

DR. KREITLER TO SPEAK AT BIG MASS MEETING

Rector of Large Scranton Parish to Speak at St. Stephen's

A mass meeting of members of the Episcopal Church will be held this evening at eight o'clock in St. Stephen's Church. Churchmen from

every parish and mission of the lower end of the diocese are expected to attend, and a monster gathering is anticipated. The purpose of the gathering is to give the members a better understanding of the nationwide campaign of the church, concerning which there still seems to be some uncertainty. The speaker of the evening will be the Rev. R. P. Kreidler, rector of St. Luke's parish, Scranton, one of the wealthiest and largest churches of Scranton. Dr. Kreidler is one of the leading clergymen of the diocese of Bethlehem, and is taking a prominent place in the campaign. The meeting to-night is not for the purpose of raising any sum of money, not even an offering will be taken. National leaders of the campaign from New York are also expected to attend the meeting and will probably address the gatherings.

"TIGER" DECLARES TREATY WOULD UNITE THE ALLIES

Would Give Them Same Solidarity in Peace as in War

Paris, Sept. 26.—Premier Clemenceau delivered his long expected speech in the debate on the ratification of the Peace Treaty in the Chamber of Deputies late yesterday afternoon. The whole trend of his arguments in favor of the Treaty was that the Treaty was one of solidarity between Allies who, united in war, must be united in peace. M. Clemenceau admitted that the Treaty contained many imperfections, but said it was the culmination of the work of the coalition of liberation, the first of its sort in the history of the world, as the Treaty was the dawn of a new era. He recalled the dark days of 1817, and declared to the opponents of the Treaty that if a peace proposal had been received then, returning Alsace and Lorraine to France, no Frenchman would have demanded the insertion of any other clause, but would have accepted it. The Treaty brought back more than the lost provinces; it placed France on the highest pinnacle of fame and honor, and in a few years would bring prosperity.

Accepts Warning to Leave After Desecrating Flag

Waynesboro, Pa., Sept. 26.—Albert Graves, a young machinist, who has been around Waynesboro for over eight months, left yesterday for parts unknown, as the result of a tip to either leave town or answer charges of insulting the flag. While Graves was out near Frick's shop, a friend remarked, "Frick Company has a new flag, if you don't they take that scab flag down." His remarks were heard by a couple of deputies that were doing patrol duty, and Chief Yeoman Surgeson, took the young man in charge. He was taken before the magistrate and given the ultimatum to either leave town or go before Commissioner Norman Bumbake, Chambersburg. He chose the former.

NO MORE CATARRH

This Simple Home Treatment Has Stood the Test of Time

Every fall and winter, for more than twenty years, thousands of people have made it a daily practice to breathe the air of Hyomei and so keep themselves free from Catarrh, Coughs, Colds, Bronchitis, Sore Throat and Influenza. This is certain and you should try it. If you will breathe Hyomei daily, as directed, it will free you and keep you free from all these troubles or it won't cost you a cent. H. C. Kennedy or any reliable druggist can supply you with the Complete Hyomei Outfit, including a hard rubber pocket inhaler. The inhaler will last a life time and extra bottles of the liquid Hyomei cost but a few cents. A few drops of oil in the inhaler will last for days and its pure, soothing, antiseptic, healing air, breathed deep in the air passages of your nose and throat, should keep you free from coughs, colds, influenza and catarrh all winter long. Pleasant to use, takes but a few minutes daily and is guaranteed to satisfy or money back.

