Football Togs Soon For **Edison Junior Eleven**

With a definite athletic organization and the knowledge that football togs have been ordered the young gridiron warriors of Edison Community are im outfits to begin practice. In the mean time they are devoting their energies t making the membership in the athletic ciation go over the top a hundred association go over the top a hundred per cent. strong in their respective rooms. At the close of school Wedneeday afternoon at least three and probably several more sections had gone over the top and were receiving their membership cards. These cards are being withheld by those in charge of the drive until a hundred per cent. are registered in each section. The faculty has gone over the top. If the present interest is maintained for a few days longer every one connected with the school, the Janitors included, will be athletic association members.

to Accumulate in Kidneys

Don't flush your kidneys with harsh makeshifts says Dr. Carey, they are too frail and delicately constructed to treat them rough.

For 40 years I have been prescribing Marshroot for kidney and bladder sickness and now that I have retired from active practice I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price.

Beware of kidney disease thousands die of it every year who ought to be enjoying the blessings of life and health.

If you have specks floating before the eyes, puffs under eyes, clammy feet or moist palms, backache or sideache, you ought to get a bottle of Dr. Carey's Marshroot right away.

It has conquered thousands of cases of kidney and bladder diseases and is the medicine you can always depend upon.

IMPORTANT—Dr. Daniel G. Carey has been a practicing physician for many years and his great prescription, "Marghroot," has cured thousands of sufferers from kidney and bladder troubles. It is not a patent medicine and is only sold through drug stores in order to accommodate his patients. Geo. A. Gorgas can supply you.

TOPICS OF INTEREST

"Thin, delicate, run-down people should drink plenty of good, plain water and take a little Systoxen after meals," says a well known Boston physician. Many who try this simple method are agreeably surprised at the rapid increase in weight, strength and power of endurance. It quickly helps put renewed vim and energy into the veins of old folks and is a regular boon to thin, weak, nervous, run-down young people, often increasing their weight and strength in 10 days time. One well-known writer on body-building, health, etc. says: "It is just like giving sunshine and water to a withering plant."

Leading druggists say there has been a tremendous increase in the sale of Systoxem since it became known that this compound and with
