

Motormen in Pittsburgh Strike
 Pittsburgh, Pa., August 15.—Street car traffic in Pittsburgh was suspended shortly after midnight this morning when a strike of 5,000 motormen and conductors of the Pittsburgh Railway Company went into effect. Cars on trips at midnight made their way to the barns, and shortly after that hour no car was moving.

LAFEAN DEALS NEED EXPLAINING, PROBERS SAY
 Gave Back Pledged Securities and Got Credit at North Penn Bank

Philadelphia, August 15.—Revelations concerning the official conduct of his office as State Banking Commissioner under the administration of former Governor Martin G. Brumbaugh, by former Congressman Daniel F. Lafean, of York, Pa., were made yesterday by probers working in connection with the \$2,144,000 failure of the North Penn Bank.

CUTICURA HEALS BABY OF ECZEMA
 On Back and Face. Caused Terrible Disfigurement.

"My baby had eczema on his back and face, and it caused a terrible disfigurement. It came in red pimples all over his face, and the skin was sore, and he could hardly stand any clothes against him. The breaking out rashed and burned so that he scratched and rubbed his face."
 "Then I sent for a free sample of Cuticura Soap and Ointment. I afterwards bought more, and I used one cake of Soap and one box of Ointment when he was healed." (Signed) Mrs. R. L. Ayres, R. F. D. 1, Box 51, Jersey Shore, Pa.
 Cuticura Soap, Ointment and Talcum are all you need for every-day toilet and nursery purposes.
 Soap 25c, Ointment 25c and 50c, Talcum 25c. Sold throughout the world. For sample each free address: Cuticura Laboratories, Dept. H, Malden, Mass.

Fist Fight Blocked in Congress' Halls
 Washington, Aug. 15.—Members of the House intervened yesterday to prevent a personal collision between Representatives Blanton and Hardy, of Texas, both Democrats. Resenting the charge by Blanton that he was "a mere rubber stamp" in the sense that he always defended the administration, Hardy rushed at his colleague, but was restrained. The clash came during debate by Blanton on his resolution calling upon the Secretary of Labor for a report of expenses incurred by the department in connection with John B. Densmore's investigation of the Mooney case at San Francisco. Blanton had attacked the department and Secretary Wilson, who, he said, had been in the House, "hobnobbing with members."

SECURITY LEAGUE ANTI-"RED" WAR HAS NOW SPREAD
 Great Educational Campaign Against un-American Radicalism Is Promoted

New York, Aug. 15.—The nationwide educational campaign against all un-American radical doctrine, being promoted by the National Security League in association with the other leading patriotic societies of the country, is now actively under way in 23 states, according to an announcement by the Security League today. In each of these 23 states an influential citizen has accepted the appointment of state director for the immediate supervision of the campaign in his state. This movement, in which the Security League and affiliated societies have the co-operation of prominent men and women in all walks of life in all parts of the country, is aimed at combating the disorganizing propaganda of Anarchists, Bolshevists and international Socialists by the popularization of the Constitution of the United States. The campaign will culminate in the nationwide celebration of "Constitution Day" on September 17, the anniversary of the signing of the Constitution.

22 Governors
 Two notable national committees are in general charge of the campaign—the Constitutional Celebration Organization Committee, which includes representatives of the National Security League and associated bodies and headed by Dr. David Jayne Hill, and the Constitutional Celebration Honorary Committee, which includes in its membership the governors of 22 states and mayors of over 100 large cities. The state directors in many of the states have perfected elaborate organizations for carrying on the work. The territorial state directors and local members of the Honorary Committee and the local branches of the societies affiliated in the movement in the circulation of the National Security League's constitutional interpretive propaganda and in planning "Constitution Day" meetings in every section of their states.

GRONNA TO SPEAK
 York, Pa., August 15.—At a meeting held at the home of Professor Franklin Mengos, this city, it was decided to invite Senator A. J. Gronna, North Dakota, to deliver the principal address at a farmers' picnic, which will be held at Coal Hill August 21.

NEW AMBASSADOR TO ARRIVE HERE NEXT MONTH
 London, Aug. 15.—Viscount Grey, former Secretary of State for Foreign Affairs, will leave for the United States to assume his post as temporary ambassador, probably early in September. He will be accompanied by Sir William G. Tyrrell, who was private secretary to Viscount Grey for eight years, retiring in 1915. He went to the United States in the fall of 1913, to discuss the Mexican situation with the government. A large staff also will go with the ambassador to take routine affairs out of his hands, thus permitting Lord Grey to devote his time to larger questions. Viscount Grey, whose health had been a subject of concern, now is enjoying excellent health.

THIN PEOPLE SHOULD TAKE PHOSPHATE
 Nothing Like Plain Bitro-Phosphate to Put on Firm Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evident thousands of men and women who keenly feel their excessive thinness. Thinness and weakness are often due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphoric food elements, bitro-phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should soon disappear, dull eyes ought to brighten, and pale cheeks glow with the bloom of perfect health. Miss Georgia Hamilton, who was once thin and frail, reporting her own experience, writes: "Bitro-Phosphate has brought about a magic transformation with me. I gained 15 pounds and never before felt so well."
 CAUTION:—Although bitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its tendency to increase weight, be used by anyone who does not desire to put on flesh.

Doesn't Harrisburg Want the Produce of the Farmers?
 This morning farmers with corn, tomatoes, etc., were driven off the streets by policemen at the request of residents and businessmen who did not want a curb market at their front door.
 Establish a wholesale market at once, where merchants and farmers can deal together every day of the week.
 Discourage production and the cost of living will not be lowered. Encourage the farmer to come to Harrisburg with his produce. Let him sell the consumer in the retail market and the merchant in the wholesale market.

NOTED PASTOR LAUDS TANLAC

That the stomach is the fountain head of most disease was again proven in the case of the Rev. Johnah Smith, Wilkes-Barre, Pa., after suffering six years with kindred trouble, found absolute relief through taking Tanlac. He said: "Severe pains in the back and across the kidneys led to me almost rigid. Before I had finished a half bottle of Tanlac I could feel the beneficial effects, while to-day kidney trouble is nothing of the past. Tanlac is truly a match working right and kidney trouble soon left."

STOMACH TROUBLES ARE DUE TO ACIDITY
 Tells Safe, Certain, Speedy Relief For Acid Indigestion

So-called stomach troubles, such as indigestion, gas, sourness, stomach-ache, acidity, to retain food are in probably nine cases out of ten, simply evidence that excessive acid is taking place in the stomach, causing the formation of gas and acid indigestion.
 An antacid, such as saturated magnesia which can be obtained from any druggist in either powder or tablet form, neutralizes the stomach acid and to stop or prevent this souring of the stomach, a small amount of an effective corrector of acid stomach, should be taken in a quarter of a glass of water after each meal, or whenever gas, sourness or acidity is felt. This sweetens the stomach and neutralizes the acidity in a few moments and is a perfectly harmless and inexpensive remedy to use.
