in Near Future; Big Changes at Hall

At the next show at the Olympia A. C., Steelton, Manager Joe Barrett will have Johnny Gill up against Johnny Wolgast, of Lancaster. This bout is already arous-ing much interest with local fans. Manager Barrett promises that both boys will be in the best shape pos-

Wolgast is keeping busy in the Erne gymnasium every day.

Big changes have been made at the Olympia. The partitions which were a handicap have been removed and bleacher seats will be placed about the big room. The carpenters are now at work, and this is one reason why the fight which was first scheduled for September 15 has also accommodated Tim Droney, who will meet Eddie May, of Allentown at Lancaster on September 15. It is probable that Barrett will referee this bout.

## "Bobb" Clark Aids Newport in Game at Lewistown

Newport, of the Dauphin-Perry League, on Saturday had little diffi-culty in conquering Lewistown of the Juniata-Mifflin circuit. "Bobb" Clark, a Newport lad now on the hurling staff of the Cleveland Americans, was on the mound for Newport and held Lewistown safe at all times.

Newport and held Lewistown sate at all times.

But three hits were gathered by the Mifflin countians off his delivery and none of these came until the seventh. He was never in trouble except in the first when Lewistown scored their lone tally on a base on balls and an error. Clark, formerly with Steelton, of the Bethlehem Steel League, and Duncannon, of the Dauphin-Perry, is at his home on a ten day furlough.

Boxers Must Train

Local fight fans will be pleased with the changes at the Steelton hall where all fights will be staged in the future. Negotiations are now on for several strong preliminaries. In the future all boxers must show themselves in good trim or will not be permitted to box in the Barrett shows. Those who do not train will be eliminated by the Steelton manager.

Gill is spending a few days at home in York, with his family. He is not letting up in his training, as he is using the Greek lightweight champlon, Billy Angele, of Pittsburgh, as his boxing partner, and when Gill returns to Steelton, tomorrow afternoon, to finish under Barrett's are, Angelo will come along, and probably he will be matched with some tough customers in the semiwindup for the next show.

New York, Sept. 8.—Although Major R. W. Schroeder, pilot of a Yought Ve-7 training plane was named officially as winner of the American Flying Club's international handicap airplane contest and reliability race, which was held between Mineola and Toronto during the week of August 15, R. H. Depew, a civilian filer, who piloted a Curtiss JN-4-D plane, was announced as winner of the first prize of \$10,000. A War Department ruling prevented military entrants from competing for cash prizes.

To determine the winners, the club's contest committee took from the government's records the theoretical performance of each machine with a maximum useful load of fuel, oil and passengers. This theoretical load was used as a basis for determining the relative performances of the machines with the load actually carried. The Ve-7 registered 107.8 perfect, and Depcws JN-4-D measured 106.

Entertains Telegraph Boys

Manager Johnny Brackenridge is a big booster for independent teams; he helps them whenever possible. He has been keeping his eyes on the work of the Harrisburg Telegraph team and while games have been few the Telegraph boys have had some goodly advice from this popular leader. This afternoon the members of the Harrisburg Telegraph Athletic Club were guests of Manager Brackenridge at the big game. They attended in a body and were given a warm welcome by the Klein manager.

It was probable that Harned would pitch for Klein. He was the only twirler in good shape, the new men having been used up in Saturday's and yesterday's games. The Mack men will have their regular lineup. The score of yesterday follows:
