GEORGE ROVAI FOR ITALY HOME

Will Be Accompanied by His Steward; Farewell Dinner Wednesday Night

GEORGE ROVARI FRANK ILLGRANIA

On Saturday October 25, George Ro vai, proprietor of the Harris House

by one of the boys whom he at-tempted to arrest.

Oliver was wounded in an ex-change of shots with a posseman, and was only captured, according to officers, when he feared he was bleeding to death. Citizens who were held by the men were forced to take him to Coltewah for medi-cal attention. His companion es-caped.

Oliver was threatened with lynching at Coltewah. A rope was placed about his neck he was strung up but citizens desisted when he promised to give the name of his companion.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure lanative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Tr. Edwards' Olive Tablets when you feel "logy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 10cand 25c.

and his steward will leave for New York, where they will remain until Saturday, the day they sail. They go first to Naples, thence to Rome and from there to their home at Lucca. Mr. Rovai has three sisters in Italy and one brother in Brazil. The latter he has not seen in 30 years. This will be his second visit home in 14 years. It is probable the departure of George Rovai Wednesday night will mark the passing of the Harris House as a regular hostelry and restaurant Plans for the future will be announced at the dinner. The hotel will continue under Mr. Rovai's name until the Trust Company takes over the building.

George Rovai is one of the best known hotel men in Central Pennsylvania. The Harris House under his management has been known for its cuisite and was famous for its chops, steaks, fish, oysters, etc. For 20 years he has been proprietor, during which time he has enjoyed a big trade. His geniality, and desire to please his patrons won him great popularity and his friends hope he will return and continue in business. He has been a resident of Harrisburg for 35 years, having started at the old Gross House on Walnut street, which was later the Columbus Hotel. During his proprietorship George Roval has entertained many parties, and also figured in weekly entertainments at his clubhouse, near Marsh Run. He was an honorary member of the Sherlock Holmes Club and other local organizations.

Holmes Club and other local organizations.

His steward, Frank Illegania is also well known to meny patrons of the Harris House. He has been employed there for 14 years. His start was with Patricio Russ at Hotel Russ, with whom he worked for two years. He had charge of the lunch counter prior to becoming steward at the Harris House, and also assisted in preparation of the big dinners served there on special occasions.
