

WEST END CLUB ENDORSES TICKET

United Support For November Elections Given Republican Nominees

Several Republican candidates for office at the fall election were speakers at a meeting of the West End Republican Club last evening.

First—Resolved, That as members of the West End Republican Club, we hereby declare anew our allegiance to the time-honored principles of the Republican party in State and Nation.

Second—Resolved, That we cordially endorse the course of Governor William C. Sproul in urging and securing so large a measure of progressive and forward-looking legislation at the hands of the Legislature, and in the character and ability of the men with whom he has surrounded himself in the conduct of the affairs of the Commonwealth.

Third—Resolved, That we again record our confidence in our fellow-townsmen, Lieutenant Governor Edward E. Beideman and W. Harry Baker as wise counsellors and safe and tactful leaders in the affairs of the party in county and State.

Fourth—Resolved, That we express our faith in the ability and integrity of the nominees of the Republican party in county and State, and we pledge them our united support at the coming election in November.

Volleyball Teams to Play in New League

Volleyball is popular in Harrisburg. Interest in this sport is on a rapid increase every year. It has become an interesting game and for that reason plans are now maturing for a season of exceptional activity in this line.

One series that promises strong interest will be between the Zumbo Patrol team of the A. A. O. N. M. S. and the Noonday Businessmen's team of the Y. M. C. A.

The plan is to charge a nominal fee for admission to these games with a small additional fee for men to dance. There is considerable rivalry between these teams and strenuous daily practice is in order for the coming series.

Contests will not only be confined to local teams. Other cities are forming volleyball teams, and there will be a six-team league in Harrisburg. Already four teams are available in this city, and two other teams will be organized.

FESTIVAL AT HECKTOWN A chicken corn soup festival with all kinds of good things for sale, will be held on the lawn of the Methodist Church at Hecktown Friday evening.

WUXATED IRON

Helps Make strong, Sturdy Men and Beautiful Healthy Women—Used by Over 3,000,000 People Annually As a Tonic, Strength and Blood Builder.

Catarrh Asthma Hay Fever

THIS NEW DISCOVERY AND INVENTION is giving relief where all other methods have failed. Used with wonderful success in treating all diseases of the Nose, Throat and Lungs. Also for Head Noises and Ear Trouble.

STATE CAN NOT ACT AS AN AGENT

Opinion Given Prison Labor Commission Is Very Strict on the Subject

"No State commission or department may use its official position to further the financial interests of a private business. Public policy forbids such an undertaking, even though it be based upon consideration and be without personal gain to those constituting such commission or department," declared an opinion from the Attorney General's Department to the State Prison Labor Commission in which the commission is informed that it cannot act as agent for a shoe manufacturing material concern in introducing its product to county prisons even though money could be saved by such an arrangement.

In another opinion it is held that the Board of Public Grounds is not required to rent rooms for meetings of the trustees of the soldiers' home at Erie outside of the Capitol. It is held that the proper place to meet is at the institution itself.

The State Board of Public Grounds and Buildings has taken five options on properties on the north side of State street between Twelfth and Thirteenth streets for the construction of the North side approach.

Governor Sproul will take part in the reception to Cardinal Mercier in Philadelphia Friday. Robert W. Herbert, well-known editor, and A. W. Wyant, Greensburg attorney, were at the Capitol to-day.

Oscar Folstrom, of this city, has been named as a clerk in the Treasury filing division. President Pro Tem C. J. Buckman of the Senate, was here to-day.

Professor J. G. Sanders, director of the Bureau of Plant Industry of the Department of Agriculture, arrived in New York yesterday from Holland on the steamship Rotterdam. Professor Sanders has spent several months in England and other European countries studying the potato wart disease which the State is now trying to combat in Luzerne, Carbon and Schuylkill counties.

Professor Sanders was an agent for the Federal government and will report the result of his trip at Washington.

The first return from a county fair association to the Department of Agriculture was made by Cambria County Agricultural Association which held its fair at Carlisle. The report shows the winners of all premiums and gives a detailed business report of the conduct of the fair and details the portion of State funds it is entitled to.

Members of the Mt. Holly Springs Water Company were attacked to-day at a hearing held before Public Service Commissioner M. J. Becht, it being alleged that the company had advanced them in violation of its franchise ordinance and that they were unreasonable.

Governor Sproul was visited to-day by Senator W. C. McConnell, and County Treasurer "Jack" Glass, of Northumberland county.

Congressman W. W. Grist, of Lancaster, may succeed Congressman George S. Graham, of Philadelphia, as the Pennsylvania member of the Republican congressional campaign committee.

CENTRAL HIGH NOTES

Members of the Alumni Association, which was recently reorganized to revive the great school spirit that once prevailed at Central High and to have the members of the classes far back in the 80s meet and become acquainted with the present students, have been working tirelessly that the association may become a recognized power in the community.

The plans of the association are along both social and intellectual lines. There is to be an alumni dance and banquet during the winter, the exact dates of which have not been decided upon.

The chairman of the association has appointed a chairman from each class, who will choose a committee to represent their class at the meetings. These committees will be announced later.

The S. A. E. Society class of '19 held a meeting last evening at the home of Miss Frances Todd, 331 1/2 Hummel street, at which time the new members were initiated. Dressed in fantastic costumes, the girls were paraded over the city and at Third and Market streets were made to sing "Bubbles," and in Market Square, "Hail, Dear Old High School."

