

HARBOR MISSION FILLS CONGRESS WITH AMAZEMENT

Will Investigate Conditions in Armenia With a View to Mandatory

Washington, Aug. 28.—Members of Congress are reading with no little astonishment various cables from Paris which tell that General James G. Harbord, Chief of Staff of the American Expeditionary Forces, at the head of a strong body of American military and naval officers, has gone from Paris on a mission to Armenia and the Trans-Caucasian region. General Harbord is not going on an ordinary excursion but will proceed under instructions from the President. It is admitted that the object of the mission will be to find out all the information possible about existing conditions in the Trans-Caucasus, especially in Armenia. By personal investigation he will look into the questions involved in the possible taking over of Armenia and Trans-Caucasia by the United States, it being proposed that the United States act as mandatory under the League of Nations. It is plain there is a powerful movement intended to drive the United States into the assumption of this great task. Likewise it is

plain that the Administration has given it encouragement. It is now generally believed that once the League of Nations begins to operate there will be a definite proposal that the United States act as mandatory for the region in question and perhaps for all Turkey. This matter will not be left, however, entirely to the decision of Geneva and the President. Congress will have the final say and if the tenor of opinion which is now voiced at the Capitol with reference to the General Harbord mission is any index, it is a safe assumption that the mandate will be refused. It is a certainty the President cannot line up his own party in Congress for a proposition which would involve the maintenance of a large naval force in near eastern waters and the establishment and maintenance of garrisons in numerous points in southwest Asia. How many troops would be needed to keep the territory properly administered General Harbord will indicate in his report.

Thieves Driven Off by Farmer With Shotgun

New Freedom, Aug. 28.—An attempt was made on the farm of Elmer Rehmyer, near here, to steal a number of turkeys, but it was frustrated by the discharge of a shotgun. The turkeys were roosting on the apple trees and the thieves used an electric flashlight. They were first seen by Mrs. Rehmyer, who immediately summoned her husband. He got his shotgun and blazed away, but the thieves kept going.

SAYS CONFESSION IS NOW NEEDED

German Writer Declares Honorary Indictment Is Recommended

Berlin, Aug. 28.—Professor F. W. Foerster, Bavarian Minister to Switzerland, recommends an "honest national self-indictment" for the Germans. Writing in the Tageblatt on the questions of war guilt and the conduct of the war, he says: "We must investigate our own part in this world brutalizing process quite as much as we should our opponents abroad. Not until then are we able to understand the Paris decision as the tragic result of our own national guilt. The ruthless cruelty with which we were treated we ourselves practiced in the occupied territory. "Who ever has the slightest conception of the rigorous measures we adopted in the treatment of prisoners and the systematic destruction of industrial plants and the deportation of thousands of young girls will readily understand the resentment of the French people. "We must be perfectly clear in our own minds in respect of our own guilt if we are to be born again nationally. We must always remember that, while the whole world is practicing the politics of might, we on the other hand have systematized the politics of might and elevated it to a new political philosophy."

Former Lykens Girl Weds at Wilkes-Barre

Lykens, Aug. 28.—Grace, daughter of William Hoffman, a former resident of Lykens, but now of Freeland, was married to Wilbur Bredbenner, of Jeddo, on Aug. 26, in the Christ Evangelical Lutheran parsonage, at Wilkes-Barre, by the pastor, the Rev. P. N. Wahlisen, at high noon. Their attendants were Miss Martha Smith and Edward Stine, both of Freeland.

WED AT WAYNESBORO
Waynesboro, Pa., Aug. 28.—Miss Ruth Jewell Shearer and Milton O. Robinson, this city, were married yesterday, at the home of the bride's mother, Mrs. Lauretta Shearer. The Rev. J. Shearer Wolff, cousin of the bride, from Rochester, N. M., performed the ceremony. The bride has been for years a member of the faculty of the local school. The bridegroom is a graduate of the State Forest Academy, Mont Alto, and is now engaged in the lumber business in Mississippi.

PRESENTS INVITATION
Waynesboro, Pa., Aug. 28.—The Chambersburg Home Welcome committee, it seems, is offering returned soldiers \$1 and expenses to come there Labor Day and participate in the parade. This is regarded by those in charge of Labor Day celebration here, as a species of bribe, the effect of which in this territory would be to take our soldiers away and keep them from joining in the local demonstration.

CAPTURE WOMAN IN SOLDIER SUIT

Canadians Find Her Among the Uniformed Bolsheviks

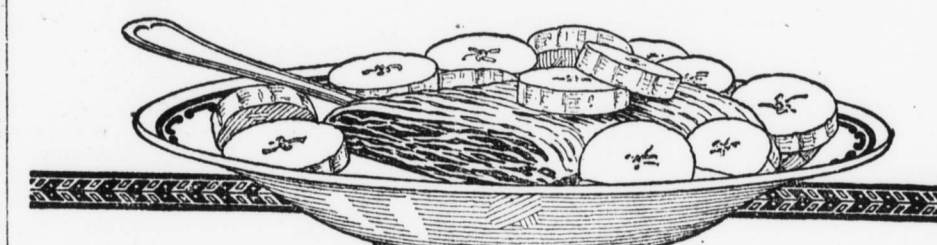

Kem, Russian Lapland, Aug. 28.—Among the uniformed Bolsheviks captured by the Allied troops on the Murmansk railway front, where American railway troops operated for several months, was a woman, Olga Semenovna Petomtzeva, now serving as a cook for a Canadian mess, who presented the strange contrast of an Amazon who cried over a baby's photograph. Mrs. Petomtzeva, who is 22 years old, was taken prisoner by Canadian troops at Uroszero, when dressed in a Red Guard uniform, trousers and all, and with the Russian ammunition pouches strung over her breasts. She said she had left Petrograd on April 4, to join her husband, who was a soldier in a Finnish regiment fighting the Allies on this front. For some time she led the life of a soldier, with her husband. The latter escaped at Uroszero. Mrs. Petomtzeva broke down and cried, say Allied officers, when she was questioned about a scrapbook she carried, in which she had pasted pictures, cut from magazines, of many babies. She said her own baby had died and that she had no photograph of him, and that she was trying to find in the magazines a picture that resembled him.

