GEO. W. RHOADS  
HONORED BY G.A.R.

New Department Commander  
Guest of Honor at Big  
Public Reception

GEORGE W. RHOADS

George W. Rhoads recently elected Department Commander of the highest G. A. R. office in the State, was the guest of honor last evening at a reception given in his honor by the Ladies Circle of the G. A. R. at the home of Mrs. Rhoads...

Members of other city and Mechanicsburg posts attended as did members of Harrisburg Camp No. 15, Sons of Veterans, and members of the Ladies Circle of the G. A. R. Frank H. Hoy, Sr., of Post 55, presided.

Leutenant-Governor E. E. Beidler was the first speaker. He spoke of Mr. Rhoads as a man in the history of the Grand Army who has been more faithful to his command than this man who has been made Department Commander.

Other speakers included Philip Meyer, of Harrisburg; Col. S. D. Towne, of Philadelphia, Assistant Adjutant General of the Department of Pennsylvania; Adjutant Plover, of Mechanicsburg Post, No. 415, and several past commanders of Post 55, Mr. Rhoads making a few remarks. A short musical program was presented.

Wholesale Facilities  
Wanted by Farmers

The Chamber of Commerce committee which has under consideration the matter of providing wholesale facilities for farmers and truckers is hearing nothing but approval of the proposition. It is realized that every facility must be provided for delivery of produce to city dealers and consumers. Some farmers are understood to have resented the forestalling ordinance to the extent of disposing of their stuff in West Shore towns, compelling grocers and others to purchase their supplies across the river. It is also stated that some city dealers have patronized York concerns, owing to the controversy over wholesaling here. It is believed that some definite plan providing for wholesale markets will be worked out soon.

First Steps Taken For  
Erection of State Bridge

The State of Pennsylvania through one branch of its government to-day began proceedings to ask permission from another for the construction of the Soldiers and Sailors Memorial Bridge authorized by the last Legislature to be a part of the Capitol Park improvements. The Board of Public Grounds and Buildings filed an application for a certificate of convenience for the building of the bridge from the Public Service Commission which has jurisdiction where bridges cross public utilities. The application contains notice to the city of Harrisburg and the Pennsylvania railroad and will be heard on September 11.

Each of the five matches played at Hamilton last night resulted in a three to two score. Kipona Celebration Is  
Inspiration of Song

The Kipona celebration is making the poets sit up and take notice. Dr. Hamilton has written an official Kipona song and now comes H. B. Hillward writing to the Telegraph from Reading, to contribute the following song called Kipona, to be sung to the tune of "Forsaken, Forsaken" which is a real little gem of its kind:

O, many-bridged river that  
spies along,  
We gather to revel in light and in song,  
O'er its bosom of beauty our garlands are thrown  
Kipona! Kipona! Dear river our own!

O, city of Jewels! How fair thru the night,  
On the clear sparkling water thy lights gleaming bright!  
No sapphires more radiant e'er  
gleamed from a throne,  
O, City of Jewels, our hearts are thine own.

O, this is our homeland! our hearts hold thee dear,  
The song of thy waters Kipona we hear.  
In all Nature's music no sweeter is known,  
Kipona! Kipona! Dear river our own!

State to Investigate  
Pittsburgh Strike

Representatives of the State Government will go to Pittsburgh immediately to make an investigation of the conditions surrounding the strike of the Pittsburgh Railway Company employees and the attempts of the receivers to operate cars. This action was decided upon to-day by Adjutant General Frank D. Beary, Deputy Attorney General R. S. Gawthrop and other officials after receipt of telegrams and messages from the receivers of the company and officials of the city as to conditions. The receivers asked an inquiry as to the situation attending the running of cars.

In Again, Out Again,  
"Sonny" White's Record

"Off again, on again" Finnegan had nothing on "Sonny" White, colored, who might quite properly be dubbed "In again, out again" White. "Sonny" has the rather unfortunate faculty of being able to get into the clutches of the law within as short a time after being freed, as few other Harrisburg men.

This afternoon he will appear in police court to answer a charge of having raised a disturbance with Jeanette Leonard, Cowden and Herr street, last evening. He had been released on a larceny charge just a short time ago, and even before that, he had a record of fair length at police headquarters.

"After the war is over," one Yank recently told the correspondent, "we're going to come up here and organize an expedition to hunt these mosquitoes for their ivory. They're not like ordinary mosquitoes. They buzz up, bite a piece out of your leg, and then fly away into the trees and eat it."

German Proposal to Pay  
For Actual Work Done

By Associated Press. Berlin, Aug. 26.—The Vorwaerts, the Socialist organ, prints a sensational article on the approaching transport crisis in connection with the coal output and makes the following revolutionary proposals: That workmen be paid according to the actual work done by them; that workmen must be made to understand that good pay is only obtainable in return for good work, and that capable workers must have the opportunity to earn, by greater application to work, more than the amount represented by a fixed scale.

This will be an interesting week in the Furniture Section, despite the fact that it is the last week of the sale. A belated shipment of bedroom furniture has just been unpacked and placed on the floor. This August Furniture Sale has distributed values that are impossible to duplicate to-day. It is fortunate for those who have not completed their furniture buying, and who are specially in need of bedroom pieces, that this lot of goods came in in time for the wind-up of the sale. A week later would have seen the passing of the August Sale and everything on the floor marked at regular prices.
