People in Southern Russia Are Facing Cloth Shortage

Paris, Sept. 26.—People in some of the villages of southern Russia are wearing dresses made of leaves or grass sown together with bamboo fiber, owing to the difficulty in obtaining cloth, says Major G. M. Towse, who is in charge of the Red Cross activities along the shores of the Black Sea.

"It is an ideal costume for the summer when southern Russia has a temperature like that of the Garden of Eden," said Major Towse, "but I shiver when I think of what will happen to those little girls when the snow begins to fly."

**Woman Injured When Thrown From Automobile**

**ENDEAVORERS TO RALLY CLOSE BY**  
Meetings Are Scheduled For Carlisle and Chambersburg the Coming Sunday

Carlisle, Pa., Sept. 26.—Three big Christian Endeavor rallies have been scheduled for next Sunday at this place under the auspices of the Carlisle Christian Endeavor Union and at Chambersburg under the auspices of the Chambersburg Christian Endeavor Union. Fully 2,000 people are expected to be in attendance.

The meeting at Chambersburg will be held in the afternoon, and in the evening at Carlisle two rallies will be held in the Allison Methodist Episcopal Church and the United Evangelical Church.

The Rev. Daniel A. Poling, LL. D., associate president of the United Society of Christian Endeavor, Boston, will deliver his popular address on "The Call of the New Crusades." Dr. Poling is one of the foremost young men of the country. Strong, vigorous, forceful and commanding in personal appearance and in his address, he is at the same time popular both in public and in private. Though still young, he has had large experience in temperance work, and has twice been across the seas to help Army men along moral and religious lines.

Haines A. Richel, of Harrisburg, the new State secretary of the Pennsylvania Christian Endeavor Union, will also deliver an interesting address. A number of Endeavorers from Harrisburg and Dauphin county will attend the big gatherings.

**Senators Line Up For Real Fight on League of Nations**  
By Associated Press.  
Washington, Sept. 26.—While the German Peace Treaty received only brief consideration in the Senate yesterday, outside developments indicated that the factions were lining up for the real fight over the League of Nations Covenant.

The outstanding feature of the day was the announcement by Senator Johnson, Republican, of California, that he would leave here tomorrow for the Pacific coast to keep up his attack on the Treaty, which was accepted to mean finally that his proposed amendment to equalize the voting power of the United States and Great Britain would not be called up for weeks hence.

Next in public interest was the news that Senator Ashurst, Democrat, of Arizona, had telegraphed President Wilson that he would vote for ratification of the Treaty, but he could render the country and the world, he said, a greater service by accepting it as it is, without amendment or reservation. This definite statement from Senator Ashurst was considered particularly reassuring by Democratic leaders because of persistent reports that he would oppose the pact in its present form.

**Dickinson Freshmen Take Offense at Rule Violation**  
Carlisle, Pa., Sept. 26.—Incensed because of alleged rule violation, freshmen at Dickinson College have been on the rampage since soph-
