

TECH HAS EASY PROPOSITION IN GAME WITH CHESTER HIGH--OTHER GRID GAMES

By Hungerford

CHESTER HIGH EASY FOR TECH

Visitors Not in Maroon Class; the Crowd Was Small Saturday

Tech High School, 92; Chester High School, 0. That old saying, "I'm glad to see you're back from Chester," has been changed to "I'm mighty glad to get back to Chester" by the football eleven from Delaware county, after their trip to this city Saturday afternoon. The local Maroon team walloped them 92 to 0. Tech could have beaten them worse if they had so desired. In the first half 58 points were run up, and then Coach Smith made frequent changes. Captain Frank went out to receive the game for the first time in two years to make way for reserves. Arnold, the other tackle, was also taken out. The crowd was small and financially Tech was down.

Harrisburgers are given the chance to see the best High school team in America, and they should not fail to take advantage of the opportunity. It will be years before Tech has another team comparable to the eleven turned out last year and this. Chester has one of the best football eleven in the Philadelphia district, only they are not in Tech's class.

Chester Kicks Off Promptly at 3 o'clock, Captain Nymetz kicked off to Lingle, who gained fifteen yards before being tackled. On the next play, Lingle took the ball and "snaked" his way through the entire Chester line and scored a touchdown. Chester then elected to advance the pigskin, but was unable to advance the ball being forced to kick. From then on it was just a question of how large the score would be.

Carl Beck was not in the lineup, suffering from an injury to his shoulder. Lingle was taken out early in the game as he has been suffering from a kick in the stomach. Frank and Arnold were relieved at the end of the first half, as "Snaps" Emanuel, "Barney" Aldinger, Emanuel Gotschal, Germer and Wolf were the reserves who were used in the contest.

Visitors Injured In addition to the heavy score made against the visitors it was also made against the home team. Several of the players were injured. Captain Nymetz sustained a bad injury to his right ankle and was taken from the game during the first half. Left End Kaufman and McAldon were also on the hospital list before the contest. The team played well, and six of the Tech boys scored touchdowns, the bright light of the game was "Tary" Wilsbach. His open field work was of the highest class, and five times he scored six pointers after brilliant runs.

Next week Baltimore Polytechnic Institute will play in this city. The Polytech lads claim to have the fastest backfield in America. Three of the backfield are members of famous relay teams. They defeated Tech in a challenge match at the Tech gymnasium last spring. At Penn relay they won the High school championship of America. One thing from the Tech players they will be sure to show their heels. It will be a test for the linemen. The summary:

TECH: Kaufman, l. e. (Smith); Hoffmann, l. t. (Aldinger); Grayson, l. t. (Pleam); E. Emanuel, r. e. (Gotschal); Lingle, q. b. (Germer, McCord); Books, r. h. b. (Rhoads, l. h. b. Wilsbach, f. b. (Rose)

Touchdowns—Lingle, 4; Garrett, 3; Wilsbach, 2; Emanuel, 1; Books, 1; Germer, 1. Goals from touchdown—Wilsbach, 4 out of 10; Comfort, 4 out of 4.

On the Gridiron

Coach Benzke has shifted Clarence Beck from the backfield to the line, and the line is a stronger line. This is no new position for Beck, as he played tackle for Tech his first year, and then in 1913 and 1914 was shifted to fullback. State beat Bucknell in a great game last Saturday. The Tech boys were victorious by a 32 to 0 score. Both of these teams will oppose Tech in the season. Johnny Beck played an end and "Hennie" Kohman fullback for the Bethlehem lads. Ryan, former Tech coach, was one of the officials.

Tech has a total of 222 points in its three games to date. This is far better than the record of last year's team against the same opponents. Games are to come, and Tech will have to roll up large tallies in the early games if last year's total is to be equaled.

Haps Benfer, former York High and Albright College star, is coaching the Albright College eleven this fall. Both institutions credit Benfer with being the best athlete ever turned out by those two schools. While at Albright, a number of coaches picked "Haps" for the All-American team.

Lehigh showed a big improvement over its work last Saturday and sprang a surprise on Rutgers in the way of a 12 to 0 victory. "Rabbit" Hote was used in the backfield, but again had hard luck by having a small check bone broke.

Joe Hechka, who helped Easton High defeat Tech two years ago, is playing a star game for Lafayette in the backfield. The Eastonians lost to Princeton 9 to 6, but worked the ball to within an inch of a second touchdown that would have meant one of the biggest victories for the Maroon team.

