

# CINCINNATI DOWNS NEW YORK IN DECISIVE GAME, WINNING SEASON'S CHAMPIONSHIP

## JACKIE CLARK TO FIGHT HERE

### Meets Len Rowland in Opening Show of New Association Next Week

Jackie Clark, middleweight champion of the American Expeditionary Forces, is to appear in a bout in this city next week. Clark, who hails from Allentown, has been signed up by the Harrisburg Boxing Association, an organization affected a few days ago, and is to meet another middleweight fighter of the same class, Len Rowland, of Milwaukee, Wisconsin. The event is to be a ten-round one, and will be the banner attraction of a four-hour show that is to be conducted in the Chestnut Street Auditorium on Friday night of next week, September 26.

The other participants on the bill have not been definitely decided upon, but the matches are under way, and the arrangements will in all probability be affected during today. It is known that the fight with Mike Gibbons a few weeks ago in Denver, Colorado. The pair went at it for ten rounds, and the newspaper correspondents at the ringside were divided in their decisions, there being several favoring each of the men, and two calling the fight a draw.

This fact is sufficient to demonstrate that Rowland is no lower, for Gibbons is still in condition to give a very good account of himself. Rowland has fought ten rounds with Jeff Smith and has also gone an equal number of rounds with K. O. Laughlin, John Griffith and Harry Greb.

Jackie Clark has figured in bouts in this section of the State, but not for the past several years, he having spent some time overseas as a member of the United States Army. While in France, Clark carried off the middleweight championship honors of the American Expeditionary Forces during the tournament that was conducted after the signing of the armistice.

One of Clark's most important fights was a twenty-round draw with Harry Greb. Each, at present, is one of the leading contenders for the world's middleweight title, now held by Mike O'Dowd, an American.

The Harrisburg Boxing Association, which will conduct the Clark-Rowland bout, has two Harrisburgers at its head, Cornelius Nelly being the president and J. D. McConnell the secretary and treasurer.

## First Game on October First

In all probability—it has not been officially settled—the first game of the Red-White Sox world series will be played on October 1. Several members of National Commission favor September 30. The schedule will end on September 28. Thus each team will have two days of rest and plotting before the big clash is on. Also this will allow two days for fans to fan and to prepare for an early start to the scene of battle, wherever that is to be. All games will start at 2.00 p. m.

These men have secured the services of Charles Ettinger, of Allentown, as a talent scout, and Ettinger will figure largely in the arrangement of the various matches for the organization's show.

At present it is planned to conduct shows on an average of one every two weeks during the winter months, and it is probable that all will be held in the Chestnut Street Auditorium, where the first is to take place. Arrangements have been made by which the ring will be placed in the center of the hall, and seats will be provided for more than a thousand persons for each performance.

**Well-Known Managers**  
Ettinger, who is making up the most of the matches for next week's show, is credited with lining up the two star middleweights for the feature bout. He is the manager of Clark, and under his direction Jackie has gained a reputation that is regarded as an excellent one in the class in which he works, the middleweight division.

Both Nelly and McConnell are well known in local athletic circles. The latter was connected for several years as a player with the Harrisburg Independent basketball team. He also played with the Central High school variety quintet for several years, and has also a good record in other branches of scholastic athletics.

## Local Business Man to See World's Series Games

Harrisburg will be represented at the world's series games in Cincinnati. However, but one has reported favorably on tickets. George Harry, a well known local business man, has received notice that his request for three tickets has been granted. He will take his vacation during the world's series and hopes to see five of the nine games. He will go to Cincinnati the latter part of this month to visit his brother and will remain there for the big games.

He has attended every world's series for some seasons past, and has his plans completed for this season. His application for seats was sent in early and he will have a good location. He is a big booster for the National League and picks Cincinnati to win.

## PROTECT FANS WHO BUY TICKETS

### Cincinnati Club Will Gladly Take Back Those That Cannot Be Used

Cincinnati, Sept. 17.—Murmurs from the fans concerning the way the series tickets are to be sold, continue to flock in, and the following paragraphs from a recent letter are typical of the general complaints:

"How does Mr. Herrmann expect the average fan to see the games when it is necessary to buy tickets for each of the first three games at Cincinnati? If the fan is an ordinary workman, he will have to lay off, and you have to show me the boss who will stand for a three-day lay off. While it is true that one of these dates may fall on Sunday, it also may not. The chances of an office man getting off for three days are still slimmer. Perhaps I am prejudiced because I cannot see myself getting a chance to see the games, for I know I won't be able to get off these days, although I positively would be out to see one and possibly two games if tickets desired could be bought for the days I lack."