RAIDS DOCTORS' OFFICES

Hagerstown, Md., Aug. 28.—Following the discovery that the offices of Drs. W. B. Morrison and Arthur L. Blessing had been ransacked, Chief of Police Barber arrested George Mansfield, of Union, Ind., who confessed, the officer stated, but claims he did not find any medicine. Mansfield showed the effect of the use of dope.

Welcome to Pershing Will Be in Form of Military Review on September 10

By Associated Press
New York, Aug. 28.—General John J. Pershing will be officially welcomed home by New York City with a great military review on September 10, according to plans announced by the executive committee of Mayor Hylan's committee on receptions to distinguished guests. The great homecoming welcome will continue from the hour of General Pershing's arrival on board the Leviathan on Monday, September 8, until he departs for Washington.

K. of C. Service Men's Scholarships

New York, Aug. 28.—In order that the many former service men may have a clear understanding of what is required for their successful participation in the 100 free scholarships offered by the Knights of Columbus, the war activities committee have made the following announcement: "The scholarships are open to all American veterans of the war, regardless of creed; they provide for a full course, including tuition, books, board and lodging; any of the scholarships are for technical, scientific, mining, agricultural or foreign courses; the other fifty are for academic courses; no other courses included. "Every applicant must be prepared to meet the ordinary qualifications demanded by the college or university where the course is given; the marks received by applicants upon entrance examination and the widest possible distribution of the scholarship throughout the country will be determining factors in the assignment of scholarships. Applications must be received by the supreme secretary, Knights of Columbus, New Haven, Conn., on or before September 1. The applications of every former service man who is desirous of securing a good education is solicited by the Knights of Columbus.

Faculty Changes Made at Ursinus College

Collegeville, Aug. 28.—Ursinus College has elected Ezra Allen as professor of biology to succeed H. L. Crow who withdrew a year ago to accept a similar position in his home college in Kentucky. During the past year, Dr. Heber W. Youngken, of the School of Pharmacy, Philadelphia, served as supply in this department. Paul Allen Mertz, a graduate of Ursinus, who became assistant to President Onwaka on July 1, will begin work this fall as assistant professor of education and will give several courses in this department. Ralph Mitterling becomes director of athletics and physical training for men. Miss Agnes R. MacCann will continue in charge of this work for young women.

High Living Costs Break in Chicago

Chicago, Aug. 28.—A drop of \$1 a hundred pounds on the average for hogs with lower prices for beef cattle at the stockyards yesterday was ascribed to several reasons, including the general protest against the high cost of living. Market men said the tendency was for still lower hog prices, particularly after the fall marketing and they professed to see a break in high living costs. The public has curtailed its buying of pork and beef recently while livestock receipts are large. The eastern market failed to act as an emergency outlet and the packers virtually withdrew their buyers from the pens to-day, leaving thousands of hogs and cattle without buyers. Speculators were hit hard.

HOLSUM

—The Big Loaf Is Better Than the Bread You Ate As a Child

That's a pretty strong statement, we know. But we make it with full consideration of the wonderful bread you doubtless used to get.

With the widespread popularity of the large loaf, baker's bread has come into its own. A small loaf isn't nearly as good as the larger loaf from the same dough. In the big loaf of HOLSUM we give you the bread that simply is wonderful.

You have never enjoyed bread so much for years. It is

Announcing the Opening of Our SAVINGS DEPARTMENT

IN ORDER to round out and complete the trust and banking service of the Dauphin Deposit Trust Company and to provide the people of Harrisburg with additional facilities for saving, our Board of Directors has decided to establish a Savings Department.

213 MARKET STREET

The New Department

To accommodate this new department, it was necessary to enlarge our banking quarters. These changes have been made and we now announce that our Savings Department is ready to open accounts and receive deposits.

Savings will be received on pass books, certificates and on the weekly saving plan.

Savings accounts may be opened with one dollar or more.

Interest will be paid on deposits at the rate of 3% compounded semi-annually.

Balances below \$5.00 will not draw interest.

Savings deposits are protected by all the assets of this 87-year-old institution, which is a member of the Federal Reserve System.

Our present depositors and clients, and the people of Harrisburg generally are cordially invited to come in and start a savings account with us now. We do not urge you to disturb any savings account you may have elsewhere, but suggest that you start a second one, or take one out for another member of your family.

There cannot be too much thrift in these times. Let us help you save.

A Little Bit of History

Eighty-seven years ago a small group of Harrisburg men formed a new bank, the second bank in town. The stock in the new bank was widely sold to what was considered at that time a large number of stockholders. They named the new bank the HARRISBURG SAVINGS INSTITUTION.

The new bank grew from the start. Its first deposit was a checking account for \$1000, and its second a Savings Certificate for \$189. From that day to this the two features of the banking business which have been carefully developed here are the encouragement of savings and the providing of modern banking facilities.

In 1841 the name was changed to the DAUPHIN DEPOSITE BANK and for 78 years remained the same, being changed only slightly when the bank became a Trust Company in 1905. The institution to-day has assets of over four and one-half million dollars.

Of late years there has been an increasing demand from our depositors for some other form of savings in addition to our Savings Certificates. Therefore we are glad to announce today that we have decided to instal a complete Savings Department, as described in this advertisement.
