West End played all around Motive Power last evening, won by a score of 7 to 3, and put the runners up out of the race for this season. That is the way the fans size up the situation in the West End Twilight League series. They have doped it right. West End's work last evening was the kind that makes victory certain. Every man on the team worked. Motive Power lacked team work.

Stricker pitched for the leaders, and he had the goods. When a batter outgassed him, his teammates got busy. Motive Power could not get started right. Four runs in the first for West End put Bamford out of the box and Wertz went in. It was a great battle and was witnessed by a crowd of 5,000. Stricker weakened near the close of the game, but was never in danger.

West End has five games to play. Losing all, and Motive Power winning all, would not do it. This is not likely to happen. The runners up will in all probability put their energy in trying to hold second place, and they must win to do it. After last night's victory Manager Rodenhaver congratulated his players and thanked them for their loyal support.

Scoring Starts

W. Euker started the trouble with a single to center and was sacrificed to second by McCord. Shafer doubled and Euker scored. Embick was hit by a pitched ball, but was caught at second by a grounder, by Palmer. Stewart attempted to make a double play on Palmer's grounder. He hurried the ball into the right field bleachers and Shafer scored, Palmer taking second. Palmer went on to third on T. Euker's single. The latter stole second and he and Palmer both crossed the plate on McKeever's

single. Knight ended the inning by grounding out, second to first.

In the sixth the leaders collected three more runs, after McKeever had gone out, second to first. Knight doubled to center. Stricker struck out and W. Euker was sent to base after being hit by a pitched ball. McCord followed with a single, scoring Knight and sending Euker to third. On the throw to catch Euker at third McCord went to second, and both he and Euker scored on Shafer's hard hit grounder to second, which was too hot for Eberly to handle. Embick ended the inning and scoring by flying out to Stewart.

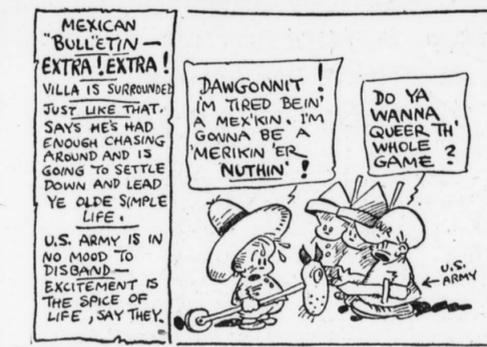

Motive Power Scores

Motive Power's first run was made in the fifth. Weaver struck out and Eberly walked. The latter stole second and went to third on a passed ball by Knight. Wertz then singled and Eberly scored. Eiter struck out and McCurdy forced Wertz out at second to first. On this play Garverich crossed the plate. A minute later Hippensteel scored on Weaver's base hit. Eberly then went out, pitcher to first. The score:

CINCINNATI REGULARS PLAY KLEIN TEAM HERE FRIDAY; THREE PITCHERS ARE READY

Cincinnati will be here Friday with Manager Pat Moran's entire squad. Harrisburg fans will see the regular lineup. In a letter received to-day by John Brackenridge, manager of the Klein Chocolate Company team, it was stated emphatically that the stars would play in Harrisburg. When a big league team plays here, there are some fans who fear they will only see a second rate team. Manager Brackenridge said to-day:

"My contract calls for the regular lineup. I have granted every request of George Bancroft, the business manager and have stipulated in my contract that the regular lineup must play in Harrisburg. This I have been assured will be done. In a letter from Bancroft he says: 'we never fool the public'. You can make it strong in the newspapers that the team that has played in the east with the other National League teams will play in Harrisburg."

Good Money For Reds

"I am paying a good guarantee with a percentage option and made no kick when the terms were given me. Harrisburg fans will always get the best I have to offer. Cincinnati has three exhibition games, at Parkersburg, York and this city. The Klein team will play Carlisle, Thursday and remain in Harrisburg Thursday night for the big game on Friday."

CARLISLE A. C. IS WILLING TO PLAY

Not Afraid of Hummelstown — Called Game Off Because Men Work

Carlisle baseball fans are up in arms. They dispute the right of the manager of the Hummelstown team to say the Carlisle A. C. is afraid to play the Fire Company team of Hummelstown on Labor Day. Manager H. R. Einstein was here yesterday and said he was "mad." Here is what he asks the Telegraph to print:

"You printed in yesterday's issue of your paper an article, which it appears, came from some poor sport in Hummelstown, with reference to the Carlisle A. C. cancelling two games with Hummelstown on Labor Day. As the article does not display good sportsmanship, I wish as manager of the Carlisle club to make reply.

"Early in the season Hummelstown and myself arranged games, one to be played at Carlisle Saturday, August 16, which was played, and two at Hummelstown on Labor Day. At the time of making these arrangements I surely thought we could go to Hummelstown on this day for these games.

Players Must Work

"Only a short time ago, and after the game at Carlisle, the players, all of whom are employed in Carlisle, began to notify me that because of work, in which they are employed, working on Labor Day, it would be impossible for them to play, and with good faith and good sportsmanship I at once notified Hummelstown accordingly, and in plenty of time that they could secure another team for this date.

"I have another offer from a ball club, that is close to Carlisle, for a game in the late afternoon of Labor Day, with a guarantee double that of Hummelstown, which is now under consideration, and fear it cannot be booked because of conditions as above stated.

ATHLETICS ASK INCREASE TO MEET HIGH LIVING COST

Several of the crack men of the central district will compete in the Canadian championships at Toronto September 6, and they agreed the high cost of living had clutched them. They said they were unable to meet the necessary traveling and living expenses with the association allowance and then sent their protest to Mr. Brown.

Manager "Pat" Moran will have three pitchers ready and may use all three. His staff will include Harry (Slim) Sallee, "Dutch" Reuther who has been developed by Manager Pat Moran, and Hod Eller, one of the most dependable pitchers in the League. The game will start at 3:45 and will be played on H. A. C. field, with favorable weather it is the belief that the crowd will reach nearly 10,000.

The field will be roped off so as to prevent the crowds from interfering with the players. Work starts to-day in putting the grounds in shape for this big game.
