AUTUMN BLOUSES

Never Were They More Charming Than These

What a joy to discover such exquisite wear-things all ready to put on. Really it seems as though some artistic needleworker had spent weeks planning and creating some of these wonderful blouses, so dainty and bewitching are they.

And the designers doubtless did. But the clever choosing of right silks and nets, and the making of many over the clever designs, brings the prices to very pleasing moderation, as your inspection will prove, for some are quite simple, while others are as elegant as the most important occasion could demand. Come, see and be convinced.

The charming suit blouses in shades of navy, beaver, tan and brown, taupes, bisques, gray and black with lovely hand embroidered and exquisite beadings, also the Cossack blouse in long and three quarter length sleeves; \$12.95 to \$45.00