Glenn Warner's Pitt machine kept a clean slate by beating West Virginia 26 to 0. Rogers, the Mountaineers' fullback, was as much of a disappointment in the game as was "Eddie" Collins in the World Series.

Princeton, Yale and Dartmouth were three big teams to be scored on Saturday. The army was beaten by Syracuse, 7 to 3.

Penn ran one of the largest scores in its history when they submerged Delaware State 89 to 0. "Hooper" Light, a Lebanon boy, kicked left out of the play for future games. While Tech scored more points than Penn, Chicago University made the record for the day when they totalled 124 to 0 on the Great Lakes aggregation.

RAIN STOPS GOOD GAME Lewistown, Oct. 13.—Brooklyn eleven, a local team, lost Saturday to Lewistown, score 24 to 0. Rain stopped the game in the last quarter.

TARSUS TEAM IS WINNER AT YORK

Downs Bethany Team by All-Around Good Grid Work

With Euker and Lick back in the lineup the Tarsus gymnasium school football team seemed to have new life in it and defeated the strong Bethlehem team in a game played at York Saturday, score 14-0. Eddie Petrow's broken finger kept him on the side lines but he will be able to get into the game against the Fulton A. C. at Lancaster next Sunday.

Tarsus played the entire first half with ten men on the field, several of the men being late reaching York. Tarsus scored one of the touchdowns in the second quarter. After Hinkle and Euker carried the ball to the 20-yard line, Euker shot a forward pass over the goal line to Krebs. Hinkle kicked the goal.

Tarsus Scores Again Tarsus scored again in the third quarter when Lick intercepted a forward pass and carried the ball to the nine-yard line where he was downed. Hinkle then hit the line and went over for a touchdown, after which he kicked the goal.

Bethany lost a good opportunity to score in the second quarter when after they had worked the ball to the nine-yard line they fumbled and Downey recovered the ball. Rhoads soon punted out of danger. Downey, Krebs, Euker, Dickey and Rhoads played good games for Tarsus.

"Joe" Lutz, who is home on a 30-day furlough from Camp Merritt, amused the crowd by playing in the Bethany game. He said that it was too warm to use a regular suit. The lineup and summary:

TARSUS: Kretz, l. e. (Kretz); Dickey, l. t. (Dickey); Hoffman, l. g. (Hoffman); Holahan, c. (Holahan); Lutz, r. e. (Lutz); Schaefer, r. t. (Schaefer); Downey, r. e. (Downey); Euker, q. b. (Euker); Lick, l. h. b. (Lick); Rhoads, f. b. (Rhoads); Touchdowns, Krebs, Hinkle. Goals from touchdowns, Hinkle. Substitutions, Conway for Buchanon, Fish for Ketterman, Referee, Cook, Umpire, Kraber. Time of quarters, two ten and two eight-minute periods.

BARRETT BILL NOW COMPLETE

Local Fans Look For Corking Good Show Friday Night

Another big card has been completed for Olympia A. A. at Steelton, by Joe Barrett. The show is scheduled for Friday night. Manager Barrett says, "It is the greatest bill ever offered and fans may expect some surprises."

The feature event, is the ten-round bout between Billy Logan, the lightweight champion of the coal fields, and Billy Angelo, of York, the Greek lightweight champion. The mention of these two real scrappers in the same ring, and the distance, ten rounds, is enough to attract a packed house, as their last bout, several weeks ago, which was for six rounds, was voted the greatest ever seen in this section.

The special six-round fight between "Rube" Bennett, Harrisburg's best man, and "Bearcat" Raymond, of Allentown, is another match on the same order of the feature event. Both boys have the future to look after, and no doubt their pace will measure up to Angelo and Logan. Raymond, who has met K. O. Laughlin, four times, and Bennett, were to fight the feature bout next week in Lancaster, but Barrett, had first call on Raymond's services.

Bennett Has Good Record Since being under the wing of "Scotty" Hemphill the Lancaster promoter, Bennett has done great work and fought nothing but star bouts this season. In his last six bouts, he has defeated "Mike" Howell, six rounds; Eddie Lincoln, six rounds; Johnny Vige, who was matched to fight K. O. Laughlin, here, in six rounds. Bennett also knocked out Soldier McGoorty, in three rounds, and the much touted Philadelphia middleweight, "Butts" Clarke, only lasted two rounds with "Rube."

Black Gunboat Smith, a local boy, will meet "Jim" Duncan in one of the preliminary bouts. Young Palmer, of Middletown, will meet "Red" Singer, of Dauphin, in the opening bout.

