Plan an Aerial Derby Flight Around World For \$1,000,000 Prizes

New York, Sept. 25.—Plans have been formulated for an aerial derby around the world, for which the prizes may total \$1,000,000, it was announced by the Aero Club of America.

A special commission has been appointed and will start next month on a tour of the world to arrange routes and landing places, to obtain referees and to organize committees in every country through which the race will pass.

The contestants will enter as individuals, instead of entering their aircraft and will be permitted to use as many "stopping" as they find necessary to complete the tour. Dirigibles may be used by the competitors for part or all of the trip. Entrants will be allowed to decide whether to cross the Atlantic by way of Newfoundland or by way of Greenland and Iceland. It will also be for them to decide whether to cross the Pacific from Tokyo to Alaska and from Alaska to Vancouver, Seattle and San Francisco or whether to fly from Tokyo to Kamchatka, across Behring Strait to Alaska.

Catholics Lay Plans For More Unity in Work of the Church

Washington, Sept. 25.—The great gathering of the Catholic hierarchy and clergy of America since the plenary meeting of 1884 in Baltimore attended the opening session at Catholic University yesterday, of the conference called by James Cardinal Gibbons, to lay plans for greater unity in the work of the church. Ninety-two of the total of 112 prelates of the church in this country and more than 50 members of the clergy and lay attended the opening session.

Song Writer Dies of Torture Inflicted by Robbers

Chicago, Sept. 25.—That W. H. Purcell, who was found dead in his apartment on the North Side, last Monday, died from heart disease while he was being tortured in an effort to make him disclose the hiding place of a fortune in securities and cash, was the new theory on which the police started work yesterday in their effort to clear up the death of the wealthy song writer and real estate man.

The new and startling explanation of the crime was advanced following the discovery that \$25,000 in Liberty Bonds which Purcell had secreted in his apartment were missing. The police believe they learned the hiding place of the bonds from their victim and were trying to force further information from him when he died of heart disease.

Making Plans to Prosecute Boosters of Clothes Prices

Washington, Sept. 25.—Reports of excessive profits by manufacturers and wholesale dealers of clothing are being investigated by the Department of Justice. Attorney General Palmer said today that prosecutions would be instituted whenever justified as soon as Congress passed the amendments requested by President Wilson making the food-control act applicable to clothing and providing a criminal penalty for hoarding and profiteering.

Student Drowns in Lake; Victim of College Hazards

Utica, N. Y., Sept. 25.—Frank McCullough, of Kane, Pa., a freshman at Colgate University at Hamilton, was drowned in Lake Mohalee near that village, where he had been taken by a hazing party of sophomores last night. Versions of the fatality differ, one being that McCullough fell from a boat while his limbs were bound by ropes. Another version is that the student was endeavoring to swim to the mainland from an island where the hazing had taken place. The district attorney of Madison county will conduct an investigation. The body has not been recovered.

Asked to Give List of Presents Given to Wilson

Washington, Sept. 25.—The State Department was asked to furnish a list of all presents rendered President Wilson through that department from Kings, Princes or foreign states, since December 1, 1918, under a resolution introduced by Representative Ramseyer, Republican, Iowa.

ROCKEFELLER GIVES \$2,000.00 TO BAPTISTS

New York, Sept. 25.—John D. Rockefeller has contributed \$2,000,000 to the ministers and missionary board of the Northern Baptist Convention. No restrictions are made as to the use of the principal and income, which will be expended to take care of indigent Baptist ministers of the Northern States.