Answering the protests of those fans who object to the rule that purchases of reserved seats must be for three games, President Herrmann said: "The club directors do not want to make any ruling that would bar the humblest fan but are trying to accommodate everyone it is possible to accommodate. The first the public should remember that the rule requiring the purchase of tickets for three games is a rule of the National commission, and the two competing clubs have nothing to say about it. The commission adopted that plan to protect the public as much as possible from the ticket scalpers, and it has worked fairly well."

Regarding the loyal fan who says he could get away from work to see one or two games, but not three, let me state: "The Cincinnati club gladly will buy back any tickets for reserved seats after the first game, if a patron of the club buys for the first three games, then finds that he can see only the opening contest, he can get the full amount he paid for the other two games by applying at our offices. But I am sure that anyone will find that for each reserved seat ticket he has there will be two or three other fans eager to buy."

"For those fans who expect to purchase the \$2 or \$1 tickets, the club is figuring to do something that no other world series contender has done. If possible, we will place these tickets on sale the day before each game, not only at the Redland Field ticket office, but probably at two or three other places in widely separated sections of the city, so that none need go a long distance to get a ticket. If that can be done, the sale of these tickets will begin at 10 a. m. the day of the game. And we will not sell beyond the capacity of the park."

**BELMONT A. C. TO PRACTICE**  
The Belmont A. C. football team will practice to-night at 7 o'clock at Twentieth and State streets. All players are urged to be present. The team is without a game for Saturday, September 27. Communications with Manager H. P. Bashore, 1922 State street.

## Stallings Forecasts Victory For the Reds

George Stallings of the Boston Braves believes the Reds will beat the White Sox, and tells why. He says: "The Reds have the manager; the team has the proper spirit to win and has the ability to come from behind and stick its nose under the wire. Every member of the team is playing to win; everyone is a perfect cog in a first-class machine, and the Red spirit and leadership of Moran should bring triumph over the White Sox."

## Cincinnati Wins Out in Game With New York; Reds Win Championship

Cincinnati, Sept. 17.—By beating New York yesterday before a crowd of 18,000 persons the Cincinnati Reds clinched the pennant in the National League, the first which it has ever won in that organization. The Reds have seven games to play, and even if they would lose all of them while the Giants won all of the eleven games remaining on their schedule, Cincinnati would finish one game ahead. The score was 4 to 3.

Ruehrer pitched the full game for the Reds and was hit hard, being frequently saved by sensational support. Toney pitched well for New York after the first inning, but his support was faulty. He was taken out in the seventh and Neff finished the game without allowing a hit.

New York scored two in the first inning on a pass to Burns and singles by Kauf and Stutz. In the last half of the game, the Reds scored three runs on Fletcher's wild throw on Rath's grounder and hits by Neff and Kauf. New York tied it in the fourth on successive hits by Burns, Kauf and Neff. The Reds scored again in the fifth on a hit by Roush prevented Kauf from counting when he tried to come home from second on Frisch's hit to center. Ruehrer was fairly effective during the last half of the game. The Reds won in the seventh, which Schreiber opened with a double over first base. Rariden bunted a fly toward first base which Kelly caught and threw to third in an attempt to get Schreiber, but was too late. Toney, relieved by Neff, and Schreiber scored the winning run on Ruehrer's grounder to Doyle, on which Rariden was forced at second. The batting of Kauf and Stutz for New York and the fast fielding of the entire Cincinnati team were the features.

## Baseball Summary of Big League Contests

**NATIONAL LEAGUE**  
Yesterday's Results  
Cincinnati, 4; New York, 3.  
Pittsburgh, 4; Brooklyn, 2.  
Chicago, 7; Philadelphia, 2.  
St. Louis, 3; Boston, 2; (first game).  
Boston, 8; St. Louis, 4; (second game).

Standing of the Clubs

Club	W.	L.	Pct.
Cincinnati	22	41	.691
New York	20	49	.620
Chicago	20	50	.538
Pittsburgh	18	54	.515

Philadelphia	10	85	.264

**Schedule For To-day**  
St. Louis at Washington.  
Cleveland at Philadelphia.  
Chicago at New York.  
Detroit at Boston.

## Motive Power Shows to Start With Big Program

The Motive Power Athletic Club, which has given in past years such high class boxing shows, bringing to this city some of the best talent that it was possible for them to obtain, is again preparing to open its shows. On the evening of September 23 it will hold the first of what will be an all-winter series of the best kind of matches, keeping pace at all times with their former high class shows. There will be five bouts on September 23, which will consist of three preliminary bouts between Harrisburg boys, and a semi-wind-up and wind up, both of which will bring Philadelphia boys together. The boxers to appear at the gymnasium at Seventh and Boyd streets on the opening night have not yet been announced, but "Bill" Runk, matchmaker of the club, is authority for the statement that they will be announced within the next day or two.

