Will Not Meet Johnny Gill in No Person Shows Desire to Next Steelton Show; Probable Windup

For his regular boxing show Thursday night, October 30, Joe Barrett, manager of the Olympia A.

Barrett, manager of the Olympia A. C., in Steelton, will not have Mike Uraine and Johnny Gill. According to Barrett, Uraine, not only wants the whole receipts, but wants the clubhouse and gloves thrown in. Young Mahoney, of Baltimore, is now ready to meet all comers at his weight, and instead of the above bout, Barrett is looking around for some one to meet the popular Baltimorean. Mahoney writes Barrett, "match me with Schiff. I will deliver the goods. If Schiff refuses, then get me Billy Angelo. It is likely that either Schiff or Angelo will meet the Baltimorean in the next show.

Monthly Boxing Carnival

Barrett announced to-day that he will start on Thanksgiving night to run a monthly amateur boxing carnival, with the intention of developing some stars from hereabouts. All nearby youngsters are asked by Barrett to call on him at the clubhouse any evening from 7.30 to 8.30 to let him weigh them, so he can place them in their proper class. There is a dread among youngsters about entering the game with some one who had fought for money, which stands in the way of developing future greats, and this offer is open only to those who have never fought before. Barrett would like to make the first show one of bantam and featherweights, but boys of any weight may call on him to be listed.

New York, Oct. 21.—Willie Hoppe last night eclipsed all other contestants in the opening matches of the American National 18.2 balkline championship billiard tournament at the Hotel Astor.

The former Mileholder compiled two phenomenal runs of 149 and 138 in mastering Welker Cochran, 400 to 118. Hoppe's average was 44 4-9. At all stages he played close billiards, his definess in controlling the sphere being unusually good.

The victories of Ora Morningstar and George B. Sutton were not so brilliant as that of Hoppe, although they played well and made a fine showing.

Chicago, Oct. 21. - The whispered scandals about the recent World Series, spread abroad by gamblers who lost bets they thought were cinches, has resulted in a Chicago explosion that has an echo, necessary in Cincinnati. Charles Comiskey, owner of the White Sox, enraged at the talk that went on during and after the series, wants the detractors to step forward and give their evidence or to take their media.

Two more genuinely stiff work-outs, besides that of last evening, await the football warriors, for, on account of the long distance to the scene of their next game, they will be compelled to leave here on Thursday. Consequently they have only this evening and Wednesday evening for practice and it is, therefore, necessary that these two workouts be heavy.

Even though they were unable to effect any score, Coach Paul L. Strickler was manifestly pleased with the work of his men in Saturday's game with Susquehanna. The work of the line was particularly pleasing to the coach and he himself said that Captain Fishburn at right tackle played the best game of his career.

DICKINSON TO

Penbrook Winner in Speedy Game at York

Here is what the York Dispatch says about the Penbrook victory on Saturday:

"Catching Gorman's pretty forward pass in the vicinity of Bethany's 20-yard line, Black, the speedy Penbrook left end, planted the ball back of the goal posts for the only touchdown scored in the game between Bethany football team and the Penbrook eleven, of Harrisburg, Saturday afternoon, on the Chain Works gounds and registered Bethany's second defeat of the season. Black also kicked the goal, which placed the score 7 to 0 at the end of play.

son. Black also kneed the goat, which placed the score 7 to 0 at the end of play.

"Fumbles at decisive periods of the game broke up chances to score on the part of both teams. Several times Bethany had the ball in Penbrook territory, but fumbles or the stiff defense of the visitors broke up attempts to score. The capital city players also had repeated chances to score, but failed to take advantage of them.

"Bub' Hodgson, coach of the Bethany eleven, donned a red and black uniform for the first time this season. Hodgson replaced Spangler at the quarterback position. Several other changes were made in the Bethany line-up.

"Gorman's long forward pass was pulled in the second quarter after both teams had failed to take advantage of many scoring possibilities.

vantage of many scoring possibili-ties. After Black's toe shot the oval over the goal post neither team was able to score."

Retailers of Foods Make 300 Per Cent. Profit

Washington, Oct. 21. — Prices charged by retailers for food-stuffs here frequently are from 200 to 300 per cent. In excess of the wholesale prices a Senate investigating committee declared in its report.

"It would seem." said the report, "that the retail meat dealers receive a greater per cent. of profit than the farmer, livestock raiser, buyer, railroad commission men and the storage and packers combined."