Refreshments were then served to the following:—The Misses Helen Stoner, president; Mildred Wells, vice-president; Jennie Blecker, secretary; Kathleen Eyer, treasurer; Kathryn Hazen, Ethel Mummert, Helen Gotwalt, Lenore Fulton, Blanche Martin, Frances Todd, Georgianna Parthemore, Ida Frock, Dorothy Shelly and Annie Simons.

Class of '20—The Misses Catharine McNeal, Esther Frank, Catharine Richards, Rosalie Yeakle, Elizabeth Murray, Ann Senseman, Rachel McCormick, Lillian Koster, Mildred Reel, Martha Moltz, Margaret Reel, Mary Myers and Ethelyn MacCloskey.

GRAND ARMY OF STEVENS MEMORIAL METHODIST CHURCH

The aggregate age of these 23 veterans of Stevens Memorial Church is 2174 years, making the average age 75 years. William M. Leedy, second row from the bottom at the left, has the distinction of being the oldest member in the picture. Mr. Leedy is 84 years old.

Dr. Reckord Returns From Military Service

Dr. Frank F. D. Reckord, deputy medical director of the Pennsylvania State Clinics and one of Harrisburg's well-known physicians, after many months of service in the Medical Corps of the United States Army, has returned home to renew his civilian work in this city.

August 1918 he was appointed Assistant Division Tuberculosis Specialist at Camp Devens, Mass.; at the onset of the influenza epidemic in September, 1918 at the above Camp he was transferred to the Base Hospital to serve in the pneumonia section and later was chosen from the Medical Staff to serve on a committee of three to make a special clinical study of those cases—particularly the convalescence of those most ill. January, 1919 he was appointed Associate Chief of the Medical Service of the Base Hospital at Camp Devens, Mass. in which position he served until his discharge from the service.

DIES AT HUMMELSTOWN

Frank Alwein, Sept. 21. — Mrs. Frank Alwein, died at her home yesterday morning, after an illness of several weeks, aged 42. She is survived by her husband and two daughters, her father, three sisters and two brothers. Funeral services will be held Friday afternoon at 2 o'clock at the house. The Rev. Arthur S. Lehman, pastor of the United Brethren Church will officiate. Burial will be made in the Hummelstown cemetery.

Body Embalmed by New Method Is Carried to Grave by Airplane

A new method of embalming will be demonstrated at a meeting of the undertakers of Harrisburg to-morrow morning at 10 o'clock at the plant of the Harrisburg Burial Case Company.

This new method was used in Atlantic City recently and the body held four weeks without showing any signs of deterioration. At the same time the National Funeral Directors' Association and the New Jersey State Association had a demonstration of the possibilities of the airplane as a vehicle for funeral purpose use. The body of the child embalmed by the new method was placed aboard a big airplane, accompanied by Theodore F. Maizer, representing the association, and was borne swiftly away across the meadows to the mainland where the friends and relatives had gathered at a grave prepared. This is the first instance of a corpse being carried to the grave in an aerial hearse.

Blood-Iron Phosphate Makes Thin Folks Fat Or Money Back

If you are weak, thin and emaciated and can't put on flesh or get strong, no matter how much you eat, go to George A. Gorgas or any other good druggist and get enough Blood-Iron Phosphate for a three weeks' treatment—it costs only 50 cents a week—and take as directed. If at the end of three weeks you don't feel stronger and better than you have for months; if your eyes aren't brighter and your nerves steadier; if you don't sleep better, and your vim, vigor and vitality aren't more than doubled, or if you haven't put on several pounds of good stay-there flesh, you can have your money back for the asking and your trial of Blood-Iron Phosphate will cost you nothing.

FALL FROM A CAR Harry Taylor, 25 years old, 228 North Fourteenth street, a brakeman in the Rutherford yards of the Philadelphia and Reading Railway Company, is in the Harrisburg Hospital with concussion of the brain and other injuries. Taylor was injured this morning when his brake clasp slipped from a car which he was attempting to adjust. In addition to the concussion, he has severe scalp lacerations and other injuries. His condition is reported to be fair.

Expensive To Buy Motor Trucks By the Ton Look at the Use of a Motor Truck from the Transportation Angle and the Economy of Packard Efficiency is Apparent Where weight is needed for strength, we use weight—but where it is not needed, no expense is spared in replacing it with whatever science has to offer. For example, Packard represents the highest heat-treating achievement as applied to commercial vehicles. Parts of a Packard truck, heat-treated, show from 35,000 to 62,000 pounds per square inch more strength than the average of other makes. Packard quality begins to show from the start off. It shows more and more as the mileage increases. It outlasts the paint by years. There are a hundred thousand economical miles built into every Packard. Many Packard trucks have run twice that. Packard efficiency counts in the science of transportation. Your business man wants, not only low costs, but dependable costs. Both these, the use of the Packard truck insure him. To business men who have not yet begun to place trucking on a scientific cost-keeping basis, we offer the services of the Packard Freight Transportation Department: You need not be a Packard owner to avail yourself of our aid. Packard Service in this respect is without charge and truck owners may use it without feeling under obligation.
