Washington, Oct. 20. — Steps to prevent an abnormal increase in the price of sugar because of the existing shortage were taken to-day by the Department of Justice.

Attorney General Palmer notified beet sugar refiners, who have been withholding their products from the market until the price situation became more stabilized, that the United States Sugar Equalization Board had determined that ten cents was a pair price to be charged the wholesaler and that any charge in excess of that amount would be regarded in violation of the food control act. Refiners were asked to telegraph their concurrence in this price, which would mean that they would put their supply on the market impulsively thereby reliably to the state of the supply on the market impulsively thereby reliably to the supply of the suppl

Isolated by Cavalry

By Associated Press. Iondon, Oct. 20.—Petrograd is virtually isolated, the War Office announces to-day, anti-Bolshevik cavalry having cut the railroads leading from Petrograd to Vitebsk, Moscow and Vologda. The Petrograd-Vitebsk road is cut at Viritza and the Petrograd-Moscow railroad at Tosna, south and southeast of Petrograd, respectively. The line at Vologda is cut south of Lake Ladoga.

Paris, Oct. 20 (Havas).—Contradictory reports are received from Russia and it is impossible to confirm rumors that Petrograd has been taken by the Northwestern Russian army under General Yudenitch. It seems certain that the Yudenitch troops are advancing and must be at the gates of the city, if they have not already taken it.

War Workers Will See That B. LESLIE POTTER IS HELD BY POLICE AFTER AFFRAY

B. Leslie Potter, a former hotel proprietor, shortly after 1 o'clock this afternoon, is alleged to have attempted to kill R. Sherman Care, lawyer. Three shots were fired, one ball entering the fleshy part of Attorney Care's leg, causing a slight injury

The shooting took place in the office of the lawyer, 409 Market street. Potter was taken in custody and is being held for a hearing.

street. Potter was taken in custody and is being held for a hearing.

The shooting cadsed considerable excitement. The police station was notified. Before a squad of police arrived, Traffic Officer Laurie, who is stationed at Fourth and Market streets, and heard the shot, rushed to the office of Lawyer Care. He found Potter at the head of the stairway reloading his revolver. Potter gave himself up but refused to talk.

In the meantime the police patrol arrived, and the officers had gone up a back stairway. Potter was formerly proprietor of the hotel at 524 State street. Later he took over the Fox Hotel at Second and Washington streets, but lost his license in a law and order cleanup. Recently Potter engaged in the barber business at 709 South Front street.

Allege Check Trouble
The trouble is said to have started over an alleged check which Potter streets and Care had in his possession. This check, according to Potter's contention with the lawyer, had been forged on a city bank and Care was withholding it from Potter.
This afternoon Potter came to the lawyer's offices and is said to have threatened to kill Care because he said the latter had refused to turn over the check. More than a month
