YALE HAS NOVEL TRAINING PLAN

All Athletes Trying For Teams Will Live at the New "Y" Club

New Haven, Conn., Sept. 16.—The "Y" club, a new organization designed mainly for Yale athletes, was formally opened yesterday morning with breakfast for the football candidates for this autumn's eleven; Dr. Albert L. Sharpe, the new head coach, his assistants and "Johnny" Black, the trainer, who is now privileged to wear the "Y" on his sweater. The club rooms are located close by the gymnasium and other college buildings at Elm and High streets and are well fitted up. Workmen have been engaged for three months in making over the old Roxbury Tutoring School building into club rooms and now everything is in readiness for the formal house warming. Men who have won their letters will be the active members of the club and undergraduates and graduates who have not won the "Y" will be associate members.

Jack Sharkey Hands Out Hard Jolts to Pete Herman

Detroit, Mich., Sept. 16.—Newspaper opinion was about evenly divided on the outcome of the Jack Sharkey-Pete Herman no-decision fight here last night. Sharkey put up an aggressive battle and appeared to get to the heavyweight champion at will. Herman, however, landed many telling body blows and displayed superior ring generalship throughout. Neither man appeared the worse for punishment.

Edward J. Moriarty has been chosen as manager of the club and he will also be the maitre d'hotel, regulating the members of the training table. All the chefs are bred and the waiters will be students engaged by the Yale employment bureau. University athletic training ceased for the college, the kitchen will be closed. The dining room is for the exclusive use of students in training for competition.

Separate rooms, handsomely fitted up, are furnished for football, baseball, track and crew. In the track room there is a banner that Yale won from Harvard at the last dual track meet. Oars and other paraphernalia from the Adee boat house are in the crew room. There are souvenir footballs in the football room and baseballs won by Yale in the baseball room. And in the room for newspaper writers there is a typewriter that has not been won by anyone so far. The room is set aside for sport writers and is an innovation in college clubs. It will be a great convenience for writers from other cities. They can press a button and a football coach will immediately appear to be interviewed. It is certain that Percy D. Haughton, of Harvard, would not approve of this.

All the rooms are fitted up with pictures of Yale athletes donated by graduates.

The large and small lounging rooms contain pictures of Yale athletes from the collection of Frank S. Butterworth, one of the greatest of Yale fullbacks. Butterworth was graduated in 1895 and later became influential in Connecticut politics, but did not rise to be a Congressman as did his father, who was a notable figure in Ohio politics years ago. The "Y" club has been discussed at Yale for the last ten years, but no decision was reached to go ahead with it until near the close of the last college year when "Tim" Braden, captain of the track team and one of the leading candidates for the backfield on "Tim" Callahan's eleven, was instrumental in getting a good start for the club, one of the most unique in any American university or college. The club's officers are: president, James M. Braden; vice-president, T. J. Callahan; secretary, C. W. R. executive committee, the officers and Russell Boyd, Chester A. La Roche.

Port Royal Is Winner in Three-Game Fair Series

Port Royal, of the Dauphin-Perry League, won two of the three baseball games played during the annual Juniata county fair last week. Mt. Union won out from Port Royal in the first game on Thursday, by a score of 7 to 4, but Port Royal evened up things on Saturday when they won out by a 9-4 score. Yesterday was the deciding game, the score being 5-0.

Fred Frankhouse, 16-year-old hurler, and W. L. Perry, 17-year-old pitcher, were the stars in the games which were won, both hurling stellar games. Hertzler and M. Frankhouse twirled on Thursday afternoon, and while he pitched slightly harder than the Mt. Union pitcher, the hits were bunched. Melvin Frankhouse, sterling third sacker of the Juniata countians, featured the series with his fast playing. In the three games, he gathered a total of eight hits. His fielding, too, was of high class. Three errors were recorded against the Dauphin-Perry contingent in the three games.
