

WEST END-MARYSVILLE BATTLE ENDS. IN NEAR RIOT---OPINIONS DIFFER AS TO WINNER

ROWDYISM STOPS FIFTH GAME IN TITLE SERIES; UMPIRES LAX IN DECISION

Rowdyism broke up the fifth game between West End and Marysville at Island Park Saturday afternoon. The riot started in the first half of the seventh inning on a questionable base decision. Gerdes and Kline were the first aggressors, but later Stricker and Herman came to near blows and were taken from the field. Later they were discharged.

Umpires White and Shickley were off in their decisions. That happens in a baseball game, but they were the bosses in Saturday's game and had everything in their own hands, no matter who it hurt. They had the power to clear the field and resume play and if this was impossible to make a decision accordingly.

The Score Was Tied The score was 1 to 1, and was decided by the umpire but baseball rules say that when a game ends with the inning unfinished the score gives Marysville the game to 0. Umpire Shickley also was to blame for the unsatisfactory ending and black eye given local baseball sport. He failed to exercise his authority on a number of occasions.

Marysville's Side "That proper judgment may be formed concerning the difficulties which arose during the West End-Marysville game of Saturday, Marysville officials wish to present the real facts in the case. Some misconceptions may have arisen following the publication of certain newspaper articles which did not present the real facts, probably through misinformation rather than malice.

Kline Instigator "The real instigator of the trouble was Player Kline, of the West End team, and Gerdes entered the fracas only after it had been started by him. After the fracas started, Kline (not from the base path) in a collision for which there was absolutely no excuse, Player Kline made an attempt to strike Herman after the latter had picked himself from the ground and had thrown Winters out of home. Herman had been severely injured in previous unavoidable collision with Player Embick, and Gerdes came to his assistance only after Kline's unprovoked attack on him.

CAMP CURTIN TO HAVE ATHLETICS Football Material Gives Indication of Strong Junior Eleven

Athletics will not be overlooked at Camp Curtin Junior High School. Increased interest is manifested daily. On the first call for football practice, fifty candidates reported. There was much good material among them, making the selection of a team difficult. Competition was close at the tryouts with each other in mastering falling on the ball, catching and running down the field under kicks.

Table with columns: Name, AB, R, H, O, A, E. Rows include Rutter, Moore, Lightner, Gerdes, Hippensteel, Herman, Biever, Stees, and Totals.

On Wednesday evening the first athletic practice was held. Gerald Daley was appointed manager, and set to work at once upon working up a strong schedule in the near future, a captain will be elected. On Thursday evening a very interesting football practice was held and those most successful were to start work in the first part of the scrimmage the next evening. Friday evening the entire squad was out for the scrimmage and worked with fine athletic spirit.

Tech High Opens With Allentown Eleven at Island Park

On Saturday the Technical High school football team will open its season on the island with the Allentown High school squad for an opponent. Captain "Haps" Frank will endeavor to give Harrisburgers as good a record as was made last year by the Maroon lads who became claim to the championship of America.

While Tech does not expect to have much difficulty in winning from Allentown, no chances will be run in losing the contest. While there is a good nucleus for a team, several new faces will be seen in the lineup. In the backfield will be seen Lingle and Wilsbach from last season. Garrett has been rounding out the quartet, but Coach Smith may use another lad or two in the offensive works of the club. George Gerner has been going well in the backfield.

Five Governors Will Attend World's Series

Chicago, Sept. 22.—Governors of at least five States will have seats at the world's series games, according to an announcement last night by Harry Grabiner, secretary of the Chicago Americans.
