Ambassador Davis Declares They Will Send Agents to America

Washington, Oct. 15.—The House committee voted favorably on the passport restriction legislation after hearing testimony by Secretary Lansing and other State Department officials, who presented to the com-

mittee reports of American diplomatic and consular agents and military and naval attaches in Europe, all of whom joined in urging continuance of the control. Ambassador Davis at London, in requesting continuance of the restrictions, said the "department already is aware that the Bolshevik authorities in Russia are acquiring genuine American passports, intending to use them to send their agents to the United States and elsewhere."

Disabled Soldier Made Sole Heir to Millions

Reading, Oct. 15.—Mrs. Herman Stump, widow of Colonel Herman Stump, third member of diplomatic and other commissions named by President Cleveland, while her attorney announced that she had adopted Elmer Spearling, a Reading soldier maimed in the Argonne Forest, as her sole heir, a liquid fire attack and was shot in the body. He was taken to the hospital in the Green-Hut department here, where with one leg amputated, he was recovering when Mrs. Stump, worth several million dollars but devoting her time to hospital work among soldiers, met him. She has recently adopted him in the courts of New York and said today, on a visit to Spearling's home here, that she had made a will making him her sole heir, the estate to revert to her relatives after his death. Mrs. Stump is 72 years old, many years the junior of Mrs. Stump. She is going to send him to Columbia University to study banking and finance. Spearling came here with her to visit his sister, Mrs. Clarence Kauffman.

Mrs. Stump, before her marriage, was Mary Fernandez Velasco, a descendant of Admiral Velasco, a Spanish naval officer. She is a niece of General Augustus Dodge, after whom Fort Dodge, Iowa, was named.

American Legion Gets Reduced Rates to First Convention

New York, Oct. 15.—The American Legion's national executive committee announced here that arrangements made with the Railroad Administration reduced fare rates, on the basis of one and one-third fare for the round trip, would be available to all delegates, officers and members of the Legion who attend the first national convention to be held in Minneapolis November 10, 11 and 12.

Cold, Cough and Catarrh Medicine For Young and Old

You buy it of any well-stocked drugist in 2 1/2 oz. bottles and take it in ten-drop doses, or better yet mix it with simple sugar syrup, made by dissolving 1/2 of a pound of granulated sugar in a half-pint of boiling water. It is so easy to make a whole pint of cold and cough syrup that tens of thousands of mothers make it every year for their loved ones.

All agree that this home-made cough syrup is free from harmful drugs, and that only a few doses are required for each case, so that a pint may last a family throughout the winter season.

For colds, catarrh, cough and bronchitis, there is nothing superior for prompt, lasting relief. Guaranteed by the Blackburn Products Co., Dayton, Ohio, to please or money back.—Adv.

Stomach Troubles Are Due to Acidity Tells Safe, Certain, Speedy Relief For Acid Indigestion.

So-called stomach troubles, such as indigestion, gas, sourness, stomach-ache and inability to retain food are in many cases due to acidity, a simple evidence that excessive secretion of acid is taking place in the stomach, causing formation of gas and acid indigestion. Gas distends the stomach and causes a feeling of oppressive burning, sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excess development or secretion of acid.

To stop or prevent this souring of the food contents of the stomach and to neutralize the acid, and make it bland and harmless, a teaspoonful of bisulphated magnesia, a good and effective corrector of acid stomach, should be taken in a quarter of a glass of hot or cold water after eating or whenever gas, sourness or acidity is present. This restores the stomach and neutralizes the acidity in a few moments and is a perfectly harmless and inexpensive remedy to use.

An antacid, such as bisulphated magnesia, which is obtained from any drugist in either powder or tablet form enables the stomach to do its proper work without the aid of artificial digestants. Magnesia comes in several forms, so be certain to ask for and take only Bisulphated Magnesia, which is especially prepared for the above purpose. See A. Gorgas.

RAILROAD NEWS

RAILROAD MEN READY FOR DRIVE

Campaign Starts One Minute After Midnight Saturday; Daily Sessions

Railroad men in and around Harrisburg are ready for the big safety drive which will begin next Saturday morning a minute after midnight and will continue fourteen days. It is estimated that there will be many thousand transportation employees directly interested in the campaign, but there will be other thousands interested and indirectly affected.

This campaign, which will be known as the national railroad accident prevention drive, will be under the auspices of the United States Railroad Administration, which aims to prove to the nation that carelessness is a habit that can be eradicated. Every railroad in the nation under Federal control will be engaged in the drive for the two weeks and as there will be regional and divisional figures issued at the conclusion of the drive, the railroad men are alert, so that they will stand at the head of the list. Further, there will be competition among the various lines running into Harrisburg and this promises to be keen. Already the various railroads are laying plans to have every employe do his utmost to prevent an accident to himself or his fellow employe.

Daily Meetings Practically every railroad building in and around the city is displaying the hope of railroads, 2218 North Sixth street; W. W. Lutz, 1916 Market; S. H. Miller, 1909 North Second; and W. F. Madenfort, 1103 Capital, all in Harrisburg. They lose no time on any trip and on most of the trips they made up time.

