RHEUMATIC PAINS DISAPPEAR

BLISS NATIVE HERB TABLETS PRAISED BY MANY. "Twenty years ago I was bothered with rheumatic pains through my shoulders and lungs to such an extent that my head was drawn down on my chest causing great suffering. After trying different medicines, I was finally persuaded to try Bliss Native Herb Tablets...

Asserts New Discovery

Brings Blessed Relief to Rose and Hay Fever Sufferers. Can Make It Yourself At Home At Trifling Expense. In spite of all the doubters and scoffers, a man in Kentucky, who changed his annoying and distressing hay fever into less than a mild cold, claims most emphatically that if taken in time hay fever can be conquered or at least made so harmless that it is not even bothersome.

FLOR DE MELBA The Cigar Supreme. At the price FLOR DE MELBA is better bigger and more pleasing than any mild Havana cigar. CORONA OR SELECTOR SIZE 10c. OTHER SIZES DIFFERENT PRICES. Ask your dealer for your favorite size. If your dealer can't supply you, write us. I. LEWIS CIGAR MFG. CO., Newark, N. J. Largest Independent Cigar Factory in the World.

"Just Lumber"

TO a lot of people lumber is still "just lumber." This class of people can't see anything but the price. Buying lumber by the "price method" is sure to make lots of trouble in the end. In lumber, quality is the thing that counts. Long life is expected—anything short of this will result in dissatisfaction. Dissatisfaction will kill any business. You will find our lumber clean, bright and thoroughly seasoned. It will not be case-hardened, checked, honeycombed or stained. United Ice & Coal Co. Lumber Department Forster and Cowden Streets

and, and twice \$20 for the gold star member, Robert A. Boll, who died in the service. Robert B. Reeves and Dr. J. George Becht addressed the club on the commercial courses now being offered by the Harrisburg, W. M. C. A., and a number of members agreed to take out memberships for employees or to assist employees to pay for their instruction in one or more of the classes. The club heard informally from a number of members who had visited the strike regions around Pittsburgh and who complimented Captain George F. Lumb on the excellent order maintained there since the strike began. They said there is absolutely no truth in stories of mistreatment of civilians by State Police and the club went on record as expressing its confidence in the force and Captain Lumb, its commander. The members and their wives will be guests to-morrow afternoon after 4.30 o'clock at the home of Mrs. Miller, who will take them to Bellevue Park where they will be entertained at supper. From there they will go to the store of Witmer, Bair & Witmer, in Walnut street, where they will be the guests of David Witmer for the evening.

John H. Glass Made Chief Inspector

John H. Glass, prominent in Republican county politics in Central Pennsylvania, has been appointed chief inspector in the automobile division of the State Highway Department. He will have charge of enforcement of the new automobile code regulations in the State. SEEMS TO BREAK MOTHER'S WILL Charles W. Thomas, 1408 Zarker street, is about to institute proceedings in an effort to change the will of his mother, who returned to her home in Germany in 1914 and died there in 1915. In her will she left nothing to her son, as he declined to accompany her to Germany. DIRECTORS TO MEET The annual meeting of the stockholders of the West Harrisburg Market House, for the election of directors and the transaction of other business, will be held on Tuesday, October 14, in the Market buildings in Verbeke street, between 10 and 11 a. m. Notice of the meeting is issued under the name of J. N. Kinnard, superintendent and treasurer.

"Erection of Memorial a Duty," Says Pastor

By The REV. DR. LEWIS S. MUDGE Pastor Pine Street Presbyterian Church. The erection of a permanent memorial to the soldiers and sailors of Harrisburg who served in the World War is clearly our duty. It is, moreover, a duty which should be performed with enthusiasm and eagerness. It is also a duty which should be fulfilled at once. Now, when the precious memory of the boys who gave their lives for country and humanity is fresh, and while the splendid deeds and heroic sacrifices of those who have returned to us are clear in our minds, we should give expression to our deep appreciation of their substantial and enduring form. The memorial proposed is highly suitable and the method suggested for the raising of the necessary funds is beyond criticism. We have no doubt whatever that the sum suggested will be fully subscribed. Let us each, however, show the sincerity of our regard for the heroic men by being among the first to give. Let us see to it that the proud story of Harrisburg's participation in the World War is brought to a glorious climax by the completion of this memorial fund with unrivaled promptness.

