Asked if he had any suggestion for settlement of the strike, Judge Gary said peace was maintained, the law upheld and individuals left free; the employees would settle it themselves.

Speaking of Low Prices

It seems hard to believe that prices are so reasonable for good things to eat at The Cafeteria that one customer mailed us conscience money after having eaten his fill for a small sum and another remarked "it was like taking candy from a baby." This to the smiling lady behind the service table, who daintily tendered him a flaky, hot biscuit; one of those "old mammy" biscuits that breathes of Southern hospitality and good cooking. There is a bouquet and fragrance about our coffee that teems of foreign lands and it is served in a generous cup with real cream for five cents.
