Are Your Eyes Insured?

Our new Optical Insurance Policy has proved itself the greatest innovation the Optical Profession has ever experienced.

Think what it means to you to get new lenses every time yours are broken, within a year, with no charge to you! That is our guarantee. The Optical Insurance Policy which you get is your protection.

But how can we afford to give this One Year's Insurance Policy against lens breakage, you may ask. Because we have the utmost confidence in the frames with which we fit you. They are extremely fashionable, yet so strong and sturdy that we believe the average of lens breakage will be very low. And, yet, if they should break, you get new ones.

Another outstanding feature of our Optical Insurance is the protection it affords you against Change of Vision for One Year. Should your vision change within that time your eyes will be re-examined and new glasses fitted without cost to you.

All of our work is guaranteed, of course, but it is only during the celebration of our Fifth Anniversary month that our Optical Insurance Policy will be issued.
