These three prime essentials of a motor car-Beauty, Comfort and Service-are found in the Briscoe in a degree heretofore obtainable only in cars of much higher price.

And these desirable qualities are combined with an economy of operation and a certainty of freedom from trouble and difficulties, whatever the road, that makes motoring a pleasure unalloyed.

The Briscoe roadster, like the touring car, is built to embody every requirement of the motorist. There is a sturdiness and virility about the Briscoe that is a joy to the eye.

The Briscoe can be purchased on the cash or deferred payment basis.