Umpires Want Increase For World's Series Service

Chicago, Oct. 13.—Umpires who officiate at the World's Series have appealed to the National Baseball Commission to increase the share of the financial prize to \$2,000 each. President Johnson of the American League, a member of the commission, said that the request had been received.

The four umpires, in their appeal, pointed out that the average umpire receives more than \$5,000 each, while the losing White Sox got about \$3,000 each.

They urged that the commission believe the umpires as necessary to the series as the players, the appeal was received.

President Johnson said the commission had not taken any action. The request for the additional \$1,000 was signed by Umpires Rigler and Quigley, of the National League, and Nalin and Evans, of the American League.

Cincinnati, Ohio, Oct. 13.—The National Commission today to wind up affairs incidental to the world's championship series. There is a report that the umpires who officiated in the series are dissatisfied with the financial prize. There is a report that the umpires of the commission, said to-day that he had received no complaints as yet from the umpires.

Frank Navin, president of the Detroit club, has the formal protest of the New York American's third place club share of the world series receipts be paid to him, and it is uncertain at this time whether the Yankees will get their share or not.

The majority of the Cincinnati champions left for their respective homes to-day.

New Scholastic League Takes Up Baseball

Mount Union, Pa., October 13.—Pennsylvania scholastic circles will be represented with another High School basketball league, which promises much interest. The new league is known as the Mount Union High School League. A meeting was held recently at Tyrone, Pa. The league will include the High Schools of Altoona, Bellefonte, Huntingdon, Lewisburg, Mount Union, Phillipsburg, Hollidaysburg and Tyrone, and a possibility of Clearfield and Lock Haven.

The next meeting will be held October 17, when a schedule will be arranged and officials appointed.

Several of the towns represented in the list had High School teams last year, which were ranked as the very best in the State, and the winners of the league this year will probably be pitted against the winners of the Central or Eastern Pennsylvania Scholastic League.

LEW TENDLER WINNER Denver, Oct. 13.—Law Tendler, who has started a campaign to prove he is the legitimate lightweight kingpin, scored a technical knockout over Stanley Yoakum here Saturday night when the latter, quit in the fourth round of a 15-round bout. This is the first time Yoakum has been stopped, and he has met all leading lightweight, including Benny Leonard.

ZEMBO TEAM TO PLAY COPPERS

Next Volleyball Game Promises Much Interest; Dance With Each Game

Get ready for something big in Volley Volley. The faster they come the better it is. This will be an off week, but one week from Wednesday there will be another game. The Zembo Patrol team does not mind a little thing like one defeat. That it is true is shown in the team signed up for the next battle.

Their opponents will be the Police team, champions of Harrisburg, and the team has challenged them from outside, the Coppens claim the county championship. That they are real champions no one doubts. They have an exhibition on Saturday. It is the trophy awarded by Jacob Tausig's Sons, Jewelers, 420 Market street.

This trophy has been framed and may be seen at the Central Y. M. C. A. The donors of this trophy awarded it to the Police after the latter had cleaned up every opponent in Volley Ball. It is a trophy worth having, and there is likely to be another prize offered for the most victorious team, the team scoring the most points in the feature event. Ball adds interest to the Volley game which has come to stay in Harrisburg.

Zembo Patrol play every Saturday, and hope to show form the next battle. After all teams at the Y. M. C. A. have been played, another exhibition will meet other Businessmen's team that handed the first defeat will be given another chance.

All games will be played at Chestnut street auditorium and open to the public. A dance will follow each game.

Academy Eleven Shows Strong Comeback; Former Meet Alumni This Week

Harrisburg Academy showed comeback form on Saturday in the game with Elizabethville High. The final score was 14 to 14. In the second half Harrisburg Academy came back strong, showing football form. The local eleven will now work hard for the game on Wednesday with the Alumni lineup.

At Elizabethville at the start of the second half Armstrong took the Elizabethville kick and advanced the ball fifteen yards. After both teams had lost the ball on downs on several occasions the Academy squad managed to reach the 30-yard line and Good got off for a good end run which netted him a touchdown. England kicked the goal.

Academy then kicked and held Elizabethville for downs. After gaining a few yards Academy was forced to kick. After a few plays were completed, Elizabethville fumbled and Greg, of Academy, recovered and kicked a touchdown. England kicked the goal.

The Academy lineup was: Wallerstein and Greg, ends; Hoke and White, tackles; Hunter and Hendry, guards; Rouse, center; Armstrong, quarterback; Menger and Good, halfbacks; England, fullback.

