

BASEBALL SHELVED UNTIL NEXT SEASON --- FOOTBALL WILL NOW HOLD ATTENTION

BUCKNELL TEAM STILL UNCERTAIN

Harrisburg Stars Are Showing Regular Form; Pick Team Next Week

Lewisburg, Pa., Oct. 11.—After four weeks of preliminary training, Bucknell's Varsity football squad is far from being selected. Coach Pete Reynolds has sent his squad through three games and has conducted hard scrimmages four times each week, and still six places are unsettled.

Head coach Reynolds has named John Hendren and Joe Kostos as the half-back jobs. Homan and Peale have outdistanced the field for tackles, and McDermott is the present master of right end.

Hendren and Kostos, both veterans, have won their places by virtue of weight, speed, experience and hard playing. Their nearest rivals are Bradley and Garrison, both freshmen.

Homan, a freshman from Allentown Prep, and who lives in Philadelphia, has been placed at tackle. His weight of 198 pounds, and his strong defense work marks him as the choice for the job.

Coach Reynolds has three good men fighting for the fullback place. They are Baldauf, the former Varsity man, and Bowser and Hahn, both freshmen. Hahn is out of the game for two weeks with a damaged shoulder.

A shift in linemen this week has added considerable strength to the forwards. Bill, the former Harrisburg Tech center, was put in the pivotal position and Morrett, a freshman from Steelton, was placed at left guard. Both men are playing smashing games in their new places.

Dickinson Squad Works to Develop Minor Plays

Carlisle, Pa., Oct. 11.—The past week was one of intense and concentrated effort on the part of the Dickinson College football squad and its coaches. The earlier period was spent mainly on fundamentals and in developing some minor plays.

In addition early training was somewhat hampered by the number of men out with injuries but this has been greatly decreased as the team has acquired endurance and toughness. Special plays were developed and work was pressed with the result that there was a big improvement and the practices just before the start to meet Ursinus today showed greater snap than marked the opener against Albright one week ago.

The squad as a whole is light this year and Coaches Craver and Myers are understood to be planning a method of campaign in which the open style of play will be featured. This was a feature of the week and Ursinus to-day saw a much different style of activity than the formations used against Albright.

URGED TO DRIVE 'POISONOUS GANG' OUT OF NATION

Washington, Oct. 11.—Charges that Bolshevick agitators have been favored with high positions by the administration and are now going about the country preaching the overthrow of the Government by force, were made in the Senate today when Senator Poindexter, Representative of Washington, and King, Democrat, of Utah, urged that there be prosecutions of these radicals, or deportations.

Among the men specifically named by the Senators were L. C. K. Martens, known as the Bolshevick ambassador to the United States; Robert Malone, former resident of Philadelphia and a newspaper correspondent, who was arrested in France on the charge of spreading Bolshevick literature among the troops, and later released; William C. Bullitt, also a Philadelphian, who was a member of the American Peace Commission, and Dudley Field Malone, former collector of the port of New York.

These men, it was asserted, have been prominent in spreading the doctrines of the Reds throughout the country, and the continuing to do so without check from the authorities. The last two named have not only been Federal agents in the past, but it was indicated that they are apparently favored by the administration since no stop is being put to their activities.

U., in addressing the four hundred women delegates attending the forty-sixth convention of the union last night, deplored the increase of cigarette-smoking among women. It is unwomanly to smoke," she said.

EDISON SQUAD IN FIRST GAME

Coach Picks Two Teams For Hard Practice Game; Maroons Win

Student Football Manager Roswell Lyons did not succeed in getting an outside team for this weekend so Coach Miller arranged a game for Friday evening between two picked teams from the school squad. The coach styled these teams the "Maroons" and the "Whites." During the course of the game a number of substitutions were made so that nearly thirty boys took part in the game. Four ten-minute periods were played.

The "Maroons" scored twice, in the latter part of the first quarter, and again in the latter part of the last quarter. The "Whites" held the "Maroons" frequently and gained about as many first downs as did their opponents.

An Even Battle During the second and third quarters the play was nearly even with the "Whites" having the slight advantage, at one time having advanced the ball to the "Maroons" two-yard line but they failed to score.

Every fellow on the teams played well. Dreese and McInnis figured in most of the end plays. Snyder, who had been out of the game for several evenings carried the ball over for both touchdowns. Cassel, Jones, Henry, Challenger and Selser seemed to play to the best advantage in the line work. Barringer, Nye, Lentz, Thompson, Johnson and Snyder did good backfield work. If they spirit keep up their pep and their boys, which places the team before the individual player, they are bound to give Palmyra a hard battle next Saturday.