The discipline bulletin of the Middle division for the week of October 5 shows that one railway official was dismissed from the service for larceny of company property and one yard fireman for absence from duty without permission and previous bad record. There were the usual number of suspensions and reprimands for violations of rules, carelessness, etc.

Get-Together Meeting Is Friendship Club Plan

Officials of the Friendship and Co-operation Club are planning for a get-together meeting of the night of October 30, at Eagle's Hall. This meeting will be for members only. Plans will be taken up for the big open meeting in November. It is desirable that every member attend the next meeting. Those who have not been attending meetings are urged to be present to hear some good news. The committee on entertainment is planning for refreshments and cigars. It will be an exclusive session for members.

Anthracite Shipments For September Show Increase

Shipment of anthracite for September from the Anthracite Bureau of Information, amounted to 5,687,401 gross tons, which compared with the same month in 1918, the latest normal year, shows an increase of 143,225 tons. This record was accomplished notwithstanding local strikes in the Lackawanna region that tied up most of the mines of the Delaware, Lackawanna and Western Railroad Company, for about a week and those of the Hudson Coal Company for about two weeks. Compared with the preceding month of August, the shipments in September showed a decrease of 456,743 tons, this decrease reflecting the effect of the labor disturbances and the shorter month. The shipment of domestic sizes were within two per cent. of the record made on those sizes in September, 1918, when the total shipments exceeded \$200,000, one of the largest September records in the history of the industry.

POTATOES SELLING AS LOW AS \$1.60 BUSHEL; GOOD QUALITY

Potatoes sold in Harrisburg as low as \$1.60 a bushel to-day and there were reports of some transactions at \$1.50. This is the lowest that first grade potatoes have brought in this city for a long time. Home grown potatoes sold as high as \$2.25 a bushel some weeks ago but prices have been receding rapidly.

URGES ECONOMY IN HARDWARE

Avoid Tying Up of Capital, Is Wish of Association Head

Atlantic City, N. J., Oct. 15.—Addressing the annual convention of the National Hardware Association here yesterday, P. L. Logan, of Pittsburgh, urged manufacturers to limit styles in hardware tools of all kinds, as well as in automobile tires, in order to avoid tying up capital in stock and to lessen expense. The association, which represents more than 95 per cent of the jobbing trade in the United States, decided to ask motor tire makers to rescind the mileage guarantee which has been given for years, and to force the buyer to accept the tire at his own risk.

A. H. Nichols, Detroit, Mich., president of the association, in his annual address, directed attention to the increase in cost of production, which he ascribed "as much to the inefficiency of to-day as to the shortage of raw materials." He referred to the proposed one-cent postage rate, which is favored by the jobbers and which is expected also to be endorsed by the convention of the National Hardware Manufacturers' Association.

Young Men's Bible Classes Hold Important Meeting

Much interest was manifest last evening at a meeting of the two classes under the leadership of Walter S. Schell and which is being held at the Stevens Memorial Methodist Church. These two classes were recently consolidated into a Young Men's Class consisting of approximately sixty members at the present time, with prospects bright for increasing the membership to one hundred in the near future.

Local Conductors Make Perfect Schedule Time

Four Middle division passenger conductors made a 100 per cent. record of making schedule time during the month of September. They were W. R. Chandler, 2218 North Sixth street; W. W. Lutz, 1916 Market; S. H. Miller, 1909 North Second; and W. F. Madenfort, 1103 Capital, all in Harrisburg.

SUE TO REGAIN THEIR WEALTH

German Nobility, Stripped of Estates, Bring Action Against the Government

Cassel, Germany, Oct. 15.—Two Germans, formerly of the nobility, who have been deprived by the new regime of the greater part of their estates, have been obliged to sue the new governments for restoration or reimbursement. They are the Prince of Waldeck and Pyrmont and the Duke of Coburg-Gotha.

The former principality of Waldeck and Pyrmont is now governed by the Diet in Arolsen where the Prince owned before the revolution two castles and a vast domain of forest. After vainly offering to buy these from him, the Diet confiscated all the Prince's property promising to pay him what the courts should determine to be a fair price.

By one stroke of the pen the commissioners who now rule the new Free State of Gotha, confiscated the property of the Duke of Coburg-Gotha, estimated to be worth 65,000,000 marks and this without offer of remuneration. The commissioners who were Spartacists took forcible possession of the ducal buildings, estates and bank accounts and, in 24 hours, the Duke was stripped of everything he owned.

The other portion of the duchy, Coburg-Gotha, has reached a financial agreement with the Duke. Both Prince and Duke have sued the new governments. In the case of the Duke, the court which sits in Gotha has obtained a legal ruling from government attorneys that confiscation without remuneration is illegal, so that the Duke is likely to recover his money or be paid for his property. After all, life, for dukes, princes and other nobility in Germany to-day is unhappy.

Predicts Drop in Shoe Prices, but Not Until Next April

New York, Oct. 15.—Footwear prices are due for a tumble—in fact they have dropped twenty per cent. since the middle of August, and are going to take still another plunge after Christmas, J. Frank McElwain, president of the National Boot and Shoe Manufacturers' Association, predicts.
