A Special Sale of U. S. Army Blankets

For Only **\$5.89** Each

All new and perfect, Government inspected, 82% wool, gray in color and three-quarter pounds in weight.

These blankets are 66x84 ins. Blankets large enough to comfortably cover the ordinary bed. The price is much below manufactured cost, because when the Government suddenly canceled their order after the armistice was signed, their manufacturer had

BOWMAN'S—Second Floor.

to sell them for what he could get.

Prepare yourself for cold weather at a price considerably below what they cost to make more than a year ago, and good housekeepers know that this price is fully one-third less than they'd cost to make now.

These warm serviceable gray blankets will not last long at the marvelously low price. So come early.

Stylish Shoes

At Moderate Prices

"Where did you get those good-looking shoes?" When you ask that question of your friend, whose shoes you admire, the answer will probably be at Bowman's. Our models are identified by their distinctive exclusiveness. And they are not marked anywhere near as high as sensational newspaper stories would seem to warrant. For instance, we have exceptional values in women's shoes in gray kid vamp with a gray suede top, with light welted soles and leather Louis heels at \$8.50.

BOWMAN'S—Main Floor.

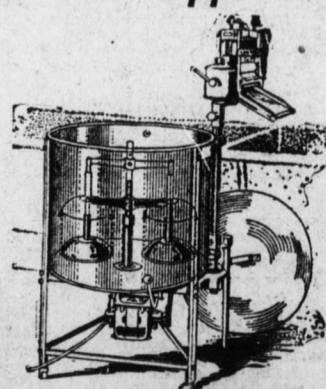

The Vacuum Electric Washer

Will Meet With Your Approval

The Vacuum Electric Washer takes the drudgery out of housekeeping and permits home laundry work under ideal conditions. It washes by air pressure and suction. No friction to wear clothes. Sanitary and easy to operate. Equipped complete with swinging wringer. Has a capacity of ten sheets. Very light and easy running.

A machine like the Vacuum Electric Washer is like installing a private laundry plant in your own home and permits washing the daintiest of fabrics or heavy blankets according to your own methods.

Sold on Bowman Club Plan—Furniture Department.