## Yale Reports Big Squad at Opening Practice

New Haven, Conn., Sept. 17.—A football squad of 51 Yale men reported at Yale field for the opening practice of the season. The number of candidates out for the first drill exceeded the expectations of the coaches, and Dr. Al. R. Charpe, head coach, smiled as he directed the activities. Assisting the former Cornell mentor were Dr. Art Bridges, Dr. Billy Bull and Herman Olcott. The candidates were sent through drills in fundamentals both in the morning and afternoon, running back punts and passing the ball comprising most of the work. There were 56 men out for line positions and ten candidates for quarterback. Two practice sessions will be held daily until the university opens on September 20, Dr. Sharpe said.

## Keystone A. C. Wins First Grid Game by Forfeit

The Keystone A. C. won the opener yesterday from the Walnut Street Stars on the Walnut Street gridiron, by a forfeit, score 2 to 0. The Keystone put a full team on the field but the Walnuts failed to show up. The Keystone line-up includes Smith, Marcus, Snelman, Cohen, Townson, Seiswhite, R. Harrison, C. Thomson, G. Thomson, Forber and Harris. The Keystone average weight is about 90 pounds. All teams wishing to challenge communicate with Manager Marcus, 1211 North Sixth street.

## HIGHSPIRE IN FIELD

The Highspire Football Association has organized for the coming season with a very strong line up. This season's teams promise to be one of the strongest in this section. Captain Manning, of Lafayette College, and Bonnie Lerch, of the University of Pennsylvania, are the coaches. There are quite a number of old stars in the line up and the season promises to be a good one. We would be pleased to hear from all first class teams in this section. All communications should be addressed to Walter Diefenderfer, Highspire, Lock Box 81.

## Cincinnati Bars Champ Because He Is a Fighter

Cincinnati, Sept. 17.—The ban placed on boxing bouts in this city by Mayor John Galvin during the war is about to be lifted and licenses to hold exhibitions will be issued to all legitimate athletic clubs. According to the mayor, however, Jack Dempsey will not be permitted to appear in a contest in this city. "Athletic clubs must convince the commission which is to be appointed that bouts held here will be boxing matches," said the mayor. "Dempsey is recognized the world over as a prize fighter. I will not tolerate a prize fight."

## Harrisburg May Figure in Season's Bowling Series

Plans are under way for an elimination bowling series in Harrisburg as a part of a movement for sectional championships in the United States. It is the purpose to have bowlers enter this competitive plan and bowl for both individual and league championships. Headquarters will be established in New York. Scores will be sent in daily. Bowlers making good scores will be matched against those in other cities. The plans are still under consideration and will be announced as soon as completed. It is understood that all matches will be bowled on the Casino alleys in this section.

## BUCKNELL HAS NEW CAPTAIN

Lewisburg, Sept. 17.—Bucknell's athletic committee appointed John C. Hendren of Philadelphia, temporary captain of the football eleven. He will serve for a few weeks, when the players will select their leader by ballot. Hendren played halfback for two years and was elected captain for 1917, but left college to serve with the Army in France. Coach Pete Reynolds yesterday had a squad of thirty-five candidates in the first practice of the season.

## Winchester Day Attracts Big Crowd of Shooters

This is Winchester Day in Harrisburg. The famous crack shots representing the Winchester Arms Company are here to show how they can handle any gauge gun and hit the mark. With them are the Tepperweins the greatest shots in the world. The big event was staged this afternoon at Second and Division streets and attracted a large crowd. Exhibitions of fancy shooting by the Tepperweins included remarkable performances with guns and rifles.

## There were several events for local shooters and the field was large. The shoot-to-day was under the direction of the Harrisburg Sportsmen's Association.

At Lancaster yesterday the Lancaster County Gun Club had as their visitors the Winchester shooting team. The feats of Mr. and Mrs. A. D. Topperwein have never been equaled in this city. In competition at clay targets with other members of the squad Mrs. Topperwein broke straight on the first 25. In the regular club event the high gun honors at 10 targets went to W. W. Posey, who dropped but one in his first string, and broke straight on the second, getting a total of 4. J. W. Ault, A. W. Weller, J. P. Breneman and W. C. Fritchard tied at 46 for second place. A. A. Somers led the professionals with 48 dropping one on each of his strings.

# ATLANTIC POLARINE

Flows Freely in Zero Weather

YOU were always mighty particular about the quality of hay and oats you fed the old grey mare. You must be just as particular about the quality of oil you feed your motor. For once your motor "goes west", it is as though the horse dropped dead in harness. Use Atlantic Motor Oils—and no other kind.

# ATLANTIC MOTOR OILS

Keep Upkeep Down

## Tried and True KING OSCAR CIGARS

offer the satisfaction of quality and the solace of dependability. Regularly good for 28 years.
