ALL ACCOUNTED FOR
[From San Francisco Argonaut]
One morning a woman walked
into a village grocery store with a
majestic stride. It was easy to see
by the sternness of her expression
that she was somewhat disturbed.
"This," she sarcastically explained, throwing a package on the counter, "is the washing itself. It's the
soap that makes washing a pleasure.
It's the soap—"
"That isn't soap, madam," interrupted the groceryman, examining
the package. "Your little girl was
in here yesterday for a half pound
of cheese and a half pound of soap.
This is the cheese."
"U—m, that accounts for it," said Arbor Day will be observed on Friday. Increase your property value by planting trees. CHARTER NOTICE
