## Rich Silks

### Tinsel Brocade Satins and Meteors

The season's choice of choice for Evening Gowns of distinction also employed for bodice and millinery use; silver figures and vine effects on white, black, robin's egg blue and coral. Our own exclusive designs; 40 inches wide; \$12.50 yard.

Seasons past we had to look to France or the Orient for this kind of work. Today America reverses the order by supplying the most artistic and beautifully finished brocades at a nominal figure, compared to the cost of the imported fabrics.

#### Wool Dress Fabrics

44-inch Priestley Fine Twill Serge, navy blue of the richest dye, deep and perfect navy, with rich borders of heavy silk and tinsel, gold or silver. Most harmonious contrasts such as:—Victory Red, Titian Brown, Black or Navy; all on Navy grounds. They are largely employed for dress or skirts; Bowman's exclusively; \$6.50 yard.

### Draperies

That Make The Home Look Home-Like

There's all the difference in the world between the home that looks as though some one loved it, and the house that is lived in by people who don't care.

The artistic woman, who takes a pride in having beautiful things around her home, thinks first of the graceful Draperies that soften the lines of the furnishment and give the rich blooms of color that are so effective.

Here are the choicest Drapery Fabrics that have recently come from the looms. The woman who wants to beautify her home will enjoy an early inspection.
