

STREET CARS AT COST FOR THEM

Cincinnati's Head of Street Railways Will Address State Chamber of Commerce Here

Operating street railways at cost was to-day announced by the State Chamber of Commerce as one of the chief themes for the annual meeting to be held in this city next Monday and Tuesday.

George E. Foss, the secretary of the chamber, said that he had received the acceptance of W. C. Culkins, director of the street railway department of the city of Cincinnati, to take the program.

SKIN RELIEF AWAITS YOU IN POSLAM

The more intensely you have suffered from irritated, itching skin, the more you will appreciate the relief that comes when Poslam is applied.

Trade Board, an international trade relations; Secretary of Agriculture Fred Rasmussen on Pennsylvania agriculture and Dr. C. H. Crennan, of the chamber's research bureau, on compulsory health insurance.

Health Insurance Splits Conference

Health insurance, the big question for the conference of industrial surgeons to consider at the ninth annual gathering yesterday, caused a decided difference of opinion among doctors and lawyers at the meeting.

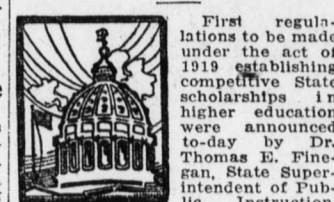

Several speakers connected with insurance companies criticized the plan, one saying that it would "pauperize physicians," but Dr. John B. Andrews, of the American Association for Labor Legislation, said that it was important.

Dr. George E. Tucker, an insurance expert, said that the idea had considerable political backing and Dr. Francis D. Patterson, director of the State division of industrial hygiene, commenting from the chair, said:

"As near as I can account for the hysterical demand for compulsory health insurance, it comes from a small group of alleged uplifters who can best be described as long-haired men and short-haired women."

SCHOLARSHIPS FOR THE PUBLIC

First Announcement of Competitive Examination Made by Superintendent Finegan

First regulations to be made under the act of 1919 establishing competitive State scholarships in higher education were announced to-day by Dr. Thomas E. Finegan, State Superintendent of Public Instruction.

Dr. Finegan says that these places will bring an examination within an accessible distance of every person who may desire to take it and suggests that superintendents notify principals to bring the examination to the attention of worthy persons.

The act of 1919 provided that young men or women completing a four-year high school course could compete for State scholarships, the college or university entered to receive \$100 from the State to aid in meeting college expenses.

Quarantine Authority—The State Department of Health was to-day informed in an opinion by Deputy Attorney General B. J. Myers that it has authority "to quarantine and detain for examination persons who by their vocation and habits are reasonably suspected of venereal infection."

Contract Let — The contract for construction of 10,596 feet of State aid highway in Chester county, covering sections in East and West Marlboro townships, has been awarded to E. M. Humphrey, of Hackensack, N. J., by Highway Commissioner L. S. Sadler at \$67,362.80.

Big Pittsburgh List—Members of the Public Service Commission will leave Harrisburg at the conclusion of the executive session to-day for Pittsburgh where a special sitting has been arranged to hear the Pittsburgh Railway complaints.

of the executive session to-day for Pittsburgh where a special sitting has been arranged to hear the Pittsburgh Railway complaints. The list includes the complaints of the city of Pittsburgh, boroughs of Homestead, Wilkensburg, Homestead, Rankin, Swissvale, Mays, Leetsdale, Ambridge, Baden, Millvale, North Braddock, West Homestead, Glassport, Verona, Knoxville, Coraopolis, Bellevue, Munhall, New Brighton, Rochester, Etna, Pitcairn, East McKeesport, Monaca, Dormont, Millvale, and others, and McKeesport and Beaver Falls as well.

Sanders Coming Home—Dr. J. G. Sanders, the State Director of Plant Industry, who went to Europe several weeks ago to make a study of the potato blight, is expected to return here within a few days with a statement of his inquiry. The chief purpose was to study the so-called immune potato.

Gettysburg Men Here — Delegations of residents of Gettysburg and other places in Adams county visited Highway Commissioner Sadler with requests for State aid in highway improvements of sections of the State will make some studies of the situation and co-operate with Adams county in its county road program, which involves bond issues.

Water Company Objects—Objection to the approval by the Public Service Commission of the application of the borough of Wyalusing for leave to purchase the Wayneboro Water Company's plant was made by the company to-day. Headed by C. L. Lutz, municipal lawyer, they made argument. The borough officials contended that the plant should be a municipal proposition.

Report on Coal—In a review of coal prices and coal conditions based upon United States Geological Survey data, which he helped compile, Dr. George H. Ashley, the new State Geologist, to-day submitted a report to Secretary of Internal Affairs James F. Woodward to the effect that he did not think that prices would take a downward trend.

