Record-Breaking Vote Being Cast in Allegheny County's Election

Pittsburgh, Sept. 16.—Early indications were that a record breaking vote would be cast in Allegheny county's primary election today. Break voting from the time the polls opened at 7 o'clock was reported throughout the city. Unusual interest in the election will make for a record vote, it is believed, in that a hot contest has been waged between rival factions of the Republican party to secure nominees for city and county positions. One faction is led by Max E. Latta and the other, is called the anti-Latta force. Nearly 275,000 partisan ballots and between 40,000 and 50,000 non-partisan ballots were sent to the booths today by the County Commissioners. The total registration in Pittsburgh was 90,620 and about the same number registered in the county outside the city. The majority of those qualifying to vote were Republicans. The non-partisan ticket in Pittsburgh included judges of the Superior, Common Pleas, Orphans' and county courts, City Controller, and Councilmen. Ten candidates will be nominated for Council who will contest for five seats at the November election. Other positions to be filled are County Commissioners, Clerk of Courts, Recorder of Deeds, Register of Wills, Prothonotary and county Treasurer.
