

STATE POLICE IN 56 STATIONS

Twenty Men Enlisted For the Force During This Week

Fifty-six substations, the largest number the State Police Department has been able to establish since the outbreak of the war, are now in operation throughout the State. Of this number eight have been made up of men from the new troop recently organized near Lancaster and to be finally located in this city when the barracks at the State are completed. The Lancaster troop is now comprised of fifty-three officers and men.

Twenty men, all veterans of overseas service, were enlisted for the State Police force this week. Fifteen of these men were detailed to the new Lancaster troop and five to Butler.

There are still a number of vacancies which will be filled in the next month or so by enlistment of veterans of army or navy service. The forces in France, the navy and the marine corps are all represented in the State Police at present as well as some organizations which did not get opportunity to serve overseas.

Watch the Blotch—State Agricultural Department officials have issued warnings to owners of apple orchards to be on the watch for the disease known as the apple blotch. The pest causes much damage and is hard to eradicate. Owing to the great expansion of orchards in southern Pennsylvania and the number of young trees bearing this year for the first time there are fears that the disease may get started in large producing localities.

May Reradvertise—Bids received yesterday for construction of State highway sections will be studied by engineers and if deemed too high the projects will be readvertised. The six projects for which no bids were made may also be readvertised.

Philadelphia—The State Compensation Board is meeting in Philadelphia for a three-day session. Decisions may be handed down.

Scranton—The Scranton Republican has this to say about its constituents: "Keen local interest is felt in the announcement coming from Harrisburg, that radical changes are to be made in the methods of hold-

WOULD NOT TAKE \$500 FOR HIS INHALER

Bronchial Asthma Relieved in few days by New Discovery and Invention.

After years of suffering from Asthma, Mr. Wells at last finds relief by new method of treatment. His two letters follow:

Phila., May 25, 1919.
Dear Sirs: I received the Inhaler Saturday, May 24, at 3.10 P. M. Used for about 20 minutes and was relieved greatly. I will give it a fair trial for a week and will report to you the results. I hope it will be good results.

Yours,
(Signed) B. Taylor Wells,
1017 Greer St., Phila., Pa.

Phila., May 30, 1919.
Dear Sirs: I have used Inhaler since last Saturday, and I have done wonders. I am so I can breathe freely and my cough is leaving, and I feel better in every way, and I have recommended it to a friend of mine who has Asthma. I would not part with mine for \$500. If I could not get another, I would pay \$1.00 for two bottles of medicine. You can use this letter if it will do any good to others who are suffering from the Bronchial Asthma like I have.

(Signed) B. Taylor Wells,
1017 Greer St., Phila., Pa.
The remarkable merit of the Mand-Hell Automatic Inhaler for treating all diseases of the Air Passages is being demonstrated daily to an increasing number of new friends at George A. Gorgas' Drug Store, 16 North Third street.

HER FAITH IN NATURE QUICKLY BROUGHT RELIEF

Safe, Pure Remedies Gave Just the Benefit She Expected

"I got such genuinely good results from taking Natorex that I feel under obligation to tell my experience for the benefit of others. There was not just a temporary improvement. My system was cleansed and built up by a Nature remedy," declared Mrs. Florence Johnson, of 7 W. Ross street, Wilkes-Barre, Pa.

"Before I began Natorex I had tried many medicines and doctored for a long time. What I ate did me no good. I had no color. Instead of digesting, food would lie like a lump in my stomach. My system was irregular and I would have had bilious attacks that would force me to bed.

"A few hours after eating I would have an awful nervous feeling. Although I had almost lost hope, I was so interested when I learned of the old Nature remedies in Natorex that I did not hesitate an instant in getting a box.

"The safe Nature products benefited me just as I believed they would and I began to improve. I was just like the hundreds of other people who tell of the same results. In the first place, I noticed a sweet, wholesome taste in my mouth and a toning up of my stomach.

"My appetite increased and everything tasted good and the heavy feeling in my stomach disappeared. My blood became richer and showed in my color. The yellow tinge in my eyes, which had been caused by biliousness, cleared up as my system became cleansed and regular. I recommend that anyone who doubts Natorex just try it and be convinced."

To cleanse and regulate the system for the building of strength and nerve force, nothing equals the Nature remedies that are combined in Natorex. Begin Natorex to-day and in just a few days you will see improvement in health and appearance.

Natonex is especially recommended in Harrisburg by the Gorgas Drug Co., 16 North Third street, and is sold by leading druggists everywhere.—Adv.

Costs Less to Operate County Jail With Rum Barred From Sale

Prison Warden Hargest said to-day that there was a very decided improvement in the criminal record since the passing of John Barleycorn. At the present time a year ago, there were 192 prisoners in the county jail. There are now, a year later, with booze gone, only 95. Notwithstanding the increased cost of food the expense of conducting the jail thus far in 1919 has been more than \$2,000 less than the same period a year ago. During the first four months of this year the warden received and cared for nine lunatics directly or indirectly the victims of drink, but during the last two months not a single lunatic has been committed to the prison.

