WEST END TO
PLAY MOTIVE POWER
On West End Field, Fourth
and Seneca streets this evening
will be fought an important baseball battle. West End, leaders in
the race will play Motive Power,
runners up. The game starts at
6.30. If the boys on top win, the
second team will have little chance
to land the flag. Motive Power
must take the game to get in the
running. Some surprises will be
in order.

Commonwealth last evening with "Birdie" Hinkle on the mound took a game from the Firemen and Engineers. The Travelers are now only two games back of the Motive Power team. The latter to-night plays West End, the leaders. Should the runners ur lose, the M. P.'s chances for winning the pennant will go glimmering. Furthermore it means they will have to fight to hold second place.

collimbering. Furthermore it means they will have to fight to hold second place.

There was method in the work of the Commonwealth team last evening. It was play bail from start to finish. Blever had a bad spell in the fourth, while Hinkle had the failroaders guessing in every inning. Fast fielding featured the battle, but Hinkle was the candy boy. He is an infielder and proved a big surprise as a curve hurler.

Wagoner's Home Run

One of the features of the game was the home run swat made by Harry Wagoner, who covers the left garden for the Engineers and Firemen. Wagner made his drive in the fourth inning when he drove the second ball pitched to him so far out into right field that he had circled the bases and had comfortably seated himself on the players' bench before the sphers was recovered and returned to the infield. Had it not been for this drive, the railroaders would have been whitewashed, for they could do nothing with Hinkle's delivery after that.

Commonwealth secred in the second inning. N. Ford hit for two bases, and after the ball traveled the sphers was recovered and returned to the infield. Had it not been for this drive, the railroaders would have been whitewashed, for they could do nothing with Hinkle's delivery after that.

Commonwealth secred in the second inning. N. Ford hit for two bases. Bell fanned Killinger grounded to first and Ford took third on the play. Biever made a balk and Ford was permitted to second on N. Ford's base hit. Both runners were advanced a base on Bell's sacrifice, Killinger was safe on Dill's error, and on Smith's single, Gerdes and Ford scored. Fields followed with a single, scoring Killinger and Smith. On the throw to the plate to catch Smith going home, Fields took second. Cochhlin struck out, Lightner walked and Hinkle ended the inning by flying out to Wagner.

# Twelve-Inning Battle

Twelve-Inning Battle

The Knights of Columbus baseball team is keeping up its good record. These boys won over McSherrystown. In the benefit score 4 to 3. The local team has seven games without a defeat. In the last game, "Bill" Shafer's drive, with two on in the eighth, and T. Euker's running catch of a line drive in the tenth with two on base, were two of the big features. Perhaps the most unique play of the season was pulled by Oscar Walz the locals' second sacker. Weaver singled sharply between first and second. Walz with his characteristic spirit of never giving up chased the ball into right field. The runner loafed on his way to first to our advantage for the ball stuck in the high grass and Oscar Walz picked factor in holding down the locals. Sturm's pitching was a decided factor in holding down the locals. The score:

tories and One Tie in Series;

Hummelstown defeated Hershey A. C. last evening, score 6 to 3. This victory strengthens the claim of the Hummelstown Fire Company team that to win the championship of Dauphin county West End and other teams will have to battle with them. Hummelstown is out for hon-ors and having defeated a number of teams, are now ready to meet all comers for the season's title.

Game on Thursday

comers for the season's title.

The game last evening went nine innings. C. Brown was a big star on the mound and held his opponents at critical times. His support was classy. Connors had a weak field back of him at intervals.

In the third inning Sullivan hit a hard one to Eberly, who could not recover in time to get his man. Connors fanned and Albert hit for three sacks, scoring Sullivan. Forrest walked and stole second. T. Heagy hit a long sacrifice fly, Albert scoring. Howe was an easy out. The third run for Hershey came in the fourth inning on S. Heagy's single, followed with two easy outs and then a hit by Sullivan, Heagy taking third. Connors singled, scoring the runner. runner.

Fourth Game Thursday

Thursday evening Hummelstown
will go to Hershey for the fourth
game. Hummelstown has beat Hershey 4 to 0, at Hershey, the first
game; held them to a 1-1 score the
second game at Hershey, and in
the third at Hummelstown beat
them 6 to 3. Hershey brought a
large bunch of rooters along from
Hershey, including some of the most
prominent men of that town and
Hummelstown will return the favor

Electricians Lose Hard Fought Game to Liverpool In the greatest game at Liverpool,

according to players and fans, the Pennsylvania Railroad Elects last evening lost to Liverpool, score 2 to
1. The Elects outhit their opponents, but sensational fielding kept them from scoring more than once. Gelbach, hit by pitcher, stole second and third and scored on Richards' two-base hit.

Two hits for Liverpool, one that Gelbach, Wevodan and Clark surrounded, and left fall safe, with a missed third strike by Snyder, were the discues that gave Liverpool their only runs of the game. Snyder made a great throw to first but Rhinehart failed to touch the bag.

The Elects were to meet Liverpool on the Hill Friday evening, but four of the Liverpool players work on farms and as the threshers will be busy Thursday to Saturday, it will be impossible for them to come here Friday. The two teams will meet here later on and the Elects will go to Liverpool on September 6. The score: P. R. R. ELECTS

### McGraw Has Big Interest in Cincinnati

Interest in Cincinnati

Here is what Manager McGraw says about the "Reds":

"I naturally take a sort of a personal interest in the Cincinnati club because I furnished it with sc much of its personnel. In addition to Moran, Groh, Roush, Rariden and Salee went to the Reds from New York. I have heard various opinions concerning the trades which took playes away, but even—in baseball your arely get something for nothing.

"For instance, I knew that Groh was a great little player, but, at the time, I couldn't use him and I had to have a pitcher. I traded Groh and Devore for Fromme. What the trade meant to me was the winning of a t-nnant. Fromme wone eight straight games for me."

"See, the former International League player Moran has been using as an outfielder, is another player I helped to develop. He is a Bronx boy and he used to come to the Polo Grounds and work out with the Giants at morning practice. Arthur Irwin took him to Rochester and from there he went to Cincinnati.

Atlantic is packed with pull

RUTE truck, ponderous load, steep climb—only a powerful, sinewy motor-fuel, packed with pull, can fill the job. Such a motor-fuel is Atlantic Gasoline.

Made from the finest crude oil that flows-made to atlefinite standard by an organization of refiners with more than fifty years' experience to guide them—Atlantic Gasoline meets the test of the up-grade.

This is attested to by the fact that an overwhelming majority of truck-owners in the State use Atlantic Gasoline to the exclusion of all other motor-fuels. And this goes for passenger-cars too. The moral is plain.
