Cincinnati Meets New York in Final Pennant Battle

New York, August 15.—With only four and a half games separating them for first place in the National League pennant race the Cincinnati Reds and the New York Giants met today in the last of a series of three doubleheader in as many days at the Polo grounds. The result of today's games is expected to have an important bearing on the outcome of the league race. A double header of the western team will give a commanding lead, while a similar success by the New York club will put it within striking distance of the league leadership. An even break would leave the teams in virtually the same position as at the start of the series.

In the four games played in the series each club has won two games, three of which were closely contested, resulting in small scores. By heavy hitting in the second game of yesterday, however, New York defeated Cincinnati 9 to 3, after the first game had resulted in a 2 to 1 victory for the home team in fourteen innings.

Barnes and Benton probably will be the pitching selections for New York today with Fisher and Eiler for Cincinnati.

SILK MILL TEAM WINS
Harrisburg Silk Mill team defeated the White Hill team last evening in the fast seven-inning game, score 8 to 5. The Silk Mill team would like to hear from some good, fast teams. The pitching of Comp was steady and he fanned eight men. The score by innings:
White Hill ... 1 2 1 0 1 0 0—5
Silk Mill ... 2 0 1 0 0 5 x—8
Batteries—Silk Mill, Comp and Christian; White Hill, Enswiler, Holler and Kutz. Umpire—Rice.

Simple Home Remedy
Advised For Rose And Hay Fever
Anyone Can Make a Pint For Trifling Sum and Used in Time May Prevent Annual Attack

"No matter how severe your yearly attack be,
No matter how distressing or humiliating—
Its intensity can be reduced to a harmless, mildness,"
says a Kentucky druggist who believes from what he has seen that this simple home made remedy is a most important discovery.

He has seen the most severe and apparently unconquerable cases reduced to what might be called a mild cold in twenty-four hours.

In many cases where the patient started treatment when ten or fifteen days before the expected attack the unwelcome yearly visitor failed to appear with anything like its usual intensity.

People who want to try this new treatment can make a pint in a few minutes.

Pour one ounce of Mentholized Arcline into a pint bottle then fill the bottle with water that has been boiled. Gargle daily as directed and sniff or spray the nostrils twice daily.

"That's all there is to the treatment which so many sufferers have found to be a true friend."

Mentholized Arcline in one ounce vials is dispensed by all the better pharmacies.

GAMES SATURDAY ON D-P CIRCUIT

Newport to Clash With Marysville; Important Contest; Port Royal at Duncannon

Dauphin-Perry Standing

W.	L.	Pct.
Marysville	9	4 .692
Newport	7	7 .500
Port Royal	6	6 .500
Duncannon	4	9 .308

To-morrow's Games
Marysville at Newport
Port Royal at Duncannon

Important games are scheduled in the Dauphin-Perry League to-morrow when Marysville lines up against Newport at Newport and Port Royal and Duncannon grapple at the latter place. Victories for Newport and Port Royal with a defeat for Marysville, would tighten up the league race.

The Newport-Marysville game on Marshall Field, Newport, promises to be the most important game of the day. A victory for Newport would move that aggregation to within one and one-half games of the front rung. Manager Stees, of Marysville, however, promises to make things interesting even though he will be compelled to send a crippled team against the upper end aggregation.

Gerdes Out of Game
Marysville will be without the services of Shortstop Gerdes and Centerfielder Lightner, two of the heaviest hitters on the team, when play is called. Keller or Ellenberger will likely be used in one of the infield positions with the possibility that either Moore or Herman will be sent to short from their regular positions at second and first. In the outfield Keller or Ellenberger will be used in center with one of the youngsters on the team's roster covering right field.

Abner Hippensteel former star catcher of the Marysville aggregation who was in the line up at the beginning of the season, will be seen behind the bat. Mower appears to be the most probable selection for mound duty, although Harry Biever may be used.

Newport's reliable aggregation will take the field with few changes. Dutch Conners is scheduled to work out on the mound, but the receiving selection is somewhat uncertain. G. Swartz, his battery mate on the leading team of the Allison Hill League may be used, although the choice may fall on Joe Kearns, the Newport lad who has been behind the bat in every game this season. R. Wagner will not be in the line up at first base and his brother, Norman Wagner, will be pulled in from centerfield to cover the infield sack. This will mean that Clyde Doner, the Newport youngster who has been playing a high grade of ball, will be sent to the outfield. If the game is sent to the eleventh pull, Shreffler, nonresident right-fielder, from the lineup and use a Newport youth. "Dick" Nebinger will umpire.

Port Royal in Form
Flushed with their victory over Marysville last Saturday in their initial game since their admittance to the Dauphin-Perry League, Port Royal will go to Duncannon to line up against the rejuvenated team of that borough. Duncannon has been playing a better grade of ball during the past several weeks and may make things interesting.

The Port Royal lineup will be practically the same as that used in the Marysville game last Saturday. Melvin Frankhouse, former star Duncannon third-sacker, will continue to hold down the hot corner for his home town team, Port Royal. Charley Bailor will be used behind the bat, while Troutman, who hurled last week, will likely be on the mound. "Bill" Ritter, formerly of the New York Giants, may be used, however.

Duncannon's lineup will be practically the same as that which was used with telling effect against Newport last Saturday. The changed infield left little trick to it. "Og" Waltz will likely be behind the bat with "Kid" Stricker on the mound. Stricker has been in the best of form this week and will make things interesting. "Clint" White will umpire.

Manager S. S. Beaver has filed his list of players with President Knauus. No further changes will be permitted. The list follows:

Resident — Bailor, Hertzler, J. Groninger, S. Groninger, H. Groninger, Schell, M. Frankhouse, F. Frankhouse, Doty, A. Kepner, Kepner, Meloy, Moorehead, Crozier, Hower.

Nonresident — McCord, Ritter, Riden, Troutman.

GROCERS HAVE HARD TIME IN RECUPERATING

Winners of Afternoon Events Are Awarded Prizes at Hershey

There was very little business transacted in the local grocery stores today. No, this isn't a food story! But so much time was taken up by the clerks and their customers in telling each other what a good time they had at the grocers' picnic at Hershey yesterday that there was little time for business.

As a matter of fact, the overcrowded conveyances of every sort coming away from the park last night testified to the fact that there was certainly a crowd there to enjoy the fun. And there was an plenty and then some. In spite of the cross-eyed sensation of trying to watch a three-ringed circus, everyone managed to see almost everything without losing an eye, unless it might have been at the pool Any-way, "a good time was reported by all," as the Bingtown Bugle would put it.

The afternoon was spent in running off those contests which could not be gotten in during the morning, and the spectators were kept in gales of laughter by the fat women's tug-of-war, the milk bottle contests and like events. All those who didn't get their prize on the grounds yesterday will get them in the near future if they will step around to Springer's grocery, at 1314 Vernon street.

Several Concerts
The Moose Band played through another well-attended concert again in the afternoon and those who were not listening to that music were in the dance pavilion, where the Banjo-saxo orchestra was holding forth for the delectation of those devotees of terpsichore who just couldn't resist that impulse.

Later Mrs. Florence Ackley Ley led in community singing, and when I say singing, I mean—well, what's the use trying to describe it—but if you can imagine all of the best known artists singing together and the sound of their voices amplified some hundred or so times, you might get a faint idea of the sound which arose from the "Grocers' chorine."
