You Need Not Suffer From Catarrh

You have probably been in the habit of applying external treatments, trying to cure your Catarrh. You have used sprays, washes and lotions and possibly been temporarily relieved. But after a short time you had another attack and wondered why. You must realize that catarrh is an infection of the blood and to get permanent relief the catarrh infection must be driven out of the blood. The quicker you come to understand this, the quicker you will carefully answer all letters on the subject. There is no charge for the medical advice.
