DAUPHIN PLANS MEMORIAL SHAFT FOR VETERANS

Will Erect Huge Boulder With Bronze Plates Containing Service Names

Blazing the trail for other Central Pennsylvania towns, Dauphin is busily making plans for the erection of a huge mountain boulder with bronze plates bearing inscriptions and military assignments of soldiers of the Great War and the Civil War, as a permanent memorial marker.

Dauphin feels that although it has honored both groups of soldiers with home-coming celebrations, way back in '45 and again in '19, some more permanent mark of recognition should be bestowed upon those who braved and suffered the rigorous privations and hardships of war. It believes that the proposed historic marker will fill the gap.

In Gratitude and Honor The movement has been launched by several representative residents of the upriver borough and although it is but barely under way, pledges of support have been made for the monument which will be made familiar with all the various activities of the borough during the war with Germany.

Over the Top Every Time Dauphin passed far beyond its fixed objectives in the five Liberty loan drives, offensives of the Red Cross and all other welfare work. This will also be mentioned on the shaft according to tentative plans, so that posterity may be made familiar with all the various activities of the borough during the war with Germany.

Nestled at the foot of three mountains, the launchers of the move believe that no more appropriate marker could be placed than a large boulder from one of them. It is planned to secure one weighing in the vicinity of two tons or larger, if found necessary, to contain the long list of service men. It will be partly buried in the ground to secure a firm foundation. Two or three sides depending upon the size of the boulder, will be smoothed off to allow the bronze to be attached. The remainder will be carefully preserved in its rugged state.

It is pointed out that practically every town in central Pennsylvania is in close proximity to a mountain and that markers could be erected by each at very low cost. A majority of contributors to the fund necessary to defray expenses will determine its site at Dauphin. Two places receiving foremost consideration are in Market Square and at the junction of the William Penn Highway and the Mountain road. If the latter place is decided upon a grass plot will surround it. The borough flagpole will also be placed in a corner of the park.

Backing the movement are: Lieut. Gov. E. E. Beldeme, who has a summer residence at Dauphin; Daniel F. Seiler, F. C. Gerberich, W. F. Reed, W. G. Garverich, I. L. Long, Dr. A. C. Coble, David Hoffman, C. E. Shaffer, Dr. W. P. Clark and others.

It is probable a committee will be formed to-night and active work started.

STRONGER THAN ANY TIME SINCE HE BECAME ILL

President Continues to Improve, Physicians Announce; Wants to Start Work

Washington, Oct. 8.—President Wilson was stronger to-day than at any time since he became ill nearly two weeks ago, said a bulletin issued to-day by Rear Admirals Grayson and Stitt and Dr. Sterling Rufin.

The bulletin follows: "White House, October 8, 11.55 a. m. "The President continues to improve slowly. He is stronger to-day than at any time since his illness began."

"Grayson, "Rufin, "Stitt."

Much Encouraged Supplementing the official bulletin Dr. Grayson said he was much encouraged by the continued improvement shown by the President but that for the present the orders for absolute quiet would be enforced.

The President is not allowed to see newspapers, but Mrs. Wilson reads to him daily and he is propped up with pillows from time to time to relieve the monotony of remaining in bed.

Mr. Wilson is again showing much interest in the Treaty fight in the Senate and in other business and it is only with increasing difficulty that his mind is diverted.

Wants to Eat Eggs After another good night President Wilson appeared cheerful this morning, White House officials said, and for the first time in more than a week, expressed a preference for eggs for breakfast.

It is with increasing difficulty that Rear Admiral Grayson, his personal physician, keeps the President from taking a hand in affairs of state. The President has asked for several persons, but neither Dr. Grayson nor Secretary Tumulty has been able to locate any of them.

The President, they told, showed a remarkable inability to find any one he wanted to see, adding that so far as he was concerned the "campaign of silence" was at an end.

Kiwanis Club Endorses Jewish War Relief

The American Jewish War Relief Campaign was endorsed by the State Convention of Kiwanis Clubs in session at Altoona on Monday. This campaign which is headed in this city by Frank Kaufman, will start shortly throughout the State, and every local club of the Kiwanis organization will assist in the work.

The campaign is being waged to secure funds for the relief of sufferers in Armenia and Poland, and it was the declaration of the chairman at the meeting held sometime ago to organize for the drive, that unless immediate aid was forthcoming thousands of men, women and children will die of starvation.

Railroad Concert Company to Entertain Thursday

The Pennsylvania Concert Company has elected Ira L. Behney their popular leader to direct their concert again the season of 1919-20. The opening entertainment will be given Thursday evening, October 9 in the Stevens Memorial Church with an interesting literary and musical program, beginning at 8.15 o'clock.

