unique events greatly enjoyed by both participants and the big audience that cheered the contestants.

Paris, Aug. 14.—(Havas)—On the occasion of the departure of the last American units from the former base at Evreux, Colonel Samuel Robert, commander of the camp, issued an order of the day expressing the gratitude of the American troops to the French people. He urged the troops to remember their pleasant sojourn in France.

IF THIN AND NERVOUS, TRY PHOSPHATE

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Vigor and Nerve Force. When one stops to consider the host of thin people who are searching continually for some method by which they may increase their flesh to normal proportions by the filling out of ugly hollows, the rounding off protruding angles, with the attendant bloom of health and attractiveness, it is no wonder that many and varied suggestions along this line appear from time to time in public print.

Produce Shipments Are Held Up by Strike

Harrisburg is fighting hard to reduce the cost of living, and tons of produce are going to waste at Wilmington, Del. This is the report that reached Harrisburg to-day. It was said that due to the strike on the New Haven Railroad produce for New England States was being held in Wilmington instead of diverted to some other territory.

It is said that Philadelphia tried to get the shipments diverted to that city, but the plans did not meet with the approval of the Federal Railroad authorities. Large trucks were run from some points in Pennsylvania, but the supply is said to be so large that much of the produce will rot before it is disposed of unless shipped away by the carload.