ROBBERIES GROW IN NUMBER

Many Recent Thefts. Police report that the exact number of robberies and larcenies during the first nine months of this year was 230, with 111 of them being reported within the last three months. The first half-year of 1918 showed 114 robberies with 52 being reported between July 1 and September 30, for a total of 166. The value of the goods stolen in the period this year is \$40,527 as compared to \$24,890 last year. Even though more goods have been reported stolen this year, less has been recovered than in last year. Police authorities this year located \$26,331 of the material stolen while last year they located \$21,477. Police account for the recovery of such a large percentage of stolen goods last year, by the fact that a large number of stolen automobiles were recovered. In numerous instances, cars were taken for joy-riding purposes and later found abandoned nearby. FORESTALLER FINED Harry Phillips, merchant, of 1001 North Sixth street, was fined \$25 in police court on Saturday afternoon on the charge of having violated the anti-foreclosing ordinance. He was charged with having purchased for resale, apples, corn, etc., in Broad street market on Saturday.

Clashes Do Not Deter Steel Heads in Attempt to Resume Operations

Chicago, Oct. 6.—Clashes between strike sympathizers and police and special deputies during the last 36 hours in the Chicago district did not deter heads of steel mills from attempting to start additional plants to-day, the beginning of the third week of the walkout. Company officials claim they had assurance that large numbers of men who have been on strike for two weeks would return to work during the day and that many plants which have been idle for two weeks would begin operations. Union leaders increased the picket lines early to-day in an effort to prevent the resumption of other business. They looked for no material reduction in their ranks. The rioting by strike sympathizers in the Calumet district, which included Indiana Harbor and East Chicago, Ind., and South Chicago, Ill., while being put under control by the police resulted in calling out 12 companies of Indiana National Guardsmen who to-day were prepared to suppress any further disorders at those places. Many clashes took place with the police, but only a few shots were fired during the two nights.

Efforts to Reopen Plants Mark Third Week of Steel Strike

Pittsburgh, Oct. 6.—An effort by employers to open additional plants in the Pittsburgh district to-day marked the beginning of the third week of the steel workers' strike. Representatives of the steel companies say that hundreds of men returned to work in the mills last week and they declare that sufficient workers will desert the strikers' ranks to-day to assure the reopening of plants which have been tied up by the walkout. Union leaders were emphatic in their declarations that plans of the employers to start operations in the district will fail. They said that the strikers will stay out and that the end of the day will show few if any of the men back on the job. Heavy rains fell during the morning. All was quiet throughout the district. Hundreds of deputy sheriffs, mill guards and police patrolled the streets at the various plants. Officials of steel plants in Rankin and Braddock to-day said that there was no material change in the strike situation in this place. They report a shortage of labor but asserted that each day results in additional men returning to work. Steel company sources reported gains at Donora and Monessen. I was said the American Steel and Wire Company started a rod and a blooming mill at Donora and that the Donora zinc works, operated by the American Steel and Wire Company, also started up, but not in full. Plants at Monessen which are said to have made a start in varying degrees are the Pittsburgh Steel Company, Pittsburgh Steel Products Company, Page Woven Wire Fence Company, and the Monessen foundry company. No attempt was made, it is said, to start the Carnegie plant or the small works of the American Sheet and Tin Plate Company in that vicinity. Few reports had been received at strike headquarters in the afternoon. One report stated that the strikers at the Bethlehem Steel Works in Bethlehem were holding firm.

State Troops Are Called to Gary Following New Riots

Gary, Ind., Oct. 6.—State troops to-day patrolled the avenues leading to steel plants and parts of the city where disorders were liable to develop, four companies having been brought here late last night from Indiana Harbor and East Chicago, Ind., where 12 companies were quartered, after rioting was resumed here by strike sympathizers. Late last night hundreds of strikers began to congregate before the gates of the United States Steel Corporation plant and the mill of the American Sheet and Tin Plate Company. Police and special deputies clashed with the crowd of strikers

17 IN ONE HOUSE WAS TOO MANY

Denied on cross-examination that seventeen persons were living in the house at one time, although she admitted that they were more than ten. She said that since their marriage until in June when they separated they had been living at her home, 1939 North Seventh street. Judge Kunkel told the couple that they should be living together and said he would not make an order until he learned whether Kelly meant to provide a home for her. Mrs. Kelly said that she was afraid to live alone with her husband because he had beaten her and had threatened her, but Judge Kunkel termed these "idle threats" and continued the case. "Use your own way and methods to get her back," the court advised Kelly. "You know what you did to win her, now get her back again. We'll leave it to him now and get his real attitude by what he does and the way he treats her." Dunbar Eberts was directed to pay his wife \$5 a week after a lengthy hearing before Judge Kunkel this morning. Eberts was married in February, this year, in New Haven, Connecticut, while a student at Yale. His wife returned to New Haven in May, after living in this city with Mr. Eberts at the home of his parents, 120 Market street. Counsel for Mike Munjas, whose wife, Eva Munjas died since suit was brought against him for support, asked the court whether the county could be directed to pay the costs, amounting to \$65. Judge S. J. M. McCarrell replied that Munjas would have to pay them. He was directed to continue paying the rent, \$27 a month, and pay his wife \$15 a week. He told the court that she never had his meals ready for him, but she denied this and claimed that he would never be there when she had them ready, and many times she was compelled to throw the food into the garbage can. James L. McCormick was ordered to pay his wife \$10 a week, by agreement, and Charles Kreitzer, who had been in jail on an attachment, was released and directed to make up his shortage in payments and continue giving his wife \$5 a week.