This will be a benefit for Mrs. Snuckers' Sunday school class. To the personnel of the company has recently been added, Dr. J. W. Sheaffer, impersonator and reader and E. S. Stock, cartoonist, who has recently returned home after 23 months of service overseas.

MANY CANTEN WORKERS GIVEN A LUNCHEON

Sixty Active Workers Are Guests of Mrs. Francis J. Hall at Bowmansdale

At noon to-day sixty members of the canteen service of the local American Red Cross chapter left the headquarters of the chapter in Walnut street enroute for the summer home of Mrs. Francis Jordan Hall, the captain, as her guests at luncheon. Motors took the members to the Bowmansdale estate.

Mrs. Hall has been the leader of the canteen workers since their organization last year, is entertaining the workers to-day at a picnic luncheon, in recognition of their indefatigable labors during the war, and since the armistice. The canteen service has met thousands of trains and hundreds of thousands of soldiers, on the way to the ports and later enroute to demobilization camps. The Harrisburg chapter has an unusual record among the chapters of the organization as it is at an important railroad concentration point.

Presented With Cup At the beginning of the luncheon Mrs. Hall was presented with a large silver cup, gift of the canteen workers, in appreciation of her services.

Mrs. Ross Anderson Hickok made the presentation. The inscription on the cup reads: "Harriet Gilbert Hall, from the Canteen Workers of the Red Cross of Harrisburg. A tribute to her enthusiasm, inspiring leadership, and untiring devotion to the canteen work during the World War."

Aside from the canteen workers, Mrs. Hall has invited to-day a number of men who were of such assistance at the Pennsylvania Railroad station during the busiest times. Unfortunately most of them will be unable to attend as the baggage department and trainmaster's office is at the depleted through vacations at this time. Mrs. G. H. Orth, executive secretary of the Harrisburg chapter, said to-day that had it not been for the cheerful help of these railroad men, the work done by the canteen service would have been impossible. They were always ready and willing to do everything in their power to help the workers.

The invitation list at the railroad includes Frank Matter, J. J. Weaver, R. W. Young, T. A. Miller, L. G. Lord, W. N. Hornafius, H. S. Heiser and L. T. Highland, from the trainmaster's office; and C. I. Brensholtz, Ray M. Buffington, W. G. Lytle and H. A. Wolfley from the baggage department. It is feared that this list may be incomplete, as all departments could not be reached this morning.

Frank Davenport has been invited to attend, as he was untiring in his assistance to the workers and without him many things could not have been done.

Other officers of the canteen are: Mrs. Walter H. Gaither, assistant to the chairman; Mrs. J. Miley Jones, vice-chairman; and Mrs. G. H. Orth, executive secretary. The list of canteen workers who attended to-day included:

- Mrs. John Graham, Mrs. A. W. Greeley, Mrs. R. A. Hickok, Mrs. B. E. Harrington, Miss Anna Henderson, Mrs. Lesley McCreat, Mrs. E. Murray, Mrs. P. T. Meredith, Miss Helen Undergrove, Miss Mabel Updegrove, Mrs. Edna Dunbar, Miss Helen Armour, Miss Emily Bailey, Miss Martha Bailey, Mrs. W. Richard Baldwin, Mrs. Robert A. Boll, Mrs. G. W. Bauder, Mrs. H. B. Bent, Mrs. Mary Bacon, Miss Mary Cheighton, Miss Constance Ferriday, Miss Cybelline Felker, Mrs. Farley Gannett, Miss Katherine Hart, Miss Marian Hean, Miss Almida Herman, Miss Mary Heister, Mrs. William Dimmick, Mrs. Mary Kennedy, Mrs. Victor LeCocq, Miss Myers, Miss Mary Mitchell, Miss Margaret McClain, Mrs. Harry Neale, Mrs. E. J. Stackpole, Mrs. C. C. Stroh, Mrs. H. W. Shutt, Mrs. E. T. Selig, Mrs. T. M. Williamson, Mrs. Frank Witman, Mrs. Horace Witman, Mrs. C. J. Wood, Miss Jane Wakefield, Miss Dorothy Wallower, Mrs. Curzon Fager and Mrs. Walter Maguire.

MEMORIAL FUND GROWS STEADILY

\$20 bills. A representative of the company brought in the flag this morning with a \$20 bill placed opposite each of the six stars, and the name of the service men the stars represented, printed under the stars.

