SECURES CAR OF
ARMY FOODSTUFF

Car Due to Arrive in Steelton
Some Time Next
Week

Through the efforts of one of the members of the committee appointed by the Burgess a car of Army Foodstuff has been secured for distribution in Steelton. The car will contain corn, peas, bacon, canned cherries, canned pineapples, canned asparagus, breakfast cocoa and canned sweet potatoes. The prices are liable to be slightly higher than the prices on the last car, due to the higher freight rates. This car will be shipped from Baltimore, while the last came from Marsh Run. The goods will be distributed on the same plan as the other car. Ample notice will be given in the newspapers of the date of sale and prices. The goods will be sold through the fire company. The cash and carry system will be followed, and positively no goods will be sold to dealers.
