Last night's battle was staged at Chestnut street Auditorium. The first game went to the Businessmen, score 15 to 13. The "Cappy" Hey's team got into real action and won the three other games, scores, 15 to 12, 15 to 14, and 15 to 13. It was some contest. The attendance was large, and after the match, there was a big dance program, with Franklin's orchestra of 12 pieces furnishing delightful music.

**Sport Is Popular**  
That Harrisburg is getting awake to the Volley Ball game was shown last night by the display of enthusiasm. Both teams had their rooters and it was some cheering crowd. These games are open to the public, a nominal admission fee being charged, and a small additional fee is charged for dancing. It affords an evening of delightful entertainment at any cost.

### Will Give Thanks For Return of Service Men at St. Paul's Church

After all the great demonstration last Sunday and Monday in honor of the return of the city's service men, the question is asked: Has there been and public thanksgiving to God? Such a thanksgiving will be held next Sunday at St. Paul's Church, Second and Emerald streets. Bishop Darlington and the Rev. Dr. Appleton will celebrate the Holy Communion as a solemn religious act of thanksgiving to Almighty God for the victorious return of the men from overseas. They will also give a greeting to the victors. All service men and women are to attend. Miss Lenora Fry's harp will join in the thanksgiving and the regular choir will lead the singing.

### YEAR'S PROGRAM MAPPED OUT FOR LIVELY 'Y' WORK

Central Organization Outlines Its Purposes For the 1919-1920 Season

The Central Y. M. C. A. has announced its policy of religious work for the season of 1919-1920, at the same time that the night school plans appear.

The Sunday Meetings Committee, under the leadership of Arthur D. Bacon, will hold its sessions every week from October 19 to April 4, inclusive. They will be held at 8.30 o'clock in the afternoon. The Bible Study Group has planned out its winter work by instituting "Priority evening Bibles" at 8 o'clock, to be followed by the class at 6.45.

**Bible Studies Planned**  
George W. Reilly will head the Bible Convalescence Group and Dr. Griffith Thomas, of Toronto, has been engaged to conduct a one week series of Bible studies in Fahnstock Hall, beginning February 15, 1920. Oscar P. Beckley will conduct a series of meetings nightly during the week of Prayer, which is to be held from November 9 to November 16. Holy Week will be marked by noonday services in Fahnstock Hall, which have been planned by Ramsey Black, the Foreign Work committee has its task in creating interest and securing financial support for the work of John W. Nippe, who is representing the Harrisburg Y. M. C. A. as student secretary in Tientsin, China.

**Plan Physical Efficiency**  
The physical end of the "Y" has as its object the promotion of the highest moral, mental, and physical efficiency among men and boys by means of exercise. It is organized by having a Physical Department committee, composed of four members of men's classes and five members of the Board of Directors; a Physical Department Advisory Council, consisting of three representatives of each of the men's classes, and nine subcommittees, as follows: Religious, medical, health, education, social, athletics, basketball, handball, volleyball and extension.

Any number of classes have been arranged and the schedule demanded very careful adjusting, in order that every one could be accommodated. The locker rooms at the "Y" building are filled to capacity, and it is certain that the gymnasium this year will see more activity than ever before in its history. "Doc" Miller has as his assistant physical director this year, "Shorty" Miller, well known to all sport lovers throughout Pennsylvania.

**Night School to Be Large**  
The Night School, planned by the Y. M. C. A., to open October 13, will be larger than ever in the courses offered. The program for the opening night includes moving pictures on educational subjects, with an address by Dr. J. George Becht, First Deputy Superintendent of Public Instruction and Chairman of the Y. M. C. A. Educational Committee. Various instructors will outline their plans for the winter work, and students will be registered on this evening.

The Salesmanship course will be taken care of by G. W. Spahr, sales-manager of the Elliott-Fisher Company, and will hold its meetings at 8 o'clock every Monday evening. The tuition fee will be \$20, including a social (\$4) membership in the "Y" and text books.

**To Have Coach Speakers**  
The Public Speaking course will be led by Professor H. H. Shenk, Custodian of the Public Records of the State Library, and formerly professor of history and economics at Lebanon Valley College. The meetings in this course will be held every Friday evening at 8 o'clock. Tuition is \$15 including "Y" membership and text books.

J. W. Phillips, a graduate of Edinboro State Normal School and Carnegie Tech, will teach the course Monday evening at 7.30 this class will meet, the tuition being \$10, including "Y" membership.

The only necessary requirement to become a member of the club is to have a voice, and be a member of the "Y." Members will pay for their own music, of course, but this expense is nominal. The regular rehearsal night will be Tuesday at 8 o'clock. The first meeting for organization is to be Tuesday evening, October 14.

Bookkeeping is to be taught under the direction of Miley T. Sheaffer, accountant and auditor and a graduate of the Harrisburg School of Commerce. Every Tuesday and Thursday evening at 7.45 in the third floor classrooms at the "Y" building this class will be held. The tuition fee is \$10 including "Y" membership. Text books are to be purchased by students.

**Tech Man to Tutor**  
William D. Meikle will teach Commercial Spanish. Mr. Meikle is a member of the Tech faculty, and a graduate of Penn State. Every Monday evening at 7.30 the Spanish class will meet on the third floor of the "Y" building. The tuition will be \$10 including membership, but exclusive of text books.

The final course of the list is to be Business English and Correspondence, taught by W. E. Straykowski, of the Tech faculty. This will be a very thorough course covering all manners and ways of writing English, and will be held Monday evenings at 7.30. The tuition will be \$10.

**Large Enrollment Assured**  
Practically everything that the student or working man could desire to learn is included in the Night School schedule of courses and the Y. M. C. A. feels very proud to be able to offer this list of subjects to the public. A large enrollment is assured from the number of inquiries and applicants who have already come to the "Y" building.

### Nation Will Suffer if Coal Miners Quit, Is Warning of Senator

Washington, Oct. 2.—Warning that the United Mine Workers are threatening to precipitate a strike in the face of the coming winter which will bring suffering to the entire nation,

was given yesterday in the Senate by Senator Frelinghuysen, of New Jersey.

The demands which the bituminous mine workers are making upon the operators, the Senator said, it will be impossible to meet without the final burden being placed upon the public in the form of increased prices on coal of from \$2 to \$2.50 per ton. "I have been a friend of labor," the Senator said, "but I am not a friend of tyranny, whether it be the tyranny

of the capitalist or the tyranny of the professional labor agitator."