FIRST FALL SCOUT HIKE

And the Walk Is Only Preliminary to What Will Follow

A hike has at least one good thing at the end to look forward to. The first fall hike of the Harrisburg Scouts, however doesn't stop at this. There are two attractions at the end of it, and the hike is only the preparatory step for the good time that the boys who go on it will experience. The time is 9:30 to-morrow morning. The starting place need scarcely be said, for this is a regular start from Headquarters, there will be no variation in that time. The hike will be to the woods back of Cottage Hill. Refreshments should be taken at Steeton, where dinner will be cooked and an opportunity given to pass out-door tests. Bring along enough to eat, for this brisk autumn air causes a healthy appetite to rise to alarming proportions. After dinner contests and games will be in order for a short time, and in the afternoon Scouts will have the advantage of an invitation extended to Scout Commissioner German for the Scouts to attend the First Aid meet held under the auspices of the Bethlehem Steel Company. Since First Aid plays an important part in the Scouting program, every Scout who wishes to be considered a Scoutmaster should attend this meet. First Aid is a subject which calls for illustrations and practical work before one can consider himself a Scoutmaster. This is a splendid opportunity to see put into practice not only what a Scout himself may know, but also innovations and little "tricks of trade" that a book on First Aid would not contain.

Let's have everybody out then bright and early to-morrow morning. A hike in the cool autumn air, dinner in the woods, and an afternoon of pleasure and experience—what more could a Scout desire after a long and tedious week in school. It might be worthwhile to mention too, that Scoutmasters and Assistant Scoutmasters will be heartily welcomed and if convenient for them to do so. Native of Mercersburg Slayer of Wife Before He Destroyed Self in Jersey

Philadelphia, Sept. 26.—Investigating the death of Ralph Wilson and his wife, Katharine Wilson, of 810 North Third street, on Wednesday night, Detective Captain Schragle and Coroner Pratt, of Camden, said they believed that Wilson had murdered his wife before shooting himself on Monday afternoon. He was a son of Calvin Wilson, deputy registrar and recorder, of Franklin county, Pa., whose home is at Mercersburg, that county.

Would Authorize an Inventory of President's Gifts

Washington, Sept. 26.—Declaring that it was "the grave constitutional duty of the House of Representatives to ascertain whether any gifts were received and registered by the President of the United States in violation of the constitution," Representative Rodenberg, Republican, introduced a resolution yesterday directing the Judiciary Committee to investigate the reports and obtain an inventory of such gifts and their value. The committee would be authorized to ascertain what customs duties were paid.

Lewis Refuses to Join "Round Table" Conflab on Oct. 6

Buffalo, N. Y., Sept. 26.—John L. Lewis, of Springfield, Ill., acting president of the United Mine Workers of America, wrote President Gompers of the American Federation of Labor, declining the invitation to be one of the labor representatives at President Wilson's "round table" conference opening at Washington October 6. Lack of confidence in the success of the conference and dissatisfaction with the personnel of the delegates selected to represent the general public were among the impelling reasons for Mr. Lewis' action.

Student Drowned Trying to Escape From Hazers

Etica, N. Y., Sept. 26.—The discovery of the body of Frank McCullough, Colgate University student who was drowned in Lake Moraine near Hamilton Wednesday night, is believed to settle the question as to how he met his death. McCullough was one of about 25 freshmen seized by sophomores and taken to an island in the lake in an attempt to oust the sophomores, four freshmen, including the dead youth, started to swim ashore. Half way across, he cried for help and two companions, who were nearly lost in trying to rescue him. The condition of the body bears out this version of the fatality as no ropes were found and the body was not bruised or cut. McCullough was the son of Nathan Ross McCullough, of Kane, Pa.

ROBBED OF \$1700 ON ROAD IN NIGHT BY BANDITS

Gettysburg, Pa., Sept. 26.—Attacked by four men along the East Berlin Abbotstown Road late at night, Mervin Decker, of Aspers, was overpowered and \$1700 was taken from him. The money was away in his team, leaving the man in a partly conscious condition lying at the side of the road. Decker was on his way to Abbotstown to purchase a property and the money stolen from him had been carefully saved for this purpose. One of the highwaymen held the horse, while the other three crawled into the buggy. Decker felled one with his fist but the other two overpowered him and he was stunned with a blow on the head. Decker was later picked up by a passerby and taken to Five Points, where the team was found.

SEEKS IRISH ADJUSTMENT

London, Sept. 26.—Efforts are being made by Premier Lloyd George to reach an adjustment of the Irish problem, in the belief of political circles here. Among the possibilities, it is said, is the resignation of James Ian MacPherson, chief secretary for Ireland, who may be transferred to another post.
