BOARD OF HEALTH WARNS AGAINST FLU

Authorities Nervously Await Recurrence of Dreaded Epidemic. Medical authorities seem to be of the opinion that this country will again be visited by the dreaded scourge of influenza...

How to Avoid the Flu. 1. Don't inhale any person's breath. 2. Avoid persons who cough and sneeze.

In addition to the above, the Health Commissioner of New York City, in an interview in the New York Times, predicts a return of influenza, warns everyone to guard their health carefully...

The medical profession practically admit their helplessness, and health authorities are nervously facing the situation.

Every Lady Wants a New Frock

If you can secure a new gown without depriving yourself of one single thing that you are in the habit of having, you have accomplished the thing that should be instilled in the minds of all children. It is the guarantee of future happiness.

It's a week set apart for the decoration and beautifying of American homes. A week wherein your slacking dollars will do their fullest duty.

GOLDSMITH'S

Central Pennsylvania's Best Furniture Store. NORTH MARKET SQUARE.

Our Mechanical Department Has Moved--- The Sales Department Has Not---

Printing estimates and consultation may be obtained at the Sales Department, Telegraph Building, in Federal Square, as heretofore.

Or, if you prefer, we'll have a Printing Salesman call to discuss your printing problems with you, gladly.

The Telegraph Printing Company is now installed in its handsomely furnished Print Shop, at State and Cameron streets.

The Telegraph Print-Mark, "The Imprint of Quality," has meant "The Highest of Printing Standards" in the past. Now, its meaning is multiplied tenfold, for new machinery, new equipment, lots of daylight and fresh air throughout the new plant means better-than-ever Printing.

Of course, the Greater Harrisburg Navy will take a prominent part in the campaign for the loan and there is no doubt whatever of its general approval.

Commissioner Gross has data from Baltimore and elsewhere showing successful pools and the costs in connection therewith.
