

BETTING ON HORSE RACING INCREASES

More People in England Back Horses and Wager Larger Sums

By Associated Press London, Oct. 16.—There is more betting than ever on horse racing throughout England, according to the leading London bookmaking firms, as though every event was trying to make up for the war-time period when racing as well as betting was suspended. "It is not only that more people are betting," said the head of the concern, "but they are wagering larger sums. The small man who used to have his 'lanner' on a race now risks his shilling or half crown, while the clubman who formerly was content to wager a sovereign now bets a fiver. "I have been in business for 25 years, and I have never made such books as this year over the Derby and other classics. "Another point about the present-day betting," continued the bookmaker, "is the number of women who back horses. Fifteen years ago I don't think there were a dozen women customers. Now we have hundreds. I don't know where they get their information, but some of the biggest bets are now drawn this year have been for women. "They nearly always pay too, when they lose. Of course, we get an occasional defaulter, as we do among our men customers. But take them all around they are just as sporting over the business as any of the men we have on our books."

HOW TO BE RID OF DANGEROUS DANDRUFF

If you have dandruff you must get rid of it quick—it's positively dangerous and will surely ruin your hair if you don't. Dandruff heads mean faded, brittle, scraggly hair that finally dies—new hair will not grow—then you are hairless and nothing can help you. The sure way to abolish dandruff for good is to destroy the germ that causes it. To do this quickly, safely and without risking a penny, get from your druggist's some Parisian sage (liquid form). This is guaranteed to banish all dandruff, stop itching scalp and falling hair, and promote a new growth, or the cost, small as it is, will be refunded. Parisian sage is a scientific preparation that supplies hair needs—an antiseptic liquid, neither sticky or greasy, easy to apply and delicately perfumed. If you want beautiful soft, thick, lustrous hair, and lots of it, by all means use Parisian sage. Don't delay—begin tonight. Little attention now helps insure abundant hair for years to come. Kennedy's Druggists will supply you and guarantee money refunded if you are not entirely satisfied.

Clean Up Poison Soaked Kidneys Advises Dr. Carey

Thousands Die Every Year Because They Allow Poisonous Deposits to Accumulate in Kidneys Don't flush your kidneys with harsh makeshifts says Dr. Carey, they are too frail and delicately constructed to treat them rough. For 40 years I have been prescribing Marshroot for kidney and bladder sickness and now that I have retired from active practice I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price. Beware of kidney disease thousands die of it every year who ought to be enjoying the blessings of life and health. If you have specks floating before the eyes, puffiness under eyes, clammy feet or moist palms, backache and headache, you ought to get a bottle of Dr. Carey's Marshroot. It is not a patent medicine and is only sold through drug stores in order to accommodate his patients. Geo. A. Gorgas can supply you. IMPORTANT—Dr. Daniel G. Carey has been a practicing physician for many years and his great prescription, "Marshroot," has cured thousands of sufferers from kidney and bladder troubles. It is not a patent medicine and is only sold through drug stores in order to accommodate his patients. Geo. A. Gorgas can supply you.

Peterson's Ointment Best For Eczema

First Application Stops Itching of Eczema, Salt Rheum and Piles Ends Chafing Distress in Five Minutes "Live and let live is my motto," says Peterson of Buffalo. "Druggists all over America sell PETERSON'S OINTMENT for 25 cents a large box and I say to these druggists, if anyone buys my ointment for any of the diseases or ailments for which I recommend it and are not benefited, give them their money back. "I've got a safe full of thankful letters testifying to the mighty healing power of Peterson's Ointment for old and running sores, eczema, salt rheum, ulcers, sore nipples, broken breast, itching scalp, chafing and blind, itching and bleeding piles. John Scott, 283 Virginia Street, Buffalo, writes, "Peterson's Ointment is simply wonderful. It cured me of eczema and also piles, and it did it so quickly that I was astonished." Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y.

Says His Prescription Has Powerful Influence Over Rheumatism

Discoverer Tells Druggists Not to Take a Cent of Anyone's Money Unless Allergic Completely Banishes All Rheumatic Pains and Twinges. Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work. He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body. With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system. He freely gave his discovery to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. George A. Gorgas has been appointed agent for Allen's in this vicinity with the understanding that he will freely return the purchase money to all who state they received no benefit.

