## **EARLY FROST IS REPORTED NOW** Warnings Will Be Issued by State Officals in Regard

to Late Crops

State Department of Agriculture officials have been making inquiries into reports of early frosts in east-ern sections of the State. Two years ago there were frosts late in Sep-tember which did considerable damage and if the reports are veri-fied there will be warnings given. There are large amounts of late vegetables and fruit not yet gath-ered in some of the southern coun-ties.

Attorney General William I. Schar-fer made progress yesterday in his effort to secure a modification of lease forms in Philadelphia and steps were also taken to get the charges of rent profiteering before the Welfare Commission. Com-missioner of Banking John S. Fisher is in Philadelphia in relation to the building and loan association situa-tion.

The Attorney General added that the Welfare Commission would meet in Harrisburg next Tuesday and dis-cuss rent profiteering in Philadel-phia. Subsequently a member of the commission will come to Philadel-phia to look over the lease form pre-pared by Messrs. Hepburn and Me-Sorley, and hear the specific com-riaints of renters.

It is probable that a date for re-suming the hearing on the objectons to the continuane of the wartime rates of the Bell Telephone Company will be fixed by the Public Service Commission when it meets here on Monday for executive session. The Commission will also rule on the re-quest for a valuation.

## TAX PENALTY OCTOBER 1

building and loan association situa-tion. Attorney General Schaffer said: "I had a very satisfactory inter-view with C. J. Hepburn, who assured me that the members of the Philadel-phia Real Estate Board are most de-sirous to put a stop to rent profiteer-ing in this city. "Mr. Hepburn has undertaken to meet Mr. McSorley and other attor-neys for the renters' associations and take up with them unjust pro-visions in leases."
