his party. Manager Weidner, who is also the buyer of suits, coats and skirts, who was also a big factor in the entertainment, came in for his share of thanks. On the event of Halloween the Camp Hill members of the club will entertain the Rotarians and their wives at a masquerade dance in the auditorium of the high school. The club last evening voted \$160 to take up the names of all those who suffer of the Gulf district, recently visited by terrible storms.

Famo Makes Women's Hair Grow Luxuriantly

Beautiful, healthy, lustrous new FAMO comes to the head on which FAMO is used regularly. Women have reported to us that their hair grew as much as four to six inches after faithful and conscientious use of FAMO, which is the one hair preparation which can be used daily with beneficial results.

It stops all itching of the scalp. FAMO is the result of three years of scientific experimentation in one of the recognized pharmaceutical laboratories of Detroit.

Its ingredients have been well known to physicians for years but have never before been used on the head. FAMO has accomplished wonderful results. Every member of the family should use it regularly. It contains no alcohol.

FAMO is sold at all toilet goods counters and applications may be had at the better barber shops and hair dressing establishments.

It comes in two sizes—a small size at 35 cents and an extra large bottle at \$1. Your money will be refunded if you are not satisfied.

From the laboratories of F. A. Thompson & Company, Manufacturing Pharmacists, Detroit, Mich.

There is a Big Difference in Mints

You may not know there is a difference in mints, but your dealer knows, because he pays more for Triangle Mints so you may have quality.

He appreciates that pure, more expensive materials make better mints.

He knows that by our exclusive process of blending the ingredients together produces crispy, smooth and deliciously flavored mints—wonderfully good.

Yet Triangle Mints cost you the same as other mints—5¢ a package.
