# "PURITY" Marga-rineischurned by The Capital City Prod-ucts Co., Columbus, Ohio, High Grade Margarine Makers Since 1884. (Also makers of Nut Mar-garine.) Only the best ingredients are good enough for "PURITY"-

Perhaps we could skimp in the manufacture of "PURITY" Margarine if we wanted to use inferior materials. But then it wouldn't be "PURITY."

"PURITY" Margarine is the popular margarine today because of its superior quality and flavor.

That flavor is the result of quality ingredients and the experience gained through 36 years of successful margarine making.

The test of taste will prove it. Your dealer has "PURITY" or will get it for you.