SEEK TO SERVE IN U. S. ARMY

German Officers Apply For Commissions, but Are Refused

Berlin, Oct. 15.—The Spanish embassy in Berlin which is in charge of American affairs, pending the ratification of the Peace Treaty, has received so many applications from regular German army officers who want to serve in the American Army that it has posted a big sign on the outer door announcing that such applications will not be accepted and that it is useless to apply. The number of applicants since has gradually decreased but still there are some. Some of those seeking commissions in the American Army urged that they could be of value in "teaching the Americans how to fight."

There has been a rush also of German officers to join other former enemy or neutral armies. The applicants were ready to serve in either the American, British, Japanese, Argentine or even the French forces. Every correspondent in Germany, regardless of his nationality, has been bombarded with queries and personal applications. In vain did they assure the officers that their armies would under no circumstances accept German officers. In vain the explanation was made that all the Entente armies were overburdened with officers and were making every effort to demobilize them.

Argentina has become more or less the mecca of the would-be emigrants from Germany because it has advertised through its consulate for agricultural laborers and has offered inducements in the way of free land. However, those who want most to leave Germany want least to go to farming. For those who really want to take up agriculture the Argentine invitation is still attractive.

Movies to Show Missing Boy in an Effort to Find Him

Hammonton, N. J., Oct. 16.—The belief that 3-year-old Billy Dansey, who disappeared from his home here a week ago, was kidnapped, was strengthened to-day by the discovery of three different men who declared they saw the little fellow being led away by two strange men on the day of his disappearance. Information also was received that the child was seen in the vicinity of Egg Harbor, about 10 miles south of here. Plans were made to have pictures of the missing boy thrown on the screen at motion picture theaters throughout Pennsylvania and New Jersey. Arrangements also are being made for the publication in many cities of both states of a petition, signed by all the fathers and mothers in Hammonton, requesting his return to his parents.

Continue Search For Radical Agitators Lined With Strikers

Gary, Ind., Oct. 16.—Army and city officers continue their search for radical agitators who have aligned themselves with the striking steel workers. Rumors of plots against the lives of city officials and steel mill heads gained wide circulation throughout the city, but the police and military commander refused to confirm the reports. Picketing increased and Colonel W. S. Mays received reports of attempts to intimidate workmen. The first mass meeting permitted since the Federal troops entered the city was held by the strikers yesterday afternoon in a public park and was addressed by John Fitzpatrick, of Chicago, chairman of the national strike committee, and others.

Says Federal Troops Are Ready For Any Call to Suppress Riots

Cleveland, Ohio, Oct. 16.—Secretary of War Newton D. Baker, addressing the delegates to the convention of the Ohio Federation of Women's Clubs last night, referring to the agitation and unrest in this country since the signing of the armistice, manifesting itself sometimes in race riots and mob disorder, but for the most part evidenced by widespread industrial controversies, said the administration in Washington is determined that Federal laws be enforced and Federal agencies left unobstructed and that Federal troops will respond instantly to the call of any governor, to suppress riots and disorders in any state.

President Wilson Will Get Well Again, McAdoo Tells the Lambs' Club

New York, Oct. 16.—President Wilson will emerge from his present illness "well again," William G. McAdoo, son-in-law of the President and former Secretary of the Treasury, said here last night in an address at the Lambs' Club. "I am sure no greater calamity could befall the Nation and the world at this time than to have a fatal outcome of his illness," he added.

Wilson, Though Ill, Remembers Birthday of Wife; Purchases Gift

Washington, Oct. 16.—President Wilson, despite his illness, remembered yesterday was Mrs. Wilson's birthday. In fact, he made preparations for it several days ago, and sent out a member of the White House staff to purchase a gift. Yesterday he presented the remembrance to her.

Hebrew Printers Get \$6 More Per Week

New York, Oct. 16.—Hebrew owners of job printing plants have granted members of the Hebrew Typographical Union, No. 83, a \$6 a week increase and a forty-four-hour week to go into effect at once. The employers of this organization are charged under the International Typographical Union, but are a separate unit from "Big Six," whose members are now on "vacations."
