*Time to be Ready with Knitted Underwear For Fall*

Careful people don't wait for the cool days to come—this year least of all; for we are told that there won't be enough of the best kinds to go around. Too bad to have to accept the less carefully made sorts. It means so much to one's comfort and good disposition to have good-fitting Underwear that is shapely and never binds or pinches.

The right sorts are here in full supply, now.

Athena vests and pants are made to fit the body. Made in several styles. Vests with high neck, long sleeves; low neck, sleeveless; Dutch neck, elbow sleeves, pants, ankle and knee length with closed gore, \$1.00 and \$1.25.

## Novelties in Veils

Square meshes and square dots are quite new. But you may still prefer the less severe effects that are equally correct and shown in a wide variety. There are veilings that provide draperies for hats that are sparsely trimmed; but fashion also favors the more conservative veilings by the yard.

Whichever is most becoming and most desired by you is here.

New veilings by the yard in the new plain and fancy meshes. Chenille dots, scroll borders; and woven dots; 25c to \$1.25 yd.

Farmers' Van Raalte Waterproof maline in every desirable shade; 59c yd.

Ready to wear veils with scroll and dotted borders in brown, black, navy, taupe and purple, \$1.00 to \$3.50.

## LININGS

For Dress, Suit or Coat

The durability and perfect fitting of any garment is largely a matter of attention you pay to the inner construction of the garment. A good lining is the frame work upon which it is supported, it holds together the very material you want to render the best of service, and represents in finish the worthiness of the goods.
