Budapest, Saturday, Aug. 16. — Archduke Joseph agreed to-day to resign his place as temporary dictator of the Hungarian Government because of the Socialists' objections to him but consented to remain at the head of the State for the time being when peasant leaders and members of the reactionary party protested. These leaders were said to have declared they would cause

HOLDING PIANES HERE
Until the weather clears sufficiently to permit them—to fly across the mountains to Altoona, the planes of the Army Trans-continental Route Squadron will wait at the Middletown field. The pilot had hoped to make their start on Sunday but the rain then and again yesterday and to-day prevented them from taking off. If the weather should clear by the middle of the afternoon the pilots will probably try to make it.

Cut Bacon Prices as Government Food Is Offered For Sale

Denver, Colo., August 19.—On the eve of the entry of the city of Denver into the retail bacon business, lealers have announced sweeping reductions in that commodity. Where stores previously have been getting 55 to 70 cents a pound, to-day it was announced bacon could be bought at 16 and 39½ cents a pound. Custoners were advised to load up.

The city will sell 30,000 pounds of bacon purchased from the War Department in an effort to curb high prices.

Heavy Storm Delays Traffic Throughout City

More than an inch of rain fell last night during the heavy electrical storm which came over the city during the hours of heaviest traffic last night.

Lightning set fire to the barn of Charles Brenneman near Camp Hill, and entirely destroyed it. Several cows and the greater part of the wheat and hay crop went with the barn. A Valley Railways car was also struck, but nobody was hurt. The car was disabled.

Several minor accidents were reported as a result of the lights going out. Camp Hill was in total darkness the greater part of the evening.