Two Balloons Are to Be Heard From in Race

St. Louis, Oct. 6.—Two balloons crews in the national championship race have been missing for four days and a half. The craft to be heard from are the St. Louis V, and the Wichita, Kansas, entry, both of which took a northeasterly course with eight other competitors upon taking the air here last Wednesday night. Two of the balloons reporting so far landed in the Parry Sound region and race officials are confident that the pilots yet to be heard from have landed safely and now are making their way to some point of communication with the outside world.

Protest Contract to Purchase Army Supplies

Paris, Oct. 6.—The contract for the purchase of American Army supplies in France has moved the budget committee of the Chamber of Deputies to protest that Parliament's financial rights have been disregarded as the expenditure of \$400,000,000 has been agreed to without previous parliamentary authorization. As a result of the protest, the government has introduced a bill for ratification of the contract specifying that the \$400,000,000 shall be represented by bonds dated August 1, 1919, and bearing interest at five per cent. from August, 1920. They would mature in ten years, interest and capital being payable in dollars. The budget committee has approved the bill, but demands that the first interest coupon be paid in February, 1921, so that the budgets of 1919 and 1920 may be balanced upon to support any burden. The committee also asks that the interest and capital be paid in dollars at the rate of exchange on the day of payment.

ALFONSO TO VISIT ENGLAND

Madrid, Sunday, Oct. 5.—King Alfonso will visit England the latter part of the present month. Accompanied by Queen Victoria, he will leave Madrid on October 20 for London. The visit of the royal couple will last about fifteen days.

A WARM, NOURISHING MEAL FOR FIVE CENTS

Dosen't seem possible in these days of profiteering and high cost of living, does it? Prove it for yourself. Two SHREDDED WHEAT BISCUITS (little loaves of baked whole wheat) will cost you in most stores a fraction over two cents. Serve them with three cents' worth of hot milk and you will have a warm, nourishing, satisfying meal for five cents. All the nutriment you need for a half day's work. The most real food for the least money.

Are You, Too Paying the Price?

WE all seek life's comforts and pleasures, but many of us pay too high a price for them. Continued over-working, over-eating and over-drinking; late hours and loss of sleep, gradually roll up an account that brings sickness and enforced rest. Weak kidneys is the common penalty. Daily backache, dizzy spells, headaches, rheumatic pains and kidney irregularities are warnings of kidney weakness. Don't wait! Neglect may lead to gravel, dropsy or Bright's disease. For quick relief avoid over-eating, over-drinking, over-working and other excesses and help the weakened kidneys with Doan's Kidney Pills. Doan's have brought new health and happiness to thousands of sufferers. Many of them live right here in Harrisburg. Ask your neighbor! These Are Harrisburg People:

North Front Street: Andrew R. Conklin, 1125 N. Front St., says: "Some time ago I suffered with a severe pain in my back. I could not sleep at night and I had to get up several times to pass the kidney secretions, which were often scanty. Through an advertisement in the paper I learned of the cures brought by Doan's Kidney Pills, so I purchased a box at Pott's Drug Store and the first few doses relieved me and three boxes cured me, so I have not been troubled since." Peffer Street: Mrs. J. F. Swelgert, 330 Peffer St., says: "I was bothered considerably several years ago with pains across the muscles of my back, used Doan's Kidney Pills and it was only a short time before my back felt alright and it has not bothered me since. If I ever do have any trouble of that kind I would use Doan's, for I know there is no better remedy for that complaint." Riley Street: Mrs. George S. Bowers, 211 Rely St., says: "I suffered from severe pains in my back and kidneys. The trouble was brought on from an operation I had. I was so run down that life was miserable and I had swelling of the limbs and puffy sacs beneath my eyes. My body was also bloated and I was dizzy and had blurred eyesight. I was very nervous, too. Two boxes of Doan's Kidney Pills rid me of the attack and made me feel better in every way. I have great faith in this medicine and will use it in preference to any other kidney remedy." Peffer Street: Harry Foust, 228 Peffer St., says: "Several years ago I was in an awful shape with kidney trouble, which I think was brought on by heavy lifting and stooping. My back ached nearly all the time and was lame and sore and I could hardly get up when I was down. Sharp pains would catch me in my back when I least expected them. My kidneys were weak in action, causing me trouble and I was all out of shape in general. Doan's Kidney Pills completely cured me and made me feel like a different person."