Dr. Ashley is arranging to begin a series of surveys of the hard and soft coal fields this fall. Reports on the survey will be examined.

Endorse Move — Secretary Fred Rasmussen has given endorsement to the crusade for better live stock which is to be started throughout the country on October 1. Pennsylvania live stock has shown an increase in some lines since the commencement of the war, notably in sheep. Efforts will be made to increase the number of draft animals and beef cattle.

Scott Called Down—Considerable amusement was created on Capitol Hill by the reports of the interchange between Judge C. Y. Audenreid and Representative John R. K. Scott in the Philadelphia election count yesterday. The representative was told by the court he would not hear any one with a "saucy tongue" and that if he did not submit he would be put out of the court room.

Governor Returns. — Governor Sprout returned last evening from Chester where he spent the weekend and is meeting department heads to-day. He will see Insurance Commissioner T. B. Donaldson about the ten per cent. differential, which has caused so much stir.

Twenty-two Per Cent.—The depositors of the North Penn Bank, which the State closed, will get about twenty-two per cent, according to Special Deputy Attorney General Fred Taylor Pusey.

Attending Meeting.—Colonel Edward Martin, State Commissioner of Health and other officers of that department are attending the State Medical Society meeting.

To Buy Turnpike.—York papers say Highway Commissioner Sadler has informed the officials of the Hanover and Maryland Line Turnpike Company that the State Highway Department has agreed to enter the purchase of the pike at the price fixed by the stockholders of the company, \$13,540.

Woman Doctor Says It Is Unfair For Sex to Claim Equality and Take Favors

New York, Sept. 23. — Women were accused of not "playing fair" by trying to hold on to privileges granted because of weakness and dependence while at the same time asserting the doctrine of equality with men in an address delivered before the International Conference of Women Physicians by Dr. Clelia Mosher, of Leland Stanford University. Dr. Mosher declared the old idea that being a woman was a handicap must be given up.

Hearse Drivers Strike With Grave Diggers

Dublin, Sept. 23.—A strike of gravediggers in Dublin maintained for some weeks at Glasnevin cemetery has caused much inconvenience and some risk to the public health. It was mitigated however, by the action of the cemeteries committee to permit interments by people having plots in the cemetery, provided they themselves and closed the graves themselves without calling on the committee for assistance.

USING VICHY HOTELS By Associated Press. Vichy, France, Sept. 23.—Preparations are being made to receive several hundred American soldiers who will be distributed among hotels here, their state of health being such as to preclude their immediate return to America.

"The Live Store" "Always Reliable"

"Be Sure of Your Store"

You Can Buy Good Clothes at \$35, \$40 and \$45

If you come to Doutrichs you will see what a saving this is for you on the kind of clothes you like to buy. We provided them in the early season in large quantities and in a big variety of colors, fabrics and models.

We can scarcely tell you just how good these clothes are. They're so much better than most people are expecting this season for the price that everybody is agreeably surprised when they see them—It's very hard for the average clothing merchant to keep pace with changing conditions and few of them are prepared to serve their customers with as generous a collection as you will find at this "Live Store."

This year clothes buyers will realize more than ever before that it pays to buy from an "always reliable" store that handles known quality, standardized merchandise, fully guaranteed to give complete and lasting satisfaction to their customers—That's what is bringing new customers to Doutrichs in such noticeable numbers. When you come Here, you get dependable clothes at bed rock prices—our large output is an advantage that very, very few stores in the United States can boast of.

We want you to see these good values at thirty-five, forty and forty-five dollars. You'll say more about them than we have said when you see how human skill and careful figuring on a minimum cost has brought such good fortune to men and young men in variety, quality and price.

ALLISON HILL TRUST COMPANY

A Wonderful Variety of Smartly Styled Suits at \$35

We waited patiently for these exceptional suits just in. Our makers, had they been so inclined, could have sold these suits at advances of \$6 to \$8, but they are not of that class. No profiteering with them. They have our interest at heart, just the same as we have yours.

When we say to you that we could not duplicate these suits to retail at less than \$10 more we are conservative in our statement. That is the real condition in the clothing world today. Again we say to you, don't fail to come to THE GLOBE.

These are the "big style hits" for young men — snappy models—single and double breast—some have half-belts, some full belts, detachable—new touches of style in pockets, lapels, shoulders, skirt flare, etc. Also many new models of style dignity for older and conservative men. All of them band-shaped models of extreme elegance.

THE GLOBE will be closed all day Thursday on account of a holiday. May we respectfully urge you to do your buying today and tomorrow?