Rotarians to Front The Rotary Club "covered" each of its seven service stars with a \$20 bill. Other fraternities and clubs are challenged to step up and do likewise.

Spencer C. Gilbert & Son contributed \$200 for ten service men who left their employ for the Army or Navy.

The Ohev Shalom Temple registered itself one hundred per cent. patriotic in this last war call. It will pay \$20 for each of its twenty-four service men when it demobilizes its service flag a week from tonight at special services marking the end of the holiday known as the Feast of Tabernacles, when Rabbi Louis J. Haas will preach a special sermon.

The post office employes who saw service in the World War have been subscribed for also, announced Postmaster Frank C. Sites. There were six of these employes.

Dives, Pomeroy & Stewart was registered one hundred per cent. patriotic in the last shot of the war, when they paid for their twenty service men this morning.

Hoffer & Garman set an example for other patriotic employes when they sent the following letter to the committee this morning: "Enclosed find my check for \$20

NEIGHBORHOOD CLUBS ARE PROPOSED

There are hundreds of Harrisburgers who would like to contribute to the War Memorial Fund, but do not feel that they have \$20 to give for any one soldier or sailor. The committee in charge is arranging for "Neighborhood Clubs" all over the city. Any one may become the chairman of a "Neighborhood Club" by calling at the Chamber offices and securing from Stanley G. Jean, treasurer of the fund, the authority and cards necessary to collect from his friends enough to total \$20, which will be assigned to some soldier.

On the other hand, there are many who have much more than \$20 to contribute, but don't know of any particular service man to pay for. These persons, it is urged, should contribute as generously as possible, the same as they would in any other campaign, and the money will be assigned to service men who have not yet been "covered."

For the last shot of the war. As we had no employes in this great war, I will ask you to contribute this

amount to George Ulrich." With this encouraging response from employers and organizations, spirits at headquarters are high, and the committeemen renewed their task with an added zeal to-day to gather in the \$20 for each of the service men and women of Harrisburg.

It is the easiest thing in the world to subscribe to this campaign, said Mr. Jean. "All you have to do is telephone to the Chamber offices, 4120, both phones, and the subscriptions can be made in his name. Any one may designate the soldier whom he wishes to honor." The committee is face to face with an interesting little problem in popular psychology.

Last week the same committee staged a great free show on the streets of Harrisburg. A parade of service men, dances, band concerts, ball games, outdoor banquet and other events, brought forty thousand people into the central part of the city. Presumably the 40,000 people came to honor the soldiers.

Now the committee is staging a show of a different sort. If forty thousand people come to the central part of the city for this show, and do their part as well as they did last week, the fund will be subscribed ten times over. The public last week had grandstand seats in a free show. And the public showed that it knew how to play its part.

The public takes the part of the prime actors in this week's show. It is asked to contribute \$70,000 for a memorial. The committee is banking on Harrisburg's reputation for wholehearted generosity, to assure the success of this week's performance.

The people who are waiting for solicitors to get their money were scored at headquarters this morning.

"Solicitors" didn't have to drag forty thousand people out last week to see the sights," it was said. "Solicitors, therefore, shouldn't have to drag a meager \$70,000 out of 80,000 people if those people really meant their cheers and flag-waving a week ago."

All the committee asks, it was insisted, is that the public cash in on its cheers and verbal patriotism. Harrisburg never failed before and the committee refuses to consider that the city will fail now.

The boys who have been subscribed for since yesterday are: Raymond Earl Ace, Charles W. Barker, Charles A. Boll, John B. Christie, Merlo Cone, Robert W. Dorey, Harry A. Farly, James H. Emerick, Harry F. Finn, Horace G. Geisel, William Goodyear, Percy C. Gross, C. Harry Hain, Lambert Hawkins, Charles William Johnson, Frank Dietrich Kluge, Philip T. Meredith, William C. Blood-Iron Phosphate Makes Thin Folks Fat

If you are weak, thin and emaciated and can't put on flesh or get strong, no matter how much you eat, go to George A. Gorgas or any other good druggist and get enough Blood-Iron Phosphate for a three weeks' treatment—it costs only 50 cents a week—and take as directed. If at the end of three weeks you don't feel stronger and better than you have for months; if your eyes aren't brighter and your nerves staidier; if you don't sleep better, and your vim, vigor and vitality aren't more than doubled, or if you haven't put on several pounds of good stay-where flesh, you can have your money back for the asking and your trial of Blood-Iron Phosphate will cost you nothing.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain How to Treat

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bismarck Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bismarck Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion. G. A. Gorgas.
