Hassler, who has beer pitching wonderful ball this season left them down with three scratchy hits and helped shut them out by clubbing the ball for two bases. Hassler struck out seven batters to Zinn's five. Zinn pitched fine ball until his support went a little wrong. McCurdy hit the ball in deep left for two bases but tried for three bases and by a nice re-lay of Hurrell was out at third by a foot. Keller played a good game at second, accepting six chances without an error and out of four trips to the plate he had two singles and a sacrifice, advancing two run-

Good Catch by Brown

Brown made a nice catch out between center and right and the next batter up hit one out in deep center, making two sensational catches in one inning. This helped to take all the "pep" out of the Waynesboro boys who thought they had easy salling at Hummelstown. Only thirty-two men faced Hassler during the nine inning peried and he was never in danger. The score:

Leaders in Form

West End is in good form. On Saturday the leaders defeated Mill No. 1, champions of the Central Iron and Steel Company League. The score was 5 to 1. Bill Euker was a big star. During the nine innings Euker was at bat three times, had two hits, stole seven bases and scor-ed three of the five runs made by

his team, which is a record for individual playing which will probably stand for some time in amateur

stand for some time in amateur baseball circles.

The game was witnessed by a large number of rooters and had R. Williams, the Mill Workers' pitcher, been given better support the box score would probably had a different appearance, for he hurled a good game and left the uptown team down with six hits. Challenger and Winters also pitched a fine game for West End, and although touched up for eight bingles, together they struck out twelve Steel Company batsmen, fanning six men each.

The lone run made by the Steel Workers came in the third after R. Williams had fined out. Swartz doubled and scored on Winn's two-base drive. Murphy struck out.

Marysville on Saturday, Marysville took a big stride towards the cinching the 1919 pennant. With all of the Marysville-players back in their regular positions, the leaders had little difficulty with the runners-up and secured ample revenge for the defeat of the patched up team last Saturday. The game was never in doubt after the first inning, when a trio of tallies was scored.

The Duncannon-Port Royal game, the first scheduled at Port Royal since it replaced Millersburg, was declared forfeited by Umpire Nebinger when the Duncannon team falled a appear on the field. In

By virtue of her defeat Saturday, Newport can now do nothing better than tie Marysville for the lead. Port Royal has a paper chance of winning out. Trailing Marysville by two and one-half games, she could land the pennant in case Marysville loses all her games and Port Royal wins all theirs. long hits. No less than five of the drives would have gone for circuit clouts on the Newport field. Two of these were pulled down by Marysville outfielders, one off the bat of R. Wagner by Stees in left, and another Wagner by Stees in left, and another by J. Lightner when he took the fly of H. Wagner in right center, tumbling head over heels after getting his hands on the ball. Swartz drove the ball over J. Lightner's head in the sixth but was held on first, while Rutter and Wertz were held to second on their long drives. Sensational fielding on the part of Marysville featured the contest. The work of Stees and J. Lightner, in the outfield, shone specially, while the entire infield did good work. Rutter, Gerdes and J. Lightner led Marysville read and J. Lightner led Marysville at the bat, while Wertz collected a trio of safeties for Newport.