Former star Academy athletes are to try a comeback in a game with the school's varsity eleven on Wednesday afternoon starting at 4:30 o'clock. The event is to be staged on the Academy field.

Vance E. McCord and Jackson Boyd are coaching the Alumni squad and practices are to be held to-day and to-morrow in an attempt to get the players in condition for the event. A large squad was out this afternoon.

DUNDEE FIGHTS THOMAS HERE

Will Be Wind-Up Bout at Next Show in Chestnut Street Auditorium

What has all the appearance of a prospective "scrappy" scrap is carded as the wind-up event of the boxing show scheduled to be held in the Chestnut Street Auditorium on Friday night, October 24, by the Harrisburg Boxing Association.

"Allentown" Dundee, the fighter who was booked to meet Lew Tendler at a show in this city last year, and when the latter refused to fight took on Joe Tiplitz, the substitute provided, and gave him a good run. Charley "Kid" Thomas, of Philadelphia another speedy lightweight, has to offer in the contest.

Dundee has been boxing in wonderful form lately, if newspaper accounts of his matches are to be taken into consideration. On Saturday night at the National Club in Philadelphia he administered a trouncing to Harry "Kid" Brown, one of the best of the lightweight class outside of Tendler.

Bell Saves Brown Brown lasted six rounds with Dundee, but the bell saved the Philadelphia boy from a knockout in the fourth. Two well-directed blows to the jaw had Brown hanging helplessly on the ropes when the gong sounded.

The match was Dundee's second in as many nights. On Friday night in Altoona "Allentown" scored an easy victory over "Bill" Richards, of that city, in six rounds. Dundee was outweighed by nearly thirty pounds, but had little difficulty in winning.

Charlie Eitinger, of Allentown, who is officiating as the matchmaker for the Harrisburg Boxing Association, was in Harrisburg Saturday and completed a card of four bouts for the contest on October 24 show here. In the semiwind-up and two preliminary events there will appear three Harrisburg boys, two from Allentown and one from Carlisle.

"Rube" Bennett has been matched with Johnny Dutko, of Allentown, Bennett, a local boy, has been fighting in a number of bouts in Lancaster recently and is in good fighting trim. Young Shugrue, of Allentown, is matched with Nate Isaacman, another Harrisburg boy, and in the other K. O. Casey, of this city, is to go up against Jerry Glass, of Carlisle.

WOLF A. A. Defeats Larkin D. C. Eleven The Wolf A. A. eleven of Steelton, defeated the Larkin D. C. team by a score of 21 to 0 in a game played Saturday. The summary:

WOLF A. A.: Lavshir, l. e. (Lavshir); Richards, l. t. (Richards); Schilling, l. g. (Schilling); Crow, c. (Crow); Henry, r. g. (Henry); Poole, r. t. (Poole); Meade, r. e. (Meade); Scholtes, r. e. VOTE ON SHANTUNG PACT THIS WEEK; DEBATE COTINUES

By Associated Press

Washington, Oct. 13.—Imminence of another test of strength in the Senate controversy over the German Peace Treaty overtops in interest and importance all matters likely to come before Congress this week. Leaders in the Treaty fight regard a vote on the Shantung amendments to the pact late this week as assured and hope that within ten days all other amendments can be disposed of.

Debate on the Shantung amendments are to be continued to-day by Senator Lodge, of Massachusetts, chairman of the Foreign Relations Committee, and author of the pending amendments. Reading of the Treaty text will be continued and by Wednesday it is hoped to conclude the formal reading and proceed to vote on the Shantung section.

To expedite Treaty consideration, Republican and Democratic leaders are negotiating for an agreement for an earlier convening hour and also for uninterrupted consideration of the document. It is aimed to inaugurate this new "speeding up" program Wednesday.

The House will consider comparatively minor measures this week, including disposition of the bill for vocational education of persons injured in industry and that to establish a Federal budget system. Final action on the outer proceedings against Representative Victor Berger, the Wisconsin Socialist, is planned Friday by the House elections committee.

Following disposal of the Shantung amendments to the Treaty, Senate leaders plan to take up the "six to one" amendment of Senator Johnson, Republican, of California, who is expected to return Tuesday from his western speaking trip. Leaders of both parties in the Senate agree that the vote on Senator Johnson's proposal, aimed to equalize British and American voting strength in the League of Nations, will be very close. Several days, it is expected, will be spent in debate on the amendment.
