are Safely Back  
in Roosevelt Field**  
Mineola, N. Y., Aug. 29.—Eighteen of the airplanes, which left Roosevelt field in the New York-

Toronto derby, had completed the round trip and were safely back at Roosevelt field last night. It is expected that four or five more pilots will have finished the race to-day in time to be officially "weighed in" before midnight.  
The rules of the contest require that a round trip shall have been

completed before midnight. Any machines en route, either to Roosevelt field or to the exhibition grounds in Toronto, after that hour will be disqualified.  
Seven pilots finished their trips yesterday, one of them, Lieutenant F. C. Honsinger, flying over from Farmingdale.
