"Mr. President." inquired Sen-ator New, "would our position in the War of 1812 and the Spanish-American War have been secure under the League covenant?" "Oh Sonator. You can ludge of the sonator New at more import-and being gymnasiums and shower-baths made available for the use baths made available for the use baths made available for the use baths made available for the use has made available for the use and Mr. Wilson's answers. "Mr. President." inquired Sen-ator New, "would our position in the War of 1812 and the Spanish-American War have been secure under the League covenant?" "Oh Senator. You can ludge of to go to the polls and cast his balnow fighting the hand of time, for I in spite of his eighty years he is up to his eyes in business. He has large mining interests in Peru. His primal object in return-ing from Peru to this country last June was to give some information to the authorities in Washington on the proposed tariff on chemicals. In addition to his interests in Peru he has a beautiful residence on the island of Jamaica. When the altitude of Peru gets on his nerves he runs down to the coast and takes steamer for the Spanish Main and his island home. Think of a man who for forty years was active in Pennsylvania polities and now at the age of eighty is making long sea voyages and into Hazleton and sacrificed and self for his children by giving him-self up. He is now at Vancouver awaiting trial. <text><text><text><text><text><text><text><text><text><text><text><text> Proteus Up to Date How well he plays each classic part, With skill that keeps no narrow ranges!