Scranton Men Here—Representative Fred C. Ehrhardt and Register Thomas Benyon, of Scranton, were here to-day.

Registration Lively—According to word received at the State Capitol the registration in Philadelphia yesterday did not approach the first day's figures, but there were many lively incidents connected with it. Some charges against policemen may be made.

Local Cases Up—Local cases are being heard at Scranton to-day by Public Service Commissioners.

Mr. Christy Here—Walter J. Christy, of the Pittsburgh Gazette-Times, was a Capitol visitor.

Schools Reopen—In spite of some intimations that there might not be reopenings at some of the schools throughout the State owing to the scarcity of teachers reports coming here are very favorable.

Visited Snyder—Governor Sproul was the guest of Auditor General Charles A. Snyder at Pottsville yesterday, on his way to Danville to attend the home-coming celebration.

McKenty Upheld—The board of inspectors of the Eastern Penitentiary have upheld Warden R. J. McKenty in formal action following an investigation.

Ask Court to Sit—The Philadelphia city authorities will ask the Supreme Court to sit in special session to hear the city loan suit. It is claimed that it is holding up operations.

Mark Sullivan Goes Even Armour Better on Cheap Clothing

Chicago, Sept. 3.—Mark Sullivan, former editor of Collier's, is much impressed with the economics of Chicago millionaires on clothing. Yet he can teach Mr. Armour something. He writes in the Tribune:

"Excepting one suit, I have not a piece of woolen clothing in my possession that is less than five years old. When one of my suits begins to look worn I take it or send it to a tailor I know in Union Square, New York. I tell him to turn it inside out. He turns it inside out, puts a new lining in it and sends me home the equivalent of a new suit for a cost that is less than a third of the price of a new suit."

"Senator Calder, of New York, has had several of his suits turned by this same tailor. I told Frank Vanderlip of my experience and he turned over to me some of his suits, and he asked me the tailor's name and address.

"I am wearing to-day and have been wearing for the last month, a pair of shoes that I bought in Boston while I was a student at Harvard, more than seventeen years ago. They have been resoled five times."

Ambler Held Under \$20,000 on New Charges of "Kiting" His Checks

Philadelphia, Sept. 3.—Three distinct operations whereby Charles A. Ambler, State Insurance Commissioner during the Brumbaugh administration, is alleged to have applied \$45,000 of the funds of the defunct Pittsburgh Life and Trust Company, of which he was trustee, to the account of the Ambler-Davis Contracting Company, were testified to yesterday at the hearing of the former State official on a number of charges developed during the investigation of the North Penn Bank crash.

At the conclusion of the hearing which contemplated all the charges against Ambler, he was held in total bail of \$20,000 by Magistrate Pennock. The former Insurance Commissioner had previously been under \$15,000 bail for the hearing on charges of misdemeanor and conspiracy. Just prior to the proceedings he was arrested on additional charges of embezzlement and lending moneys of a trust fund.

Lift Hungarian Ban Except For War Material

Washington, Sept. 3.—Practically all restrictions against trade with Hungary were lifted by the War Trade Board. It was announced that licenses for the export of American-made goods to that country would be issued freely on all commodities except those of a strictly military nature, and that imports to the United States would be practically unrestricted. Articles which cannot be shipped to Hungary include: Aircraft, armor plate, armored motor cars, arms of all kinds including machine guns, barbed wire, camp equipment, military clothing, electric appliances suitable to military use, explosives designed primarily for use in war, field glasses, range finders, gun mounts and military wagons, implements and apparatus designed exclusively for the manufacture of implements of war, mines, projectiles, searchlights and wireless telegraph materials.

TO PLAY FOR TITLE

New York, Sept. 3.—William T. Tilden, 24, of Philadelphia, and William M. Johnston, of San Francisco, finalists in the national lawn tennis championship at Forest Hills, N. Y., to-day will form with R. Norris Williams, 24, of Boston, and Wallace F. Johnson, of Philadelphia, the American team to meet the Australian four in a team match beginning tomorrow, the United States National Lawn Tennis Association announced. Play will consist of four doubles and four singles, one player participating in more than one match each day.

HOUSE GOING BACK TO PARIS:

RETURN TO U. S. IS DENIED
Washington, Sept. 3.—Colonel E. M. House, who is in London conferring with officials there on the organization of the League of Nations, will return to Paris to resume his work as a member of the American Peace Delegation as soon as his present mission is completed, according to an announcement by the State Department.

Reports that Colonel House soon would return to the United States were denied.
